CONCURRENT RESOLUTIONS

Senator Emery offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 27

Whereas, allowing retail customers of electric generation to have access to competitive suppliers of retail electricity is being considered by many states, and has already been implemented in several other states; and

Whereas, the ability of Missouri citizens and businesses to compete in the global market may be harmed unless they have access to reliable electrical power at rates and on terms which are competitive with rates and terms in others states; and

Whereas, legislation designed to implement retail competition will require a careful examination of existing law, and the provisions of that legislation must take into account a variety of issues and factors:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-ninth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby create the Task Force on Retail Electric Competition; and

Be It Further Resolved that the mission of the task force shall be to fully consider and make recommendations in a report to the General Assembly on:

- (1) The method, feasibility, and impact of implementing retail electric competition on Missouri generators of electricity and Missouri consumers of electricity;
- (2) The costs and benefits other states have experienced as a result of retail electric competition;
- (3) The taxation and regulatory issues associated with implementing retail electric competition;
- (4) The social and other public service functions provided by the regulated electric utility industry to determine the potential impact of retail electric competition on these functions;
- (5) Whether, and under what terms, retail electric competition should be offered in Missouri; and

Be It Further Resolved that the task force be authorized to call upon any department, office, division, or agency of this state to assist in gathering information pursuant to its objective; and

Be It Further Resolved that the task force shall consist of the following members:

- (1) One member of the senate of the majority party appointed by the president pro tempore of the senate, to serve as the chair of the task force;
- (2) One member of the house of representatives of the majority party appointed by the speaker of the house of representatives, to serve as the vice chair and secretary of the task force, and who will provide an agenda and report minutes of the task force;

SENATE CONCURRENT RESOLUTION NO. 28

Whereas, extensive and credible reports have revealed mass killing of prisoners of conscience in the People's Republic of China, primarily practitioners of the spiritual based exercises of Falun Gong, but also other religious and ethnic minority groups, in order to obtain organs for transplants; and

Whereas, the organ transplantation system in China does not comply with the World Health Organization's Guiding Principles of traceability and transparency in organ procurement pathways, and the government of the People's Republic of China has resisted independent scrutiny of the system; and

Whereas, traditional Chinese custom requires bodies to be preserved intact after death. With rare voluntary organ donation, however, China's transplantation industry significantly increased since 2000; and

Whereas, the 2017 Freedom House Report "The Battle for China's Spirit" states that "Available evidence suggests that forced extraction of organs from Falun Gong detainees for sale in transplant operations has occurred on a large scale and may be continuing"; and

Whereas, an investigative report, published in June 2016, conducted by human rights attorney David Matas, former Canadian Secretary of State for Asia-Pacific David Kilgour, and journalist Ethan Gutmann, estimated that China is performing 60,000 to 100,000 transplants per year as opposed to 10,000 transplants claimed by the Chinese government, which is "an industrial-scale, state-directed organ transplantation system, controlled through national policies and funding, and implicating both the military and civilian healthcare systems"; and

Whereas, China's Liver Transplant Registry System indicated that more than 25% of cases were emergency transplants, for which an organ was found within days or even hours. Wait times for non-emergency liver transplants were usually quoted in weeks. Most patients in other countries have to wait years for a transplant; and

Whereas, the Chinese government claims that 90% of China's organ transplant sources come from executed prisoners. However, the number of executions has dropped 10% annually since 2002 and is far less than the number of transplants taking place. The government has never acknowledged the sourcing of organs from prisoners of conscience; and

Whereas, Falun Gong, a spiritual practice involving meditative "qigong" exercises and centered on the values of truthfulness, compassion, and forbearance, became immensely popular in China in the 1990s, with multiple estimates placing the number of practitioners at upwards of 70 million; and

Whereas, in July 1999, the Chinese Communist Party launched an intensive, nationwide persecution designed to eradicate the spiritual practice of Falun Gong, including physical and mental torture, reflecting the party's long-standing intolerance of large independent civil society groups; and

Whereas, since 1999, hundreds of thousands of Falun Gong practitioners have been detained extra-legally in Chinese reeducation-through-labor camps, detention centers, and prisons, where torture, abuse, and implausible medical exams and blood tests on Falun Gong practitioners are routine; and

Whereas, Freedom House reported in 2015 that Falun Gong practitioners comprise the largest portion of prisoners of conscience in China, and face an elevated risk of dying or being killed in custody; and

Whereas, the United Nations Committee Against Torture and the Special Rapporteur on Torture have expressed concern over the allegations of organ harvesting from Falun Gong prisoners, and have called on the Government of the People's Republic of China to increase accountability and transparency in the organ transplant system and punish those responsible for abuses; and

Whereas, in June 2016, the U.S. House of Representatives unanimously passed House Resolution 343, condemning the systematic, state-sanctioned organ harvesting from Falun Gong and other prisoners of conscience; and

Whereas, the killing of religious or political prisoners for the purpose of selling their organs for transplant is an egregious and intolerable violation of the fundamental right to live; and

Whereas, organ tourism to China should not be shielded by medical confidentiality, but openly monitored. No nation should allow their citizens to go to China for organs until China has allowed a full investigation into organ harvesting of prisoners of conscience, both past and present:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-ninth General Assembly, Second Regular Session, the House of Representatives concurring therein:

(1) Call upon the Government of the People's Republic of China to immediately end the practice of organ harvesting from all prisoners and prisoners of conscience, and explicitly from Falun Gong prisoners of conscience and members of other religious and ethnic minority groups;

(2) Call upon the Government of the People's Republic of China to immediately end the 17-year persecution of the Falun Gong, and the immediate release of all Falun Gong practitioners and other prisoners of conscience;

(3) Call upon the President of the United States to undertake a full and transparent investigation by the United States Department of State into organ transplant practices in the People's Republic of China, and calls for the prosecution of those found to have engaged in such unethical practices;

(4) Encourage the medical community of Missouri to engage in educating colleagues and residents of Missouri about the risks of travel to China for organ transplants so as to help prevent Missouri residents from unwittingly becoming involved in murder in the form of forced organ harvesting from prisoners of conscience; and

(5) Agree to take measures to ban the entry of those who have participated in illegal removal of human tissues and organs, and seek prosecution of such individuals should they be found on the soil of Missouri; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President and Vice President of the United States, the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, the chair of the Senate Committee on Foreign Affairs, the chair of the House Committee on Foreign Relations, and each member of Missouri's Congressional delegation.

Senator Nasheed offered the following concurrent resolution:

Whereas, the provisions of Senate Bill 152 were truly agreed to and finally passed in Senate Bill 445 sponsored by Senator Romine during the Ninety-eighth General Assembly, First Regular Session; and

Whereas, the Joint Committee on Solid Waste Management District Operations dissolved on December 31, 2014, but had further hearings to conduct and additional legislative alternatives to research, and was reauthorized by the General Assembly by Senate Concurrent Resolution 3 during the Ninety-ninth General Assembly, First Regular Session; and

Be It Further Resolved that the Joint Committee may prepare a final report, together with its recommendations for any legislative action deemed necessary, for submission to the General Assembly by December 31, 2018, at which time the Joint Committee shall be dissolved; and

Be It Further Resolved that members of the Joint Committee and any staff personnel assigned to the Joint Committee shall receive reimbursement for their actual and necessary expenses incurred in attending meetings of the Joint Committee; and

Be It Further Resolved that the actual expenses of the Joint Committee, its members, and any staff assigned to the Joint Committee incurred by the Joint Committee shall be paid by the Joint Contingent Fund; and

Senator Wallingford offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 31

Whereas, the founders of this great nation set forth on the Earth an enduring Republic and charged future generations with the solemn duty of its preservation; and

Whereas, the Constitution of these United States, which is the cornerstone of this Republic, establishes the process to propose and ratify amendments to itself, including a process reserved for the state legislatures in Article V of the United States Constitution; and

Whereas, the State of Missouri recognizes that this process to amend the United States Constitution should by right be held in esteem, worthy of the sacrifice of our founders; and

Whereas, the State of Missouri recognizes that a preexisting set of rules and procedures to convene a convention for proposing amendments under Article V of the United States Constitution is desirable to ensure that such a convention functions effectively and decisively; and

Whereas, the State of Missouri recognizes that the Assembly of State Legislatures, made up of a bipartisan group of state legislators from 45 states, has met over a period of four years to carefully craft and consider rules and procedures for the convening of an Article V convention:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, Ninety-ninth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby declares that should a convention for proposing amendments under Article V of the United States Constitution be called, the State of Missouri supports the adoption of the rules and procedures adopted by the Assembly of State Legislatures on June 17, 2016, as the official rules and procedures to convene such a convention; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare a properly inscribed copy of this resolution for the Executive Committee of the Assembly of State Legislatures.
