

FIRST REGULAR SESSION

# SENATE BILL NO. 366

99TH GENERAL ASSEMBLY

INTRODUCED BY SENATOR KOENIG.

Read 1st time January 26, 2017, and ordered printed.

ADRIANE D. CROUSE, Secretary.

1595S.01I

## AN ACT

To repeal sections 337.025, 337.029, and 337.033, RSMo, and to enact in lieu thereof three new sections relating to the licensure of psychologists.

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Sections 337.025, 337.029, and 337.033, RSMo, are repealed

2 and three new sections enacted in lieu thereof, to be known as sections 337.025,  
3 337.029, and 337.033, to read as follows:

337.025. 1. The provisions of this section shall govern the education and  
2 experience requirements for initial licensure as a psychologist for the following  
3 persons:

4 (1) A person who has not matriculated in a graduate degree program  
5 which is primarily psychological in nature on or before August 28, 1990; and

6 (2) A person who is matriculated after August 28, 1990, in a graduate  
7 degree program designed to train professional psychologists.

8 2. Each applicant shall submit satisfactory evidence to the committee that  
9 the applicant has received a doctoral degree in psychology from a recognized  
10 educational institution, and has had at least one year of satisfactory supervised  
11 professional experience in the field of psychology.

12 3. A doctoral degree in psychology is defined as:

13 (1) A program accredited, or provisionally accredited, by **either** the  
14 American Psychological Association (APA) **or** the Psychological Clinical  
15 Science Accreditation System (PCSAS) **provided that such program**  
16 **include a supervised practicum, internship, field, or laboratory training**  
17 **appropriate to the practice of psychology; or**

18 (2) A program designated or approved, including provisional approval, by  
19 the American Association of State Psychology Boards or the Council for the

20 National Register of Health Service Providers in Psychology, or both; or

21 (3) A graduate program that meets all of the following criteria:

22 (a) The program, wherever it may be administratively housed, shall be  
23 clearly identified and labeled as a psychology program. Such a program shall  
24 specify in pertinent institutional catalogues and brochures its intent to educate  
25 and train professional psychologists;

26 (b) The psychology program shall stand as a recognizable, coherent  
27 organizational entity within the institution of higher education;

28 (c) There shall be a clear authority and primary responsibility for the core  
29 and specialty areas whether or not the program cuts across administrative lines;

30 (d) The program shall be an integrated, organized, sequence of study;

31 (e) There shall be an identifiable psychology faculty and a psychologist  
32 responsible for the program;

33 (f) The program shall have an identifiable body of students who are  
34 matriculated in that program for a degree;

35 (g) The program shall include a supervised practicum, internship, field,  
36 or laboratory training appropriate to the practice of psychology;

37 (h) The curriculum shall encompass a minimum of three academic years  
38 of full-time graduate study, with a minimum of one year's residency at the  
39 educational institution granting the doctoral degree; and

40 (i) Require the completion by the applicant of a core program in  
41 psychology which shall be met by the completion and award of at least one  
42 three-semester-hour graduate credit course or a combination of graduate credit  
43 courses totaling three semester hours or five quarter hours in each of the  
44 following areas:

45 a. The biological bases of behavior such as courses in: physiological  
46 psychology, comparative psychology, neuropsychology, sensation and perception,  
47 psychopharmacology;

48 b. The cognitive-affective bases of behavior such as courses in: learning,  
49 thinking, motivation, emotion, and cognitive psychology;

50 c. The social bases of behavior such as courses in: social psychology,  
51 group processes/dynamics, interpersonal relationships, and organizational and  
52 systems theory;

53 d. Individual differences such as courses in: personality theory, human  
54 development, abnormal psychology, developmental psychology, child psychology,  
55 adolescent psychology, psychology of aging, and theories of personality;

56 e. The scientific methods and procedures of understanding, predicting and  
57 influencing human behavior such as courses in: statistics, experimental design,  
58 psychometrics, individual testing, group testing, and research design and  
59 methodology.

60 4. Acceptable supervised professional experience shall consist of a  
61 minimum of fifteen hundred hours of professional experience obtained in not less  
62 than twelve nor more than twenty-four consecutive calendar months. In no case  
63 shall this experience be accumulated at a rate of less than twenty hours per week  
64 nor more than fifty hours per week. Postdoctoral supervised professional  
65 experience for prospective health service providers shall involve and relate to the  
66 delivery of psychological health services. Postdoctoral supervised professional  
67 experience for other applicants shall be in accordance with professional  
68 requirements and relevant to the applicant's intended area of practice.

69 5. Postdoctoral experience for those applicants who intend to seek health  
70 service provider certification and who have completed a program in one or more  
71 of the American Psychological Association designated health service provider  
72 delivery areas shall be obtained under the primary supervision of a licensed  
73 psychologist who is also a health service provider or who otherwise meets the  
74 requirements for health service provider certification. Postdoctoral experience for  
75 those applicants who do not intend to seek health service provider certification  
76 shall be obtained under the primary supervision of a licensed psychologist or such  
77 other qualified mental health professional approved by the committee.

78 6. The psychological activities of the applicant shall be performed  
79 pursuant to the primary supervisor's order, control, and full professional  
80 responsibility. The primary supervisor shall maintain a continuing relationship  
81 with the applicant and shall meet with the applicant a minimum of one hour per  
82 month in face-to-face individual supervision. Clinical supervision may be  
83 delegated by the primary supervisor to one or more secondary supervisors who  
84 are qualified psychologists. The secondary supervisors shall retain order, control  
85 and full professional responsibility for the applicant's clinical work under their  
86 supervision and shall meet with the applicant a minimum of one hour per week  
87 in face-to-face individual supervision. If the primary supervisor is also the  
88 clinical supervisor, meetings shall be a minimum of one hour per week. Group  
89 supervision shall not be acceptable for supervised professional experience. The  
90 primary supervisor shall certify to the committee that the applicant has complied  
91 with these requirements and that the applicant has demonstrated ethical and

92 competent practice of psychology. The changing by an agency of the primary  
93 supervisor during the course of the supervised experience shall not invalidate the  
94 supervised experience.

95 7. The committee by rule shall provide procedures for exceptions and  
96 variances from the requirements for once a week face-to-face supervision due to  
97 vacations, illness, pregnancy, and other good causes.

337.029. 1. A psychologist licensed in another jurisdiction who has had  
2 no violations and no suspensions and no revocation of a license to practice  
3 psychology in any jurisdiction may receive a license in Missouri, provided the  
4 psychologist passes a written examination on Missouri laws and regulations  
5 governing the practice of psychology and meets one of the following criteria:

6 (1) Is a diplomate of the American Board of Professional Psychology;

7 (2) Is a member of the National Register of Health Service Providers in  
8 Psychology;

9 (3) Is currently licensed or certified as a psychologist in another  
10 jurisdiction who is then a signatory to the Association of State and Provincial  
11 Psychology Board's reciprocity agreement;

12 (4) Is currently licensed or certified as a psychologist in another state,  
13 territory of the United States, or the District of Columbia and:

14 (a) Has a doctoral degree in psychology from a program accredited, or  
15 provisionally accredited, **either** by the American Psychological Association **or**  
16 **the Psychological Clinical Science Accreditation System**, or that meets  
17 the requirements as set forth in subdivision (3) of subsection 3 of section 337.025;

18 (b) Has been licensed for the preceding five years; and

19 (c) Has had no disciplinary action taken against the license for the  
20 preceding five years; or

21 (5) Holds a current certificate of professional qualification (CPQ) issued  
22 by the Association of State and Provincial Psychology Boards (ASPPB).

23 2. Notwithstanding the provisions of subsection 1 of this section,  
24 applicants may be required to pass an oral examination as adopted by the  
25 committee.

26 3. A psychologist who receives a license for the practice of psychology in  
27 the state of Missouri on the basis of reciprocity as listed in subsection 1 of this  
28 section or by endorsement of the score from the examination of professional  
29 practice in psychology score will also be eligible for and shall receive certification  
30 from the committee as a health service provider if the psychologist meets one or

31 more of the following criteria:

32 (1) Is a diplomate of the American Board of Professional Psychology in one  
33 or more of the specialties recognized by the American Board of Professional  
34 Psychology as pertaining to health service delivery;

35 (2) Is a member of the National Register of Health Service Providers in  
36 Psychology; or

37 (3) Has completed or obtained through education, training, or experience  
38 the requisite knowledge comparable to that which is required pursuant to section  
39 337.033.

337.033. 1. A licensed psychologist shall limit his or her practice to  
2 demonstrated areas of competence as documented by relevant professional  
3 education, training, and experience. A psychologist trained in one area shall not  
4 practice in another area without obtaining additional relevant professional  
5 education, training, and experience through an acceptable program of  
6 respecialization.

7 2. A psychologist may not represent or hold himself or herself out as a  
8 state certified or registered psychological health service provider unless the  
9 psychologist has first received the psychologist health service provider  
10 certification from the committee; provided, however, nothing in this section shall  
11 be construed to limit or prevent a licensed, whether temporary, provisional or  
12 permanent, psychologist who does not hold a health service provider certificate  
13 from providing psychological services so long as such services are consistent with  
14 subsection 1 of this section.

15 3. "Relevant professional education and training" for health service  
16 provider certification, except those entitled to certification pursuant to subsection  
17 5 or 6 of this section, shall be defined as a licensed psychologist whose graduate  
18 psychology degree from a recognized educational institution is in an area  
19 designated by the American Psychological Association as pertaining to health  
20 service delivery or a psychologist who subsequent to receipt of his or her graduate  
21 degree in psychology has either completed a respecialization program from a  
22 recognized educational institution in one or more of the American Psychological  
23 Association recognized clinical health service provider areas and who in addition  
24 has completed at least one year of postdegree supervised experience in such  
25 clinical area or a psychologist who has obtained comparable education and  
26 training acceptable to the committee through completion of postdoctoral  
27 fellowships or otherwise.

28           4. The degree or respecialization program certificate shall be obtained  
29 from a recognized program of graduate study in one or more of the health service  
30 delivery areas designated by the American Psychological Association as  
31 pertaining to health service delivery, which shall meet one of the criteria  
32 established by subdivisions (1) to (3) of this subsection:

33           (1) A doctoral degree or completion of a recognized respecialization  
34 program in one or more of the American Psychological Association designated  
35 health service provider delivery areas which is accredited, or provisionally  
36 accredited, **either** by the American Psychological Association **or the**  
37 **Psychological Clinical Science Accreditation System**; or

38           (2) A clinical or counseling psychology doctoral degree program or  
39 respecialization program designated, or provisionally approved, by the Association  
40 of State and Provincial Psychology Boards or the Council for the National  
41 Register of Health Service Providers in Psychology, or both; or

42           (3) A doctoral degree or completion of a respecialization program in one  
43 or more of the American Psychological Association designated health service  
44 provider delivery areas that meets the following criteria:

45           (a) The program, wherever it may be administratively housed, shall be  
46 clearly identified and labeled as being in one or more of the American  
47 Psychological Association designated health service provider delivery areas;

48           (b) Such a program shall specify in pertinent institutional catalogues and  
49 brochures its intent to educate and train professional psychologists in one or more  
50 of the American Psychological Association designated health service provider  
51 delivery areas.

52           5. A person who is lawfully licensed as a psychologist pursuant to the  
53 provisions of this chapter on August 28, 1989, or who has been approved to sit for  
54 examination prior to August 28, 1989, and who subsequently passes the  
55 examination shall be deemed to have met all requirements for health service  
56 provider certification; provided, however, that such person shall be governed by  
57 the provisions of subsection 1 of this section with respect to limitation of practice.

58           6. Any person who is lawfully licensed as a psychologist in this state and  
59 who meets one or more of the following criteria shall automatically, upon  
60 payment of the requisite fee, be entitled to receive a health service provider  
61 certification from the committee:

62           (1) Is a diplomate of the American Board of Professional Psychology in one  
63 or more of the specialties recognized by the American Board of Professional

64 Psychology as pertaining to health service delivery; or

65 (2) Is a member of the National Register of Health Service Providers in

66 Psychology.
