61 system are considered closed records pursuant to chapter 610. All records
62 containing any information held or maintained by any person or by any agency,
63 department, or political subdivision of the state concerning an individual's DNA
64 profile shall be strictly confidential and shall not be disclosed, except to:

65 (1) Peace officers, as defined in section 590.010, and other employees of
66 law enforcement agencies who need to obtain such records to perform their public
67 duties;

68 (2) The attorney general or any assistant attorneys general acting on his

70 (3) Prosecuting attorneys or circuit attorneys as defined in chapter 56,
71 and their employees who need to obtain such records to perform their public
72 duties;

74 attorney; or

76 supreme court judges, and their employees who need to obtain such records to

78 8. Any person who obtains records pursuant to the provisions of this
79 section shall use such records only for investigative and prosecutorial purposes,
80 including but not limited to use at any criminal trial, hearing, or proceeding; or
81 for law enforcement identification purposes, including identification of human
82 remains. Such records shall be considered strictly confidential and shall only be
83 released as authorized by this section.

84 9. An individual may request expungement of his or her DNA sample and
85 DNA profile through the court issuing the reversal or dismissal. A certified copy
86 of the court order establishing that such conviction has been reversed or guilty
87 plea has been set aside shall be sent to the Missouri state highway patrol crime

88 laboratory. Upon receipt of the court order, the laboratory will determine that
89 the requesting individual has no other qualifying offense as a result of any
90 separate plea or conviction and no other qualifying arrest prior to expungement.

91 (1) A person whose DNA record or DNA profile has been included in the
92 state DNA database in accordance with this section and sections 650.050,
93 650.052, and 650.100 may request expungement on the grounds that the
94 conviction has been reversed, or the guilty plea on which the authority for
95 including that person's DNA record or DNA profile was based has been set aside.

96 (2) Upon receipt of a written request for expungement, a certified copy of
97 the final court order reversing the conviction or setting aside the plea and any
98 other information necessary to ascertain the validity of the request, the Missouri
99 state highway patrol crime laboratory shall expunge all DNA records and
100 identifiable information in the state DNA database pertaining to the person and
101 destroy the DNA sample of the person, unless the Missouri state highway patrol
102 determines that the person is otherwise obligated to submit a DNA
103 sample. Within thirty days after the receipt of the court order, the Missouri state
104 highway patrol shall notify the individual that it has expunged his or her DNA
105 sample and DNA profile, or the basis for its determination that the person is
106 otherwise obligated to submit a DNA sample.

107 (3) The Missouri state highway patrol is not required to destroy any item
108 of physical evidence obtained from a DNA sample if evidence relating to another
109 person would thereby be destroyed.

110 (4) Any identification, warrant, arrest, or evidentiary use of a DNA match
111 derived from the database shall not be excluded or suppressed from evidence, nor
112 shall any conviction be invalidated or reversed or plea set aside due to the failure
113 to expunge or a delay in expunging DNA records.

114 10. When a DNA sample is taken from an individual pursuant to
115 subdivision (2) of subsection 1 of this section and the prosecutor declines
116 prosecution and notifies the arresting agency of that decision, the arresting
117 agency shall notify the Missouri state highway patrol crime laboratory within
118 ninety days of receiving such notification. Within thirty days of being notified by
119 the arresting agency that the prosecutor has declined prosecution, the Missouri
120 state highway patrol crime laboratory shall determine whether the individual has
121 any other qualifying offenses or arrests that would require a DNA sample to be
122 taken and retained. If the individual has no other qualifying offenses or arrests,
123 the crime laboratory shall expunge all DNA records in the database taken at the

124 arrest for which the prosecution was declined pertaining to the person and
125 destroy the DNA sample of such person.

126 11. When a DNA sample is taken of an arrestee for any offense listed
127 under subsection 1 of this section and charges are filed:

128 (1) If the charges are later withdrawn, the prosecutor shall notify the
129 state highway patrol crime laboratory that such charges have been withdrawn;

130 (2) If the case is dismissed, the court shall notify the state highway patrol
131 crime laboratory of such dismissal;

132 (3) If the court finds at the preliminary hearing that there is no probable
133 cause that the defendant committed the offense, the court shall notify the state
134 highway patrol crime laboratory of such finding;

135 (4) If the defendant is found not guilty, the court shall notify the state
136 highway patrol crime laboratory of such verdict. If the state highway patrol
137 crime laboratory receives notice under this subsection, such crime laboratory
138 shall determine, within thirty days, whether the individual has any other
139 qualifying offenses or arrests that would require a DNA sample to be taken. If
140 the individual has no other qualifying arrests or offenses, the crime laboratory
141 shall expunge all DNA records in the database pertaining to such person and
142 destroy the person's DNA sample.
