75 subdivision (7) of section 173.205 for purposes of eligibility requirements of other  
76 financial assistance programs that refer to section 173.205.

77 **2. The failure of an approved virtual institution to continuously**

**80 from being eligible for assistance under sections 173.1104 and 173.1105.**

173.1104. 1. An applicant shall be eligible for initial or renewed financial

3 which the applicant is receiving such assistance, the applicant:

11 of study leading to a degree in theology or divinity.

12 2. If an applicant is found guilty of or pleads guilty to any criminal  
13 offense during the period of time in which the applicant is receiving financial  
14 assistance, such applicant shall not be eligible for renewal of such assistance,  
15 provided such offense would disqualify the applicant from receiving federal  
16 student aid under Title IV of the Higher Education Act of 1965, as amended.

17 3. Financial assistance shall be allotted for one academic year, but a  
18 recipient shall be eligible for renewed assistance until he or she has obtained a  
19 baccalaureate degree, provided such financial assistance shall not exceed a total  
20 of ten semesters or fifteen quarters or their equivalent. Standards of eligibility  
21 for renewed assistance shall be the same as for an initial award of financial  
22 assistance, except that for renewal, an applicant shall demonstrate a grade-point  
23 average of two and five-tenths on a four-point scale, or the equivalent on another  
24 scale. This subsection shall be construed as the successor to section 173.215 for  
25 purposes of eligibility requirements of other financial assistance programs that  
26 refer to section 173.215.

173.1105. 1. An applicant who is an undergraduate postsecondary  
2 student at an approved private, [or] public, **or virtual** institution and who meets  
3 the other eligibility criteria shall be eligible for financial assistance, with a  
4 minimum and maximum award amount as follows:

5 (1) For academic years 2010-11, 2011-12, 2012-13, and 2013-14:

6 (a) One thousand dollars maximum and three hundred dollars minimum  
7 for students attending institutions classified as part of the public two-year sector;

8 (b) Two thousand one hundred fifty dollars maximum and one thousand  
9 dollars minimum for students attending institutions classified as part of the

10 public four-year sector, including State Technical College of Missouri; and

11 (c) Four thousand six hundred dollars maximum and two thousand dollars  
12 minimum for students attending approved private institutions;

13 (2) For the 2014-15 academic year and subsequent years:

14 (a) One thousand three hundred dollars maximum and three hundred  
15 dollars minimum for students attending institutions classified as part of the  
16 public two-year sector; and

17 (b) Two thousand eight hundred fifty dollars maximum and one thousand  
18 five hundred dollars minimum for students attending institutions classified as  
19 part of the public four-year sector, including State Technical College of Missouri[,  
20 or]; approved private institutions; **or approved virtual institutions.**

21 2. All students with an expected family contribution of twelve thousand  
22 dollars or less shall receive at least the minimum award amount for his or her  
23 institution. Maximum award amounts for an eligible student with an expected  
24 family contribution above seven thousand dollars shall be reduced by ten percent  
25 of the maximum expected family contribution for his or her increment group. Any  
26 award amount shall be reduced by the amount of a student's payment from the  
27 A+ schools program or any successor program to it. For purposes of this  
28 subsection, the term "increment group" shall mean a group organized by expected  
29 family contribution in five hundred dollar increments into which all eligible  
30 students shall be placed.

31 3. If appropriated funds are insufficient to fund the program as described,  
32 the maximum award shall be reduced across all sectors by the percentage of the  
33 shortfall. If appropriated funds exceed the amount necessary to fund the  
34 program, the additional funds shall be used to increase the number of recipients  
35 by raising the cutoff for the expected family contribution rather than by  
36 increasing the size of the award.

37 4. Every three years, beginning with academic year 2009-10, the award  
38 amount may be adjusted to increase no more than the Consumer Price Index for  
39 All Urban Consumers (CPI-U), 1982-1984 = 100, not seasonally adjusted, as  
40 defined and officially recorded by the United States Department of Labor, or its  
41 successor agency, for the previous academic year. The coordinating board shall  
42 prepare a report prior to the legislative session for use of the general assembly  
43 and the governor in determining budget requests which shall include the amount  
44 of funds necessary to maintain full funding of the program based on the baseline  
45 established for the program upon the effective date of sections 173.1101 to

46 173.1107. Any increase in the award amount shall not become effective unless  
47 an increase in the amount of money appropriated to the program necessary to  
48 cover the increase in award amount is passed by the general assembly.

173.1107. A recipient of financial assistance may transfer from one  
2 approved public [or], private, **or virtual** institution to another without losing  
3 eligibility for assistance under sections 173.1101 to 173.1107, but the coordinating  
4 board shall make any necessary adjustments in the amount of the award. If a  
5 recipient of financial assistance at any time is entitled to a refund of any tuition,  
6 fees, or other charges under the rules and regulations of the institution in which  
7 he or she is enrolled, the institution shall pay the portion of the refund which  
8 may be attributed to the state grant to the coordinating board. The coordinating  
9 board will use these refunds to make additional awards under the provisions of  
10 sections 173.1101 to 173.1107.
