82 general assembly pursuant to chapter 536 to review, to delay the effective date
83 or to disapprove and annul a rule are subsequently held unconstitutional, then
84 the grant of rulemaking authority and any rule proposed or adopted after August
85 28, 1999, shall be invalid and void.

6 information shall be retained by the division;

7 (2) (a) For investigation reports initiated against a person required to
8 report pursuant to section 210.115, where insufficient evidence of abuse or neglect

9 is found by the division and where the division determines the allegation of abuse
10 or neglect was made maliciously, for purposes of harassment or in retaliation for
11 the filing of a report by a person required to report, identifying information shall
12 be expunged by the division within forty-five days from the conclusion of the
13 investigation;

14 (b) For investigation reports, where insufficient evidence of abuse or
15 neglect is found by the division and where the division determines the allegation
16 of abuse or neglect was made maliciously, for purposes of harassment or in
17 retaliation for the filing of a report, identifying information shall be expunged by
18 the division within forty-five days from the conclusion of the investigation;

19 (c) For investigation reports initiated by a person required to report under
20 section 210.115, where insufficient evidence of abuse or neglect is found by the
21 division, identifying information shall be retained for five years from the

23 insufficient evidence of abuse or neglect is found by the division, identifying
24 information shall be retained for two years from the conclusion of the

27 the end of such time period, the identifying information shall be removed from
28 the records of the division and destroyed;

29 **(d) For investigation reports where the identification of the**
30 **specific perpetrator or perpetrators can not be substantiated and the**
31 **division has specific evidence to determine that a child was abused or**
32 **neglected, the division shall retain the report and all identifying**
33 **information but shall not place an unknown perpetrator on the central**
34 **registry. The division shall retain all identifying information for the**
35 **purpose of utilizing such information in subsequent investigations or**
36 **family assessments of the same child, the child's family, or members of**
37 **the child's household. The division shall retain and disclose**
38 **information and findings in the same manner as the division retains**
39 **and discloses family assessments. If the division made a finding of**
40 **abuse or neglect against an unknown perpetrator prior to August 28,**
41 **2017, the division shall remove the unknown perpetrator from the**
42 **central registry but shall retain and utilize all identifying information**
43 **as otherwise provided in this section;**

44 (3) For reports where the division uses the family assessment and services

45 approach, identifying information shall be retained by the division;

46 (4) For reports in which the division is unable to locate the child alleged
47 to have been abused or neglected, identifying information shall be retained for ten
48 years from the date of the report and then shall be removed from the records of
49 the division.

50 2. Within ninety days, or within one hundred twenty days in cases
51 involving sexual abuse, or until the division's investigation is complete in cases
52 involving a child fatality or near-fatality, after receipt of a report of abuse or
53 neglect that is investigated, the alleged perpetrator named in the report and the
54 parents of the child named in the report, if the alleged perpetrator is not a
55 parent, shall be notified in writing of any determination made by the division
56 based on the investigation. The notice shall advise either:

57 (1) That the division has determined by a probable cause finding prior to
58 August 28, 2004, or by a preponderance of the evidence after August 28, 2004,
59 that abuse or neglect exists and that the division shall retain all identifying
60 information regarding the abuse or neglect; that such information shall remain
61 confidential and will not be released except to law enforcement agencies,
62 prosecuting or circuit attorneys, or as provided in section 210.150; that the
63 alleged perpetrator has sixty days from the date of receipt of the notice to seek
64 reversal of the division's determination through a review by the child abuse and
65 neglect review board as provided in subsection 4 of this section; [or]

66 (2) That the division has not made a probable cause finding or determined
67 by a preponderance of the evidence that abuse or neglect exists; or

68 **(3) The division has been unable to determine the identity of the**
69 **perpetrator of the abuse or neglect. The notice shall also inform the**
70 **child's parents and legal guardian that the division shall retain, utilize,**
71 **and disclose all information and findings as provided in family**
72 **assessment and services cases.**

73 3. The children's division may reopen a case for review [at the request of
74 the alleged perpetrator, the alleged victim, or the office of the child advocate] if
75 new, specific, and credible evidence is obtained [that the division's decision was
76 based on fraud or misrepresentation of material facts relevant to the division's
77 decision and there is credible evidence that absent such fraud or
78 misrepresentation the division's decision would have been different. If the
79 alleged victim is under the age of eighteen, the request for review may be made
80 by the alleged victim's parent, legal custodian, or legal guardian. All requests to

81 reopen an investigation for review shall be made within a reasonable time and
82 not more than one year after the children's division made its decision. The
83 division shall not reopen a case for review based on any information which the
84 person requesting the review knew, should have known, or could by the exercise
85 of reasonable care have known before the date of the division's final decision in
86 the case, unless the person requesting the review shows by a preponderance of
87 the evidence that he or she could not have provided such information to the
88 division before the date of the division's final decision in the case. Any person,
89 other than the office of the child advocate, who makes a request to reopen a case
90 for review based on facts which the person knows to be false or misleading or who
91 acts in bad faith or with the intent to harass the alleged victim or perpetrator
92 shall not have immunity from any liability, civil or criminal, for providing the
93 information and requesting that the division reopen the investigation. Any
94 person who makes a request to reopen an investigation based on facts which the
95 person knows to be false shall be guilty of a class A misdemeanor. The children's
96 division shall not reopen an investigation under any circumstances while the case
97 is pending before a court of this state nor when a court has entered a final
98 judgment after de novo judicial review pursuant to this section].

99 4. Any person named in an investigation as a perpetrator who is
100 aggrieved by a determination of abuse or neglect by the division as provided in
101 this section may seek an administrative review by the child abuse and neglect
102 review board pursuant to the provisions of section 210.153. Such request for
103 review shall be made within sixty days of notification of the division's decision
104 under this section. In those cases where criminal charges arising out of facts of
105 the investigation are pending, the request for review shall be made within sixty
106 days from the court's final disposition or dismissal of the charges.

107 5. In any such action for administrative review, the child abuse and
108 neglect review board shall sustain the division's determination if such
109 determination was supported by evidence of probable cause prior to August 28,
110 2004, or is supported by a preponderance of the evidence after August 28, 2004,
111 and is not against the weight of such evidence. The child abuse and neglect
112 review board hearing shall be closed to all persons except the parties, their
113 attorneys and those persons providing testimony on behalf of the parties.

114 6. If the alleged perpetrator is aggrieved by the decision of the child abuse
115 and neglect review board, the alleged perpetrator may seek de novo judicial
116 review in the circuit court in the county in which the alleged perpetrator resides

117 and in circuits with split venue, in the venue in which the alleged perpetrator
118 resides, or in Cole County. If the alleged perpetrator is not a resident of the
119 state, proper venue shall be in Cole County. The case may be assigned to the
120 family court division where such a division has been established. The request for
121 a judicial review shall be made within sixty days of notification of the decision of
122 the child abuse and neglect review board decision. In reviewing such decisions,
123 the circuit court shall provide the alleged perpetrator the opportunity to appear
124 and present testimony. The alleged perpetrator may subpoena any witnesses
125 except the alleged victim or the reporter. However, the circuit court shall have
126 the discretion to allow the parties to submit the case upon a stipulated record.

127 7. In any such action for administrative review, the child abuse and
128 neglect review board shall notify the child or the parent, guardian or legal
129 representative of the child that a review has been requested.

210.565. 1. Whenever a child is placed in a foster home and the court has
2 determined pursuant to subsection 4 of this section that foster home placement
3 with relatives is not contrary to the best interest of the child, the children's
4 division shall give foster home placement to relatives of the
5 child. Notwithstanding any rule of the division to the contrary, the children's
6 division shall make diligent efforts to locate the grandparents of the child and
7 determine whether they wish to be considered for placement of the
8 child. Grandparents who request consideration shall be given preference and
9 first consideration for foster home placement of the child. If more than one
10 grandparent requests consideration, the family support team shall make
11 recommendations to the juvenile or family court about which grandparent should
12 be considered for placement.

13 2. As used in this section, the term "relative" means a grandparent or any
14 other person related to another by blood or affinity [within the third degree] **or**
15 **a person who is not so related to the child but has a close relationship**
16 **with the child or the child's family.** The status of a grandparent shall not
17 be affected by the death or the dissolution of the marriage of a son or daughter.

18 3. The following shall be the order or preference for placement of a child
19 under this section:

20 (1) Grandparents [and];

21 (2) Relatives **related by blood or affinity within the third degree;**

22 [(2) A trusted adult that has a preexisting relationship with the child,
23 such as a godparent, teacher, neighbor, or fellow parishioner who voluntarily

24 agrees to care for the child; and]

25 (3) **Other relatives; and**

26 (4) Any foster parent who is currently licensed and capable of accepting
27 placement of the child.

28 4. The preference for placement and first consideration for grandparents
29 or preference for placement with other relatives created by this section shall only
30 apply where the court finds that placement with such grandparents or other
31 relatives is not contrary to the best interest of the child considering all
32 circumstances. If the court finds that it is contrary to the best interest of a child
33 to be placed with grandparents or other relatives, the court shall make specific
34 findings on the record detailing the reasons why the best interests of the child
35 necessitate placement of the child with persons other than grandparents or other
36 relatives.

37 5. Recognizing the critical nature of sibling bonds for children, the
38 children's division shall make reasonable efforts to place siblings in the same
39 foster care, kinship, guardianship, or adoptive placement, unless doing so would
40 be contrary to the safety or well-being of any of the siblings. If siblings are not
41 placed together, the children's division shall make reasonable efforts to provide
42 frequent visitation or other ongoing interaction between the siblings, unless this
43 interaction would be contrary to a sibling's safety or well-being.

44 6. The age of the child's grandparent or other relative shall not be the
45 only factor that the children's division takes into consideration when it makes
46 placement decisions and recommendations to the court about placing the child
47 with such grandparent or other relative.

48 7. For any Native American child placed in protective custody, the
49 children's division shall comply with the placement requirements set forth in 25
50 U.S.C. Section 1915.

51 8. A grandparent or other relative may, on a case-by-case basis, have
52 standards for licensure not related to safety waived for specific children in care
53 that would otherwise impede licensing of the grandparent's or relative's home. In
54 addition, any person receiving a preference may be licensed in an expedited
55 manner if a child is placed under such person's care.

56 9. The guardian ad litem shall ascertain the child's wishes and feelings
57 about his or her placement by conducting an interview or interviews with the
58 child, if appropriate based on the child's age and maturity level, which shall be
59 considered as a factor in placement decisions and recommendations, but shall not

60 supersede the preference for relative placement created by this section or be
61 contrary to the child's best interests.

589.664. 1. If an individual is a participant in the address
2 confidentiality program under section 589.663, no person or entity shall
3 be compelled to disclose the participant's actual address during the
4 discovery phase of or during a proceeding before a court or other
5 tribunal unless the court or tribunal first finds, on the record, that:

6 (1) There is a reasonable belief that the address is needed to
7 obtain information or evidence without which the investigation,
8 prosecution, or litigation cannot proceed; and

9 (2) There is no other practicable way of obtaining the
10 information or evidence.

11 2. The court shall first provide the program participant and the
12 secretary of state notice that address disclosure is sought.

13 3. The program participant shall have an opportunity to present
14 evidence regarding the potential harm to the safety of the program
15 participant if the address is disclosed. In determining whether to
16 compel disclosure, the court shall consider whether the potential harm
17 to the safety of the participant is outweighed by the interest in
