We ask that You bless our families and friends and bless our time there that it is fruitful and loving. And we be found in Your presence this weekend. In Your Holy Name we pray. Amen.

CONCURRENT RESOLUTIONS

Senator Emery offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 2

Whereas, under Article IV, Section 3, of the United States Constitution, “The Congress shall have power to dispose of and make all needful rules and regulations respecting the territory or other property belonging to the United States”; and

Whereas, the Constitutional Convention intended this provision of the Constitution to maintain the status quo that had been established to transfer federal territorial lands only to create new states with the same rights of sovereignty, freedom, and independence as the original states; and

Whereas, under these express terms of trust, over time the states claiming federal territorial land ceded their western land to the confederated Union to allow the confederated government to dispose of the lands only to create new states and apply the net proceeds of any sales of the lands only to pay down the public debt; and

Whereas, the United States Constitution contains no expression of intent to authorize the federal government to indefinitely exercise control over western public lands beyond the duty to manage the lands pending the disposal of the lands to create new states, and therefore the lands should be returned to the western states; and

Whereas, in order to promote legitimate federal interests, the western states should upon transfer of the public lands directly to the state where the public land is located agree to affirmatively cede lands for the national park system, the national wilderness preservation system, and lands reserved for federal military use, military parks, and military reservations to the federal government under Article I, Section 8, Clause 17, of the United States Constitution, on condition that the lands permanently remain national park lands, and that they not be sold, transferred, left in substantial disrepair, or conveyed to any party other than to the state where the land is located; and

Whereas, limiting the ability of western states to access and utilize the public lands’ natural resources within their borders is having a negative impact upon the economy of the western states and therefore the economy of the entire United States:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-ninth General Assembly, First Regular Session, the House of Representatives concurring therein, in order to provide a fair, just, and equitable remedy for the federal government’s past and continuing breaches of its solemn promises to the western states:

(1) Calls upon the federal government to transfer title to all federal public lands within the western states to the state where the land is located;

(2) Urges the United States Congress to engage in good faith communication, cooperation, and consultation with the western states to coordinate the transfer of the public lands, and supports the western states in these efforts;

(3) Calls upon the western states to agree, upon transfer of the public lands, to affirmatively cede to the federal government all lands currently designated as part of the National Park System under 16 U.S.C. Section 1a-1, the National Wilderness Preservation System under 16 U.S.C. Section 1131, or for military use, military parks, or military reservations;

(4) Urges that if any public land in the western states be sold to private owners, 95% of the net proceeds be paid to the Bureau of the Public Debt to pay down the federal debt; and

(5) Calls upon all other states of the United States to pass a similar resolution in support of the transfer of the federal public lands to the western states; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the Secretary of the United States Department of the Interior, the Majority Leader of the United States Senate, the Speaker of the United States House of Representatives, and each member of the Missouri Congressional delegation.

Senator Emery offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 3

Whereas, the growth and abuse of federal regulatory authority threaten our constitutional liberties, including those guaranteed by the Bill of Rights in the First, Second, Fourth, and Fifth Amendments to our Constitution; and

Whereas, federal regulators must be more accountable to elected representatives of the people, and not immune from such accountability; and

Whereas, the United States House of Representatives has passed with bipartisan support the Regulations from the Executive in Need of Scrutiny (REINS) Act to require that Congress approve major new federal regulations before they can take effect; and

Whereas, even if enacted, a law may be repealed or waived by a future Congress and President:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-ninth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby urge that the United States Congress vote to propose the Regulation Freedom Amendment to the United States Constitution as follows:

“Whenever one quarter of the members of the United States House of Representatives or the United States Senate transmits to the President their written declaration of opposition to a proposed federal regulation, it shall require a majority vote of the House of Representatives and the Senate to adopt that regulation.”; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, and each member of the Missouri Congressional delegation.

Senator Kehoe offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 4

Relating to an application to Congress for the calling of an Article V convention of states to propose certain amendments to the United States Constitution which place limits on the federal government.

Whereas, the Founders of our Constitution empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending; and

Whereas, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, it is the solemn duty of the states to protect the liberty of our people - particularly for the generations to come - to propose amendments to the United States Constitution through a convention of states under Article V to place clear restraints on these and related abuses of power:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, Ninety-ninth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby apply to Congress, under the provisions of Article V of the United States Constitution, for the calling of a convention of the states limited to proposing amendments to the United States Constitution that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and members of Congress; and

BE IT FURTHER RESOLVED that the General Assembly adopts this application with the following understandings (as the term “understandings” is used within the context of “reservations, understandings, and declarations”):

(1) An application to Congress for an Article V convention confers no power on Congress other than to perform a ministerial function to “call” for a convention;

(2) This ministerial duty shall be performed by Congress only when Article V applications for substantially the same purpose are received from two-thirds of the legislatures of the several states;

(3) The power of Congress to “call” a convention solely consists of the authority to name a reasonable time and place for the initial meeting of the convention;

(4) Congress possesses no power whatsoever to name delegates to the convention, as this power remains exclusively within the authority of the legislatures of the several states;

(5) Congress possesses no power to set the number of delegates to be sent by any states;

(6) Congress possesses no power whatsoever to determine any rules for such convention;

(7) By definition, a Convention of States means that states vote on the basis of one state, one vote;

(8) A Convention of States convened pursuant to this application is limited to consideration of topics specified herein and no other;

(9) The General Assembly of Missouri may recall its delegates at any time for breach of their duties or violations of their instructions;

(10) Pursuant to the text of Article V, Congress may determine whether proposed amendments shall be ratified by the legislatures of the several states or by special state ratification conventions. The General Assembly of Missouri recommends that Congress specify its choice on ratification methodology contemporaneously with the call for the convention;

(11) Congress possesses no power whatsoever with regard to the Article V convention beyond the two powers acknowledged herein;

(12) Missouri places express reliance on prior legal and judicial determinations that Congress possesses no power under Article I relative to the Article V process, and that Congress must act only as expressly specified in Article V; and

BE IT FURTHER RESOLVED that this application shall expire five (5) years after the passage of this resolution; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.
