Division of Business Development - Ag Development Fund Program - Section 6.075

Page 160-177

Description: The Agriculture Development Fund Program offers financial assistance when needed to Missouri farm families through six major programs: Missouri Alternative Loan Program, Crop and Livestock Loan Guarantee Program, Farm Mechanics Loan Program, Agriculture Scholarship Program, Building Our American Communities Grant Program (BOAC), and the Missouri Agribusiness Academy (MAbA). The program utilizes the federal funds derived from the old Rural Rehabilitation Assets acquired from the federal government in 1957 and places an emphasis on preparing a new generation of Missouri youth for careers in rural Missouri and agribusiness.

Division of Animal Health - Indemnity Payments - Section 6.095

Page 215-221

Description: This section provides funding to control and eradicate animal diseases by removal and depopulation of disease-infected or toxin exposed animals. Rapid detection, containment, and elimination of disease-infected animals is the surest method to guard against further spread of disease as well as depopulation of animals with toxins above acceptable levels to enter the food supply safely. This program also helps to minimize economic losses to producers whose livestock have been destroyed.

Division of Weights and Measures - Section 6.115

Page 318-355

Description: This section is responsible for ensuring the accuracy of all commercial weighing and measuring devices in the state and to protect the interests of buyers and sellers when exchanging goods or services. The **Device & Commodity Inspection Program** is responsible for monitoring all commercial transactions where goods are weighted, counted, or measured to insure equity in the marketplace (e.g. consumers do not pay for packaging weight). The **Fuel Quality Program** insures consumers that petroleum fuels and products meet quality standards. The **Metrology Laboratory** provides calibration of measurement standards used by the Weights & Measures Division as well as private industry and businesses. The **Moisture Inspection Program** is responsible for the registration of commercial grain moisture-measuring devices as well as inspection and certification of the devices associated with equipment such as scales, thermometers, and charts. The **Petroleum Device & Safety Inspection Program** is responsible for consumer protection through the safety inspection of fuel storage/dispensing systems and the inspection and testing of dispensing devices for accuracy. The **Propane/Anhydrous Ammonia Inspection Program** is also responsible for safety and consumer protection regarding propane.

State Milk Board – Administration - Section 6.135

Page 387-399

Description: The primary purpose and goal of the Milk Inspection Program is to protect the consumer of dairy products from harmful effects of bacteriological or chemical contaminants in milk or milk products by eliminating harmful organisms or substances entering the milk supply. The program is designed to certify sources, test milk, and promote methods of producing, handling, processing, and distributing milk and products that assure wholesomeness and safety. The program is implemented on grade A markets primarily by contracting with local health departments for inspection services.

Legal Base: State Statutes 196.931 – 196.953 (Fluid Milk Law); 196.520 – 196.614 (Dairy Law) RSMo

Funding Source: General Revenue, Other - State Milk Inspection Fees Fund (196.947 RSMo), State Contracted Manufacturing Dairy Plant Inspection and Grading Fee Fund (196.614 RSMo)
