1 payable as provided in sections 476.515 to 476.565, subject to the following provisions:

2 (1) The state of Missouri employer, pursuant to the provisions of 26 U.S.C. Section
3 414(h)(2), shall pick up and pay the contributions that would otherwise be payable by the judge
4 under this section. The contributions so picked up shall be treated as employer contributions for
5 purposes of determining the judge's compensation that is includable in the judge's gross income for
6 federal income tax purposes;

7 (2) Judge contributions picked up by the employer shall be paid from the same source of
8 funds used for the payment of compensation to a judge. A deduction shall be made from each
9 judge's compensation equal to the amount of the judge's contributions picked up by the employer.
10 This deduction, however, shall not reduce the judge's compensation for purposes of computing
11 benefits under the retirement system pursuant to this chapter;

12 (3) Judge contributions so picked up shall be credited to a separate account within the
13 judge's individual account so that the amounts contributed pursuant to this section may be
14 distinguished from the amounts contributed on an after-tax basis;

15 (4) The contributions, although designated as employee contributions, are being paid by the
16 employer in lieu of the contributions by the judge. The judge shall not have the option of choosing
17 to receive the contributed amounts directly instead of having them paid by the employer to the
18 retirement system;

19 (5) Interest shall be credited annually on June thirtieth based on the value in the account as
20 of July first of the immediately preceding year at a rate of four percent. Interest credits shall cease
21 upon retirement of the judge;

22 (6) A judge whose employment is terminated may request a refund of his or her
23 contributions and interest credited thereon. If such judge is married at the time of such request,
24 such request shall not be processed without consent from the spouse. A judge is not eligible to
25 request a refund if the judge's retirement benefit is subject to a division of benefit order pursuant to
26 section 104.312. Such refund shall be paid by the system after ninety days from the date of
27 termination of employment or the request, whichever is later and shall include all contributions
28 made to any retirement plan administered by the system and interest credited thereon. A judge may
29 not request a refund after such judge becomes eligible for retirement benefits under sections
30 476.515 to 476.565. A judge who receives a refund shall forfeit all the judge's service and future
31 rights to receive benefits from the system and shall not be eligible to receive any long-term
32 disability benefits; provided that any judge or former judge receiving long-term disability benefits
33 shall not be eligible for a refund. If such judge subsequently becomes a judge and works
34 continuously for at least one year, the service previously forfeited shall be restored if the judge
35 returns to the system the amount previously refunded plus interest at a rate established by the board;

36 (7) The beneficiary of any judge who made contributions shall receive a refund upon the
37 judge's death equal to the amount, if any, of such contributions less any retirement benefits received
38 by the judge unless an annuity is payable to a survivor or beneficiary as a result of the judge's death.
39 In that event, the beneficiary of the survivor or beneficiary who received the annuity shall receive a
40 refund upon the survivor's or beneficiary's death equal to the amount, if any, of the judge's
41 contributions less any annuity amounts received by the judge and the survivor or beneficiary.

42 7. The employee contribution rate, the benefits provided under sections 476.515 to 476.565
43 to judges covered under this section, and any other provision of sections 476.515 to 476.565 with
44 regard to judges covered under this section may be altered, amended, increased, decreased, or
45 repealed, but only with respect to services rendered by the judge after the effective date of such
46 alteration, amendment, increase, decrease, or repeal, or, with respect to interest credits, for periods
47 of time after the effective date of such alteration, amendment, increase, decrease, or repeal.

48 8. Any judge who is receiving retirement compensation under section 476.529 or 476.530

1 who becomes employed as an employee eligible to participate in the closed plan or in the year 2000
2 plan under chapter 104, shall not receive such retirement compensation for any calendar month in
3 which the retired judge is so employed. Any judge who is receiving retirement compensation under
4 section 476.529 or section 476.530 who subsequently serves as a judge as defined pursuant to
5 subdivision (4) of subsection 1 of section 476.515 shall not receive such retirement compensation
6 for any calendar month in which the retired judge is serving as a judge; except that upon retirement
7 such judge's annuity shall be recalculated to include any additional service or salary accrued based
8 on the judge's subsequent service. A judge who is receiving compensation under section 476.529 or
