

Journal of the Senate

SECOND REGULAR SESSION

FIFTY-SECOND DAY—THURSDAY, APRIL 14, 2016

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

“Don’t let your brain interfere with your heart.” (Albert Einstein)

Lord God, we bring another week to a close with the work we complete today. We pray that we have carefully thought through all the implications of the actions we have taken and the work we’ve undertaken. Help us while driving to debrief our brains so we can let our brains rest and not get in the way of our hearts. May our hearts be free to express the appreciation we have for our loved ones who make it possible for us to be here and for their understanding of how our thoughts and actions often are centered here rather than at home. And we ask that our hearts speak to their hearts so they may know the love we have for them. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

SENATE SUBSTITUTE FOR
SENATE COMMITTEE SUBSTITUTE FOR
SENATE RESOLUTION NO. 1794

Whereas, on July 21, 2015, the President Pro Tempore of the Senate established, pursuant to Senate Rule No. 31, the Senate Interim Committee on the Sanctity of Life composed of seven members of the Missouri Senate (later amended to include ten members of the Senate) with the following duties:

1. Conduct an in-depth analysis of the Planned Parenthood business model and the methods by which they dispose of human remains from aborted fetuses;
2. Investigate whether Planned Parenthood, and any of its affiliates or associates, is or has engaged in activity contrary to the laws of this state;
3. Determine whether any state dollars have been directly used in such activity or used in a manner to offset expenses so that Planned Parenthood and any of its affiliates and associates might engage in such alleged activities;
4. Investigate whether any person, past or present, employed by the state of Missouri had any prior knowledge of any such alleged activity or misuse of state funds; and
5. Examine and investigate any other issues the Committee deems relevant to the allegations brought forth against Planned Parenthood; and

Whereas, over the course of several months, the Committee held public hearings to receive the testimony of witnesses and develop recommendations for the Missouri Senate; and

Whereas, on November 24, 2015, the Committee, pursuant to the call issued by the President Pro Tempore of the Senate on July 21, 2015, and as part of its legislative duties to investigate whether or not an entity that is receiving state funds violated any state laws, issued a subpoena duces tecum to Dr. James Miller, Pathology Services, Inc. (attached as Exhibit 1). The subpoena was properly signed by President Pro Tempore of the Missouri Senate Ron Richard and attested to by the Secretary of the Missouri Senate and received by Dr. Miller on or about November 24, 2015; and

Whereas, the subpoena duces tecum commanded Dr. Miller and Pathology Services, Inc. to designate a knowledgeable person to appear before the Committee on Wednesday, December 2, 2015, to testify before the Committee and to provide the records contained in Attachment A to the subpoena at such time; and

Whereas, on December 1, 2015, Senator Schaefer, as chairman of the Committee, sent a letter to Dr. Miller extending the deadline to appear before the Committee to December 9, 2015, and Senator Schaefer sent another letter to Dr. Miller extending the deadline to appear before the Committee to December 16, 2015; and

Whereas, on December 10, 2015, an attorney representing Dr. Miller and Pathology Services sent by fax and via USPS a document to Senator Richard entitled “Objections to the Subpoena Duces Tecum Issued to Dr. James Miller and Pathology Services Inc.”; and

Whereas, the objections to the subpoena duces tecum contained in the letter to President Pro Tempore Richard by Dr. Miller and Pathology Services on December 10, 2015, have been distributed to the members of the Senate Committee on Rules, Joint Rules, Resolutions, and Ethics; and

Whereas, in the judgment of the Senate Committee on Rules, Joint Rules, Resolutions, and Ethics, the objections to the subpoena duces tecum are without merit and that such subpoena should be fully complied with; and

Whereas, the subpoena duces tecum does not seek any personally identifiable information from any client; and

Whereas, to this day, Dr. Miller has failed to comply with a properly executed subpoena duces tecum issued by the Missouri Senate and has not indicated that he intends to ever comply with the subpoena duces tecum; and

Whereas, in the judgment of this body, the documents sought by the Committee were relevant and pertinent to the charge of the Committee and should have been produced by Dr. Miller in the time period denoted in the subpoena duces tecum and the letters from Senator Schaefer to Dr. Miller; and

Whereas, the General Assembly is authorized to issue subpoenas pursuant to Senate Rule 14 as well as Section 21.400, RSMo, which states “Subpoenas for witnesses and the production of records shall be issued at the request of any member of the senate or the house of representatives, or the party accused, or any member of any committee; and all process awarded by the senate or house of representatives, and subpoenas and other process for witnesses whose attendance is required by either the senate or the house, or before any committee, shall be under the hand of the president pro tem, or the speaker and attested by the secretary or chief clerk, as the case may be, and shall be executed by the sergeant at arms of such house, or by a special messenger appointed for that purpose.”; and

Whereas, the General Assembly possesses power under the Missouri Constitution to arrest and punish a person who is guilty of contemptuous behavior; specifically Article III, Section 18 of the Missouri Constitution states, in part, that “Each house [of the General Assembly] may arrest and punish by fine not exceeding three hundred dollars, or imprisonment in a county jail not exceeding ten days, or both, any person not a member, who shall be guilty of disrespect to the house by any disorderly or contemptuous behavior in its presence during its sessions...”; and

Whereas, Dr. James Miller and Pathology Services Inc. appear to have had no lawful excuse for not complying with the subpoena duces tecum; that the information to be obtained by the Committee from Dr. Miller and Pathology Services Inc. would be important and material for the Committee in fulfilling its legislative duties; that absent any lawful excuse it was the duty of Dr. James Miller and Pathology Services Inc. to have provided the requested documents:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, Second Regular Session, hereby take notice of the aforementioned failure to comply with the subpoena duces tecum issued by the Missouri Senate; and

Be It Further Resolved that Dr. Miller be summoned to appear at the bar of this body and show cause why he should not be found to have engaged in contemptuous behavior under Article III, Section 18 of the Missouri Constitution by refusing to comply with the subpoena issued under authority granted by Senate Rule 14 and Section 21.400, RSMo, and be punished for said contempt; and

Be It Further Resolved that the President Pro Tempore of the Senate and the Secretary of the Senate are hereby authorized to issue the necessary process to bring Dr. Miller to the Senate Chamber within the Missouri State Capitol on April 25, 2016, at 2:00 p.m., and the Sergeant-at-Arms, or his designee, is authorized and required to execute such process in the manner directed therein.
