SENATE COMMITTEE SUBSTITUTE FOR
SENATE CONCURRENT RESOLUTIONS NOS. 53 & 44

Relating to an application to Congress for the calling of an Article V convention of states to propose certain amendments to the United States Constitution which place limits on the federal government.

Whereas, the Founders of our Constitution empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending; and

Whereas, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, it is the solemn duty of the states to protect the liberty of our people - particularly for the generations to come - to propose amendments to the United States Constitution through a convention of states under Article V to place clear restraints on these and related abuses of power:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby apply to Congress, under the provisions of Article V of the United States Constitution,

for the calling of a convention of the states limited to proposing amendments to the United States Constitution that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and members of Congress; and

Be It Further Resolved that this application constitutes a continuing application in accordance with Article V of the United States Constitution until the legislatures of at least two-thirds of the several states have made applications on the same subject; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.

Which request was granted.
