SENATE RESOLUTION NO. 1591

Whereas, the members of the Missouri Senate feel it is altogether right and proper to pause from time to time to recognize milestones in the legislative history of this great country; and

Whereas, the members now pause to observe the fiftieth anniversary of the Wild and Scenic Rivers Act, an Act passed by a unanimous vote in the United States Senate and signed by President Lyndon B. Johnson on October 2, 1968; and

Whereas, in the Act, Congress sought to protect outstanding rivers that “shall be preserved in free-flowing condition, and that they and their immediate environments shall be protected for the benefit and enjoyment of present and future generations”; and

Whereas, to implement this objective, the Act created the National Wild and Scenic Rivers System, providing for the designation of wild and scenic rivers; and

Whereas, the Act defines wild and scenic rivers as “certain selected rivers of the Nation which, with their immediate environments, possess outstandingly remarkable scenic, recreational, geological, fish and wildlife, historical, cultural, or other similar values”; and

Whereas, the Eleven Point River in Missouri was one of the eight rivers designated by the original Act in 1968; and

Whereas, in 2018, forty-four miles of the Eleven Point River were included in the National Wild and Scenic Rivers System, providing Missourians with a high quality recreational opportunity and natural resource; and

Whereas, the Eleven Point Wild and Scenic River is administered by the United States Forest Service, with the cooperation and assistance of state and local governments, private groups, and land owners, which have done an outstanding job of protecting the river for the past fifty years; and

Whereas, public awareness of the importance of wild and scenic rivers must be raised and public and private cooperation encouraged to promote the continued protection of these precious river values; and

Whereas, tourism on the Eleven Point River supports many local businesses, including canoe rental liveries, fishing guide services, rental cabins, and restaurants:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, Ninety-ninth General Assembly, Second Regular Session, hereby recognize the fiftieth anniversary of the Wild and Scenic Rivers Act and encourage citizens to protect our state’s river resources; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Department of Natural Resources.

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Committee Substitute for Senate Bill No. 1050, Page 7, Section 227.544, Line 10 of said page, by inserting after all of said line the following:

“263.245. 1. **Subject to voter approval under section 263.247**, all owners of land in:

- (1) Any county with a township form of government, located north of the Missouri River and having**

no portion of the county located east of U.S. Highway 63 [and located in];

(2) Any county of the third classification without a township form of government and with more than four thousand one hundred but fewer than four thousand two hundred inhabitants[.]; or [in]

(3) Any county of the third classification without a township form of government and with more than two thousand three hundred but fewer than two thousand four hundred inhabitants

shall control all brush growing on such owner's property that is designated as the county right-of-way or county maintenance easement part of such owner's property and which is adjacent to any county road. Such brush shall be cut, burned, or otherwise destroyed as often as necessary in order to keep such lands accessible for purposes of maintenance and safety of the county road **and to prevent brush from interfering with any vehicle that may travel the road.**

2. The county commission, either upon its own motion or upon receipt of a written notice requesting the action from any residents of the county in which the county road bordering the lands in question is located or upon written request of any person regularly using the county road, may control such brush so as to allow easy access to the land described in subsection 1 of this section, and for that purpose the county commission, or its agents, servants, or employees shall have authority to enter on such lands without being liable to an action of trespass therefor, and shall keep an accurate account of the expenses incurred in eradicating the brush, and shall verify such statement under seal of the county commission, and transmit the same to the officer whose duty it is or may be to extend state and county taxes on tax books or bills against real estate. Such officer shall extend the aggregate expenses so charged against each tract of land as a special tax, which shall then become [a lien on such lands,] **due on such landowner's real and personal property tax assessment** and be collected as state and county taxes are collected by law and paid to the county commission and credited to the county control fund.

3. Before proceeding to control brush as provided in this section, the county commission of the county in which the land is located shall notify the owner of the land of the requirements of this law [by certified mail, return receipt requested, from a list] **in writing using any mail service with delivery tracking and an address** supplied by the officer who prepares the tax list[,] and shall allow the owner of the land thirty days from [acknowledgment date of return receipt, or] **the** date of [refusal of acceptance of] delivery [as the case may be,] to eradicate all such brush growing on land designated as the county right-of-way or county maintenance easement part of such owner's land and which is adjacent to the county road. In the event that the property owner cannot be located by [certified] mail, notice shall be placed in a newspaper of general circulation in the county in which the land is located at least thirty days before the county commission removes the brush pursuant to subsection 2 of this section. Such property owner shall be granted an automatic thirty-day extension due to hardship by notifying the county commission that such owner cannot comply with the requirements of this section, due to hardship, within the first thirty-day period. The property owner may be granted a second extension by a majority vote of the county commission. There shall be no further extensions. For the purposes of this subsection, "hardship" may be financial, physical or any other condition that the county commission deems to be a valid reason to allow an extension of time to comply with the requirements of this section.

4. County commissions shall not withhold rock, which is provided from funds from the county aid road trust fund, for maintaining county roads due to the abutting property owner's refusal to remove brush located on land designated as the county right-of-way or county maintenance easement part of such owner's

land. County commissions shall use such rock on the county roads, even though the brush is not removed, or county commissions may resort to the procedures in this section to remove the brush.

**5. The county right-of-way or county maintenance easement shall extend fifteen feet from the center of the county road or the distance set forth in the original conveyance, whichever is greater. For purposes of this subsection, the “center of the county road” shall be the point equidistant from both edges of the drivable ground of the road in its current condition.**

**6. In the event a county is required to obtain a land survey to enforce this section, the costs of such survey shall be divided equally between the county and the landowner.”; and**

Further amend the title and enacting clause accordingly.

Senator Hegeman moved that the above amendment be adopted, which motion prevailed.

At the request of Senator Schatz, **SB 1050**, with **SCS** and **SS** for **SCS** (pending), was placed on the Informal Calendar.
