172 description as may be committed to it by any person or persons whatsoever, or  
173 any corporation, and act as assignee, receiver, trustee and depository, and to  
174 accept and execute all such trusts and perform such duties of every description  
175 as may be committed or transferred to it by order, judgment or decree of any  
176 courts of record of this state or other states, or of the United States;

177 (3) Take, accept and hold, by the order, judgment or decree of any court

180 personal property in trust, and to execute and perform any and all the legal and  
181 lawful trusts in regard to the same upon the terms, conditions, limitations and

191 like fiduciary capacity;

192 (7) Act as attorney-in-fact or agent of any person or corporation, foreign

194 or conveyance of same, the investment of money, and for any other lawful  
195 purpose.

196 4. (1) In addition to the powers and authorities granted in this section,  
197 the director of finance may, from time to time, with the approval of the state  
198 banking and savings and loan board, issue orders granting such other powers and  
199 authorities as have been granted to financial institutions subject to the  
200 supervision of the federal government to:

201 (a) State-chartered banks and trust companies which are necessary to  
202 enable such banks and trust companies to compete;

207 trust companies to compete;

208 (d) State-chartered banks and trust companies to establish trust  
209 representative offices to the same extent national banks are permitted such

213 5. As used in this section, the term "subsidiary" shall include one or more  
214 business entities of which the bank or trust company is the owner, provided the

217 6. A bank or trust company to which authority is granted by regulation

3 conditions or requirements that may be fixed by regulations pursuant to section  
4 361.105 by the director of the division of finance and the state banking and  
5 savings and loan board. Notwithstanding any law to the contrary, no such  
6 condition or requirement shall be more restrictive than the fees or service charges

15 **(2) The fee is fixed or flat, except that the fee may vary based**  
16 **upon the method of payment used.**

18 not prohibit an owner or operator of the automated teller machine from imposing,  
19 on an individual who conducts a transaction using a foreign account, an access  
20 fee or surcharge that is not otherwise prohibited under federal or state law.

21 [3.] 4. As used in this section, the following terms mean:

18 (4) All other reasonable expenses incurred in the origination, servicing,  
19 and collection of the amount due under the contract.

20 **2. A holder of a contract may impose a convenience fee for**  
21 **accepting a payment using an alternative payment channel that accepts**  
22 **a debit or credit card-not-present, non-face to face payment, provided**

4 provided and regulated by sections 367.100 to 367.200 and except:

5           (1) On loans for thirty days or longer which are other than "open-end  
6 credit" as such term is defined in the federal Consumer Credit Protection Act and  
7 regulations thereunder, a fee, not to exceed ten percent of the principal amount  
8 loaned not to exceed one hundred dollars may be charged by the lender; however,  
9 no such fee shall be permitted on any extension, refinance, restructure or renewal  
10 of any such loan, unless any investigation is made on the application to extend,  
11 refinance, restructure or renew the loan;

12           (2) The lawful fees actually and necessarily paid out by the lender to any  
13 public officer for filing, recording, or releasing in any public office any instrument  
14 securing the loan, which fees may be collected when the loan is made or at any  
15 time thereafter; however, premiums for insurance in lieu of perfecting a security  
16 interest required by the lender may be charged if the premium does not exceed  
17 the fees which would otherwise be payable;

18           (3) If the contract so provides, a charge for late payment on each  
19 installment or minimum payment in default for a period of not less than fifteen  
20 days in an amount not to exceed five percent of each installment due or the  
21 minimum payment due or fifteen dollars, whichever is greater, not to exceed fifty

30 loan against loss of or damage to property or against liability arising out of  
31 ownership or use of property as provided in section 367.170; however,  
32 notwithstanding any other provision of law, with the consent of the borrower,  
33 such insurance may cover property all or part of which is pledged as security for  
34 the loan, and charges or premiums for insurance providing life, health, accident,  
35 or involuntary unemployment coverage;

36 (6) Reasonable towing costs and expenses of retaking, holding, preparing  
37 for sale, and selling any personal property in accordance with section 400.9;

38 (7) Charges assessed by any institution for processing a refused  
39 instrument plus a handling fee of not more than twenty-five dollars;

40 (8) If the contract or promissory note, signed by the borrower, provides for  
41 attorney fees, and if it is necessary to bring suit, such attorney fees may not  
42 exceed fifteen percent of the amount due and payable under such contract or  
43 promissory note, together with any court costs assessed. The attorney fees shall  
44 only be applicable where the contract or promissory note is referred for collection  
45 to an attorney, and is not handled by a salaried employee of the holder of the  
46 contract;

47 (9) Provided the debtor agrees in writing, the lender may collect a fee in  
48 advance for allowing the debtor to defer up to three monthly loan payments, so  
49 long as the fee is no more than the lesser of fifty dollars or ten percent of the loan  
50 payments deferred, no extensions are made until the first loan payment is  
51 collected and no more than one deferral in a twelve-month period is agreed to and  
52 collected on any one loan; this subdivision applies to nonprecomputed loans only  
53 and does not affect any other subdivision;

54 (10) If the open-end credit contract is tied to a transaction account in a  
55 depository institution, such account is in the institution's assets and such  
56 contract provides for loans of thirty-one days or longer which are "open-end  
57 credit", as such term is defined in the federal Consumer Credit Protection Act and  
58 regulations thereunder, the creditor may charge a credit advance fee of up to the  
59 lesser of seventy-five dollars or ten percent of the credit advanced from time to  
60 time from the line of credit; such credit advance fee may be added to the open-end  
61 credit outstanding along with any interest, and shall not be considered the  
62 unlawful compounding of interest as that term is defined in section 408.120;

63 (11) A deficiency waiver addendum, guaranteed asset protection, or a  
64 similar product purchased as part of a loan transaction with collateral and at the  
65 borrower's consent, provided the cost of the product is disclosed in the loan  
66 contract, is reasonable, and the requirements of section 408.380 are met;

67 **(12) A convenience fee for making a payment using an**  
68 **alternative payment channel that accepts a debit or credit card-not-**  
69 **present, non-face to face payment, provided that:**

70 **(1) The person making the payment is notified of the**  
71 **convenience fee; and**

72 **(2) The fee is fixed or flat, except that the fee may vary based**

73 **upon the method of payment used.**

74           2. Other provisions of law to the contrary notwithstanding, an open-end  
75 credit contract under which a credit card is issued by a company, financial  
76 institution, savings and loan or other credit issuing company whose credit card  
77 operations are located in Missouri may charge an annual fee, provided that no  
78 finance charge shall be assessed on new purchases other than cash advances if  
79 such purchases are paid for within twenty-five days of the date of the periodic  
80 statement therefor.

81           3. Notwithstanding any other provision of law to the contrary, in addition  
82 to charges allowed pursuant to section 408.100, an open-end credit contract  
83 provided by a company, financial institution, savings and loan or other credit  
84 issuing company which is regulated pursuant to this chapter may charge an  
85 annual fee not to exceed fifty dollars.

408.330. 1. If a retail time contract or a retail charge agreement so  
2 provides, the holder thereof may charge and collect:

3           (1) A premium for insurance in lieu of charges for perfecting a security  
4 interest required by the lender if the premium does not exceed the fees which  
5 would otherwise be payable;

6           (2) Charges assessed by any institution for processing a refused  
7 instrument plus a handling fee of not more than fifteen dollars;

8           (3) A delinquency and collection charge on each installment in default for  
9 a period of not less than ten days in an amount not to exceed ten dollars or five
