FIRST REGULAR SESSION

---

**FORTY-FIFTH DAY—WEDNESDAY, MARCH 29, 2017**

---

The Senate met pursuant to adjournment.

President Parson in the Chair.

Reverend Carl Gauck offered the following prayer:

“Humble yourselves therefore under the mighty hand of God.” (1 Peter 5:6)

Heavenly Father we return with much work before us and there are concerns in our hearts of what is needed and necessary. The pressure is slowly rising and our human wisdom would have us dictate to You or sit on judgment on Your will so we pray that we might surrender ourselves wholly, unreservedly to Your Holy will. Let us quiet our soul’s complaints and allow Your joy and love directs our thoughts and actions this day so that Your peace and gentle leading may open our hearts to say: “Father, not my will but Yours be done.” In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

3. No user fees imposed by the state of Missouri shall increase for the five-year period beginning on August 28, 2009, **and for the five-year period beginning on August 28, 2017**, unless such fee increase is to implement a federal program administered by the state or is a result of an act of the general assembly. For purposes of this section, “user fee” does not include employer taxes or contributions, assessments to offset the cost of examining insurance or financial institutions, any health-related taxes approved by the Center for Medicare and Medicaid Services, or any professional or occupational licensing fees set by a board of members of that profession or occupation and required by statute to be set at a level not to exceed the cost of administration.

4. For the five-year period beginning on August 28, 2009, **and for the five-year period beginning on August 28, 2017**, any state agency proposing a rule as that term is defined in subdivision (6) of section 536.010, other than any rule promulgated as a result of a federal mandate, or to implement a federal program administered by the state or an act of the general assembly, shall either:

(1) Certify that the rule does not have an adverse impact on small businesses consisting of fewer than [fifty] **twenty-five** full- or part-time employees; or

(2) Certify that the rule is necessary to protect the life, health or safety of the public; or

(4) Exempt any small business consisting of fewer than [fifty] **twenty-five** full- or part-time employees from coverage.

5. The provisions of this section shall not be construed to prevent or otherwise restrict an agency from promulgating emergency rules pursuant to section 536.025, or from rescinding any existing rule pursuant to section 536.021.

143.173. 1. As used in this section, the following terms mean:

(3) “Full-time employee”, a position in which the employee is considered full-time by the taxpayer and is required to work an average of at least thirty-five hours per week for a fifty-two week period;

(4) “New job”, the number of full-time employees employed by the small business in Missouri on the qualifying date that exceeds the number of full-time employees employed by the small business in Missouri on the same date of the immediately preceding taxable year;

Tax deductions allowed to any partnership, limited liability company, S-corporation, or other pass-through entity may be allocated to the partners, members, or shareholders of such entity for their direct use in accordance with the provisions of any agreement among such partners, members, or shareholders. The deduction amount shall be as follows:

(1) Ten thousand dollars for each new job created with an annual salary of at least the county average wage; or

(2) Twenty thousand dollars for each new job created with an annual salary of at least the county average wage if the small business offers health insurance and pays at least fifty percent of such insurance premiums.

3. The department of revenue shall establish the procedure by which the deduction provided in this section may be claimed, and may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2011, shall be invalid and void.
