AN ACT

To amend chapter 338, RSMo, by adding thereto two new sections relating to the promotion of medication safety.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 338, RSMo, is amended by adding thereto two new sections, to be known as sections 338.700 and 338.710, to read as follows:

338.700. As used in sections 338.700 to 338.710, the following terms shall mean:

(1) "Board", the Missouri board of pharmacy;

(2) "Department", the Missouri department of health and senior services;

(3) "Program", the RX cares for Missouri program.

338.710. 1. There is hereby created in the Missouri board of pharmacy the "RX Cares for Missouri Program". The goal of the program shall be to promote medication safety and to prevent prescription drug abuse, misuse, and diversion in Missouri.

2. The board, in consultation with the department, shall be authorized to expend, allocate, or award funds appropriated to the board to private or public entities to develop or provide programs or education to promote medication safety or to suppress or prevent prescription drug abuse, misuse, and diversion in the state of Missouri. In no case shall the authorization include, nor the funds be expended for, any state prescription drug monitoring program, including but not limited to such as are defined in 38 CFR 1.515. Funds disbursed to a

13 state agency under this section may enhance, but shall not supplant,
14 funds otherwise appropriated to such state agency.

15 3. The board shall be the administrative agency responsible for
16 implementing the program in consultation with the department. The
17 board and the department may enter into interagency agreements
18 between themselves to allow the department to assist in the
19 management or operation of the program. The board may award funds
20 directly to the department to implement, manage, develop, or provide
21 programs or education pursuant to the program.

22 4. After a full year of program operation, the board shall prepare
23 and submit an evaluation report to the governor and the general
24 assembly describing the operation of the program and the funds
25 allocated. Unless otherwise authorized by the general assembly, the
26 program shall expire on August 28, 2019.
