6 under this section to an applicant who meets the requirements of
7 this section and section 195.749, who satisfactorily completes a
8 fingerprint criminal history background check, who signs an
9 acknowledgment that industrial hemp is an experimental crop, and
10 who signs a waiver that holds the department harmless in the
11 event a lawsuit occurs or if the growth, cultivation, processing,
12 feeding, or marketing of industrial hemp or seed is later
13 declared illegal under federal law. The department may charge an
14 applicant an additional fee for the cost of the fingerprint
15 criminal history background check in addition to the registration
16 or permit fee.

17 4. Upon issuance of a registration or permit, information
18 regarding all registration and permit holders shall be forwarded
19 to the Missouri state highway patrol.

20 5. An industrial hemp registration or agricultural hemp
21 seed production permit is:

22 (1) Nontransferable, except such registration or permit may
23 be transferred to a spouse or child who otherwise meets the
24 requirements of a registrant or permittee, and the spouse or
25 child may operate under the existing registration or permit until
26 the registration or permit expires, at which time the renewal
27 shall reflect the change of the registrant or permittee;

28 (2) Valid for a three-year term unless revoked by the

1 department; and

2 (3) Renewable as determined by the department.

3 195.749. 1. The department may revoke, refuse to issue, or

15 directed to the grower's or handler's industrial hemp operations
16 or activities.

17 2. A registration or permit shall not be issued to a person
18 who in the five years immediately preceding the application date
19 has been found guilty of a felony offense under any state or
20 federal law regarding the possession, distribution,
21 manufacturing, cultivation, or use of a controlled substance.

22 3. The department may revoke, refuse to issue, or refuse to
23 renew an industrial hemp registration or an agricultural hemp
24 seed production permit for failing to comply with any provision
25 of this chapter, or for a violation of any department rule
26 relating to agricultural operations or activities other than
27 industrial hemp growing or handling.

28 4. The department shall refuse to issue an industrial hemp

1 registration or agricultural hemp seed permit to any applicant if
2 approving such registration or permit would authorize the growth
3 or cultivation of industrial hemp or agricultural hemp seed on a
4 plot of land that is less than ten acres or more than forty acres
5 by any single registrant or permittee, or over two hundred acres
6 of land statewide among all registrants or permittees,
7 notwithstanding the twenty acre limitation for institutions of

12 have a valid industrial hemp registration issued under section
13 195.746 shall be subject to an administrative fine of five
14 hundred dollars and shall obtain a valid registration to grow
15 industrial hemp within thirty days. If, during the thirty-day
16 period, such person applies for and receives an industrial hemp
17 registration, the amount of the fine imposed under this section
18 shall be refunded in full. If, during the thirty-day period
19 described in this section, such person fails to obtain an
20 industrial hemp registration, the person shall be fined one
21 thousand dollars per day until such person obtains a
22 registration. After thirty days of failing to obtain an
23 industrial hemp registration and an accumulation of
24 administrative fines exceeding thirty days, the industrial hemp
25 crop shall be destroyed by the department.

26 195.755. A grower may retain seed from each industrial hemp
27 crop to ensure a sufficient supply of seed for that grower for
28 the following year. A grower shall not be required to obtain an

1 agricultural hemp seed production permit in order to retain seed
2 for future planting. Any seed retained by a grower for future
3 planting shall not be sold or transferred and does not have to
4 meet agricultural hemp seed standards established by the
5 department.

6 195.758. 1. Every grower or handler shall be subject to an
7 industrial hemp plant monitoring system and shall keep industrial
8 hemp crop and agricultural hemp seed records as required by the

13 (2) Department rules and regulations;

14 (3) Industrial hemp registration or agricultural hemp seed
15 production permit requirements, terms, or conditions;

16 (4) Any industrial hemp plant monitoring system
17 requirement; or

19 handler's industrial hemp or agricultural hemp seed operations or
20 activities.

21 2. In addition to any inspection conducted under subsection
22 1 of this section, the department may inspect any industrial hemp
23 crop during the crop's growth phase and take a representative
24 sample for field analysis. If a crop contains an average delta-9
25 tetrahydrocannabinol concentration exceeding three-tenths of one
26 percent or the maximum concentration allowed under federal law,
27 whichever is greater, on a dry weight basis, the department may
28 detain, seize, or embargo the crop.

1 195.761. 1. The department shall develop standard
2 identification documentation for industrial hemp and industrial
3 hemp commodities or products. The department shall, upon
4 request, issue identification documentation developed under this
5 section to growers and handlers registered under section 195.746.

6 2. The department may charge growers and handlers
7 registered under section 195.746 fees reasonably calculated by
8 the department to pay the cost of developing and issuing
9 identification documentation developed under this section.

10 195.764. 1. The department may charge growers and handlers
11 reasonable fees as determined by the department for the purposes
12 of administering sections 195.740 to 195.761. All fees collected
13 under sections 195.740 to 195.761 shall be deposited in the
14 Industrial Hemp Fund created under this section for use by the
15 department to administer sections 195.740 to 195.761.

16 2. There is hereby created in the state treasury the
17 "Industrial Hemp Fund", which shall consist of money collected
18 under sections 195.746 to 195.761. The state treasurer shall be
19 custodian of the fund. In accordance with sections 30.170 and
20 30.180, the state treasurer may approve disbursements. The fund
21 shall be a dedicated fund and money in the fund shall be used
22 solely by the department of agriculture for the purpose of
23 administering such sections. Notwithstanding the provisions of
24 section 33.080 to the contrary, any moneys remaining in the fund
25 at the end of the biennium shall not revert to the credit of the
26 general revenue fund. The state treasurer shall invest moneys in
27 the fund in the same manner as other funds are invested. Any
28 interest and moneys earned on such investments shall be credited

1 to the fund.

2 195.767. 1. An institution of higher education may, in
3 collaboration with the department, engage in the study of the
4 growth, cultivation, or marketing of industrial hemp and
