SECTION 3.050

This section would provide non-repayable scholarships to full-time undergraduate students attending eligible post-secondary institutions located in Missouri. The Scholarships are based solely on the academic ability of Missouri high school seniors as measured by their scores on the ACT or SAT college entrance exams, and on their subsequent academic progress. The maximum scholarship awards are \$3,000 for students who score in the top three percent (3%) and \$1,000 for students who score in the fourth (4th) and fifth (5th) percentiles. In the event of insufficient funding the top three percent (3%) scorers receive their awards first and then if there are remaining funds the fourth (4th) and fifth (5th) percentile receive awards. An estimated 7,900 students will be awarded scholarships in FY 2019.

SECTION 3.060

This section provides need-based financial aid to eligible Missouri residents. A student’s financial need, as represented by their expected family contribution (EFC), is calculated based on the standard federal needs analysis formula. Students with an EFC at or below the established cutoff are eligible for an award amount. Award amounts are adjusted, using the statutory formula, so all eligible students receive the maximum award possible based on available funds.

This section provides funding for the University of Missouri System. The Missouri State General Assembly passed the Geyer Act in February of 1839 that ordered, in part, “A University is hereby instituted in this State”. At this time, the University of Missouri was the only institution of higher learning west of the Mississippi River. The University grew over the following decades to hold a place of regional and national distinction. In the early 1960’s, an effort was made to more fully address the higher education needs in Kansas City and St. Louis. The University of Missouri implemented its plan to expand to a four-campus system at Columbia, Rolla, St. Louis and Kansas City in 1963.
