17 **inhabitants.**

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

18 [2.] 3. A parcel of property is a nuisance, if such property adversely
19 affects the property values of a neighborhood or the property value of any
20 property within the neighborhood because the owner of such property allows the
21 property to be in a deteriorated condition, due to neglect or failure to reasonably
22 maintain, violation of a county or municipal building code, standard, or
23 ordinance, abandonment, failure to repair after a fire, flood or some other damage
24 to the property or because the owner or resident of the property allows clutter on
25 the property such as abandoned automobiles, appliances or similar objects. Any
26 property owner who owns property within one thousand two hundred feet of a
27 parcel of property which is alleged to be a nuisance may bring a nuisance action
28 against the offending property owner for the amount of damage created by such
29 nuisance to the value of the petitioner's property, including diminution in value
30 of the petitioner's property, and court costs, provided that the owner of the
31 property which is alleged to be a nuisance has received notification of the alleged
32 nuisance and has had a reasonable opportunity, not to exceed forty-five days, to
33 correct the alleged nuisance. This section is not intended to abrogate, and shall
34 not be construed as abrogating, any remedy available under the common law of
35 private nuisance.

36 [3.] 4. An action for injunctive relief to abate a nuisance under this
37 section may be brought by:

38 (1) Anyone who owns property within one thousand two hundred feet to
39 a property which is alleged to be a nuisance; or

40 (2) A neighborhood organization, as defined in subdivision (2) of section
41 82.1027, on behalf of any person or persons who own property within the
42 boundaries of the neighborhood or neighborhoods described in the articles of
43 incorporation or bylaws of the neighborhood organization and who could maintain
44 a nuisance action under this section or under the common law of private
45 nuisance, or on its own behalf with respect to a nuisance on property anywhere
46 within the boundaries of the neighborhood or neighborhoods.

47 [4.] 5. An action shall not be brought under this section until sixty days
48 after the party who brings the action has sent written notice of intent to bring an
49 action under this section by certified mail, return receipt requested, postage
50 prepaid to:

51 (1) The tenant, if any, or to "occupant" if the identity of the tenant cannot
52 be reasonably ascertained, at the property's address; and

53 (2) The property owner of record at the last known address of the property

54 owner on file with the county or city, or, if the property owner is a corporation or
55 other type of limited liability company, to the property owner's registered agent
56 at the agent's address of record;

57 that a nuisance exists and that legal action may be taken against the owner of
58 the property. If the notice sent by certified mail is returned unclaimed or
59 refused, designated by the post office to be undeliverable, or signed for by a
60 person other than the addressee, then adequate and sufficient notice may be
61 given to the tenant, if any, and the property owner of record by sending a copy of
62 the notice by regular mail to the address of the property owner or registered
63 agent and posting a copy of the notice on the property where the nuisance
64 allegedly is occurring. A sworn affidavit by the person who mailed or posted the
65 notice describing the date and manner that notice was given shall be prima facie
66 evidence of the giving of such notice. The notice shall specify:

- 67 (a) The act or condition that constitutes the nuisance;
68 (b) The date the nuisance was first discovered;
69 (c) The address of the property and location on the property where the act
70 or condition that constitutes the nuisance is allegedly occurring or exists; and
71 (d) The relief sought in the action.

72 [5.] 6. When a neighborhood organization files a suit under this section,
73 an officer of the neighborhood organization or its counsel shall certify to the
74 court:

75 (1) From personal knowledge, that the neighborhood organization has
76 taken the required steps to satisfy the notice requirements under this section;
77 and

78 (2) Based on reasonable inquiry, that each condition precedent to the
79 filing of the action under this section has been met.

80 [6.] 7. A neighborhood organization may not bring an action under this
81 section if, at the time of filing suit, the neighborhood organization or any of its
82 directors own real estate, or have an interest in a trust or a corporation or other
83 limited liability company that owns real estate, in the city or county in which the
84 nuisance is located with respect to which real property taxes are delinquent or
85 a notice of violation of a city code or ordinance has been issued and served and
86 is outstanding.

87 [7.] 8. This section is not intended to abrogate, and shall not be
88 construed as abrogating, any remedy available under the common law of private
89 nuisance.
