

SENATE AMENDMENT NO. _____

Offered by _____ of _____

Amend _____ SS/Senate Bill No. 982, Page 6, Section 376.690, Line 18

2 of said page, by inserting immediately after said line the
3 following:

4 "376.1063. 1. Health carriers, as such term is defined in
5 section 376.1350, and contracting entities, as such term is
6 defined in section 376.1060, shall update their websites at least
7 once per month with any changes to their provider network,
8 including changes to whether providers are in-network or out-of-
9 network.

10 2. Upon notification by an enrollee, health carriers and
11 contracting entities shall reprocess as an in-network claim any
12 claim for services provided by a provider whose status has
13 changed from in-network to out-of-network where the service was
14 provided after the network change went into effect but before the
15 change was posted as required under subsection 1 of this section.
16 This subsection shall not apply where the health carrier or
17 contracting entity notified the enrollee of the network change
18 prior to the service being provided, or where the health carrier
19 or contracting entity is able to verify that their website
20 displayed the correct provider network status at the time the
21 service was provided."; and

22 Further amend the title and enacting clause accordingly.
