

# Journal of the Senate

FIRST REGULAR SESSION

---

**FIFTY-FOURTH DAY—THURSDAY, APRIL 13, 2017**

---

The Senate met pursuant to adjournment.

Senator Kraus in the Chair.

Reverend Carl Gauck offered the following prayer:

“Keep your heart with all diligence, for out of it are the issues of life.” (Proverbs 4:23)

We acknowledge that the heart is seen by us as the seat of human emotion and it does us well to search it thoroughly to make sure all is in order, for we know what this coming week means for many Americans and to us, and it’s time to celebrate Your victory over death. So we complete our work here and prepare to spend precious time with our families and with You and enjoy the gift of new life You offer. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Senator Kehoe announced photographers from the KOMU 8 News were given permission to take pictures in the Senate Chamber.

**SENATE CONCURRENT RESOLUTION NO. 25**

Whereas, the legislature finds that the Patient Protection and Affordable Care Act encourages states to develop innovative approaches to insuring their populations by authorizing states to apply for waivers from certain requirements of the act; and

Whereas, to be eligible, a state must demonstrate that its proposed health insurance reforms are as comprehensive and affordable as the federal requirements for insurance sold in its state; and

Whereas, proposed reforms must be budget neutral for the federal government; and

Whereas, states that are granted innovation waivers may receive federal assistance to operate their reform programs in an amount that is equivalent to the aggregate amount of tax credits and cost-sharing subsidies that the federal government would have paid for individuals enrolled in the state; and

Whereas, the legislature believes that the Affordable Care Act did not accomplish the intended result of providing affordable care for residents of the state as a whole and believes the state may be able to create a more effective alternative solution for providing affordable health coverage to individuals; and

Be It Further Resolved that the members of the task force shall serve without compensation but shall be reimbursed for expenses, including travel expenses, necessary for the performance of their duties; and

Be It Further Resolved that as used in this resolution, "federal act" means the Patient Protection and Affordable Health Care Act"; and

Be It Further Resolved that the mission of the task force shall be to fully consider and make recommendations in a report based on:

- (1) The feasibility of alternative approaches to the health reform requirements described under section 1332(a)(2) of the federal act;
- (2) Alternatives to and possible exemptions or waivers from requirements relating to allowable premium rate variations based upon age, as described in section 1201 of the federal act; and

Be It Further Resolved that the task force shall develop, and include in its report, a plan for applying for a state innovation waiver that meets the requirements of section 1332 of the federal act, including:

(1) Developing a strategy for health care reform that provides coverage that is at least as comprehensive as required by the federal act, provides coverage and cost-sharing protections that are at least as affordable as under the federal act, makes health insurance coverage available to as many residents of Missouri as under the federal act, and is budget neutral for the federal government;

(2) Examining the feasibility of options for providing affordable insurance coverage for uninsured and underinsured individuals in Missouri that include innovations to the state's existing Medicaid program;

(3) Ensuring compliance with all applicable public notice requirements of 31 CFR 33 and 45 CFR 155, as amended; and
