16. The secretary of state may remove from its active records the registration of a partnership whose registration has been withdrawn, revoked or has expired.

17. The secretary of state may revoke the filing of a document filed under this section if the secretary of state determines that the filing fee for the document was paid by an instrument that was dishonored when presented by the state for payment. The secretary of state shall return the document and give notice of revocation to the filing party by regular mail. Failure to give or receive notice does not invalidate the revocation. A revocation of a filing does not affect an earlier filing.

18. If any person signs a document required or permitted to be filed pursuant to sections 358.440 to 358.500 which the person knows is false in any material respect with the intent that the document be delivered on behalf of a partnership to the secretary of state for filing, such person shall be guilty of a class A misdemeanor. Unintentional errors in the information set forth in an application filed pursuant to subsection 1 of this section, or changes in the information after the filing of the application, shall not affect the status of a partnership as a registered limited liability partnership.

(b) Of the address of the office required to be maintained in the jurisdiction of its organization by the laws of that jurisdiction or, if not so required, of the principal office of the foreign limited liability partnership.

20. A partnership that registers as a limited liability partnership shall not be deemed to have dissolved as a result thereof and is for all purposes the same partnership that existed before the registration and continues to be a partnership under the laws of this state. If a registered limited liability partnership dissolves, a partnership which is a successor to such registered limited liability partnership and which intends to be a registered limited liability partnership shall not be required to file a new registration and shall be deemed to have filed any documents required or permitted under this chapter which were filed by the predecessor partnership.
