SENATE RESOLUTION NO. 1

BE IT RESOLVED by the Senate that the Secretary of Senate inform the House of Representatives that the Senate is duly convened and is now in session as provided by Article III, Section 32 of the Constitution and is ready for the consideration of its business.

Senator Onder offered the following resolution, which was read and adopted:

SENATE RESOLUTION NO. 2

BE IT RESOLVED by the Senate that the rules of the Senate, as adopted by the Ninety-ninth General Assembly, Second Regular Session, be declared to be the rules of the Veto Session of the Ninety-ninth General Assembly.

**COMMUNICATIONS FROM THE GOVERNOR**

The following communications, regarding vetoed Senate Bills were received by the Secretary of State, reading of which was waived:

GOVERNOR OF MISSOURI  
JEFFERSON CITY  
65102  
July 13, 2018

TO THE SECRETARY OF STATE  
OF THE STATE OF MISSOURI  
99th GENERAL ASSEMBLY  
SECOND REGULAR SESSION

Herewith I return to you House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill Nos. 894 & 921 entitled:

AN ACT

To repeal sections 161.106, 162.1115, 173.670, and 178.550, RSMo, and to enact in lieu thereof eight new sections relating to education curriculum involving science and technology.

I disapprove of House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill Nos. 894 & 921. My reasons for disapproval are as follows:

Section 161.261 of the bill establishes the “STEM Career Awareness Program,” with the purported goal of increasing STEM career awareness among students in grades six through eight. While I fully support the promotion of science, technology, engineering, and mathematics (STEM) education and making our state’s students aware of career opportunities in those fields, I cannot approve of the program’s provisions as written.

As part of the STEM Career Awareness Program, the Department of Elementary and Secondary Education is charged with selecting a provider for an online program to introduce students to a wide variety of STEM careers and technology. The bill contains a detailed list of criteria the program must meet in order to be selected. The criteria are so specific that they appear to be narrowly tailored to apply to only one company, which violates the Missouri Constitution.

Article III, Section 40 of the Missouri Constitution prohibits the General Assembly from passing any local or special law “granting to any corporation, association or individual any special or exclusive right, privilege or immunity” or “where a general law can be made applicable.” While imposing certain requirements for the program is appropriate, the opportunity to establish an online STEM career curriculum should be open to many providers so that the Department has the ability to choose the best option from qualified applicants. Such legislation would receive a welcome review from my administration in the future.

I also look forward to working with the legislature next session on the computer science credit provisions of this bill, which unfortunately will not be enacted this year due to the aforementioned issues.

In accordance with the above stated reasons for disapproval, I am returning House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill Nos. 894 & 921 without my approval.

Respectfully Submitted,  
Michael L. Parson  
Governor

Also,

GOVERNOR OF MISSOURI  
JEFFERSON CITY  
65102  
July 13, 2018

TO THE SECRETARY OF STATE  
OF THE STATE OF MISSOURI  
99th GENERAL ASSEMBLY  
SECOND REGULAR SESSION

Herewith I return to you Senate Concurrent Resolution No. 50 entitled:

Relating to the replacement of a statue in the Statuary Hall of the Capitol of the United States.

I disapprove of Senate Concurrent Resolution No. 50. My reasons for disapproval are as follows:

While I fully support the placement of a statue of Harry S. Truman in the National Statuary Hall in the United States Capitol, I cannot approve of this resolution as written.

Senate Concurrent Resolution No. 50 proposes the replacement of one of Missouri’s statues in the National Statuary Hall. Currently, Missouri’s two allocated statues are of United States Senator Thomas Hart Benton and Francis Preston Blair. Senate Concurrent Resolution No. 50 requests the statue of Thomas Hart Benton be replaced by a statue of Harry S. Truman.

Unfortunately, the Thomas Hart Benton referred to in the resolution delivered to my office is not the correct individual who is currently represented in the National Statuary Hall. The Thomas Hart Benton who is depicted in our nation’s capitol was one of Missouri’s first United

States Senators and also elected to the United States House of Representatives. He was instrumental in the westward expansion of the United States and was an outspoken opponent of the institution of slavery.

The Thomas Hart Benton referred to in Senate Concurrent Resolution No. 50 is the famed painter and muralist, who happens to be Senator Thomas Hart Benton's great-great-nephew. This incorrect reference, while seemingly minor, fails to honor the legacy of Senator Thomas Hart Benton and his importance to the history of our state.

In accordance with the above stated reasons for disapproval, I am returning Senate Concurrent Resolution No. 50 without my approval.

Respectfully Submitted,  
Michael L. Parson  
Governor
