---

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Section 99.845, RSMo, is repealed and one new section enacted  
2 in lieu thereof, to be known as section 99.845, to read as follows:

99.845. 1. A municipality, either at the time a redevelopment project is  
2 approved or, in the event a municipality has undertaken acts establishing a  
3 redevelopment plan and redevelopment project and has designated a  
4 redevelopment area after the passage and approval of sections 99.800 to 99.865  
5 but prior to August 13, 1982, which acts are in conformance with the procedures  
6 of sections 99.800 to 99.865, may adopt tax increment allocation financing by  
7 passing an ordinance providing that after the total equalized assessed valuation  
8 of the taxable real property in a redevelopment project exceeds the certified total  
9 initial equalized assessed valuation of the taxable real property in the  
10 redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if  
11 any, arising from the levies upon taxable real property in such redevelopment  
12 project by taxing districts and tax rates determined in the manner provided in  
13 subsection 2 of section 99.855 each year after the effective date of the ordinance  
14 until redevelopment costs have been paid shall be divided as follows:

15 (1) That portion of taxes, penalties and interest levied upon each taxable  
16 lot, block, tract, or parcel of real property which is attributable to the initial  
17 equalized assessed value of each such taxable lot, block, tract, or parcel of real  
18 property in the area selected for the redevelopment project shall be allocated to

**EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.**

19 and, when collected, shall be paid by the county collector to the respective  
20 affected taxing districts in the manner required by law in the absence of the  
21 adoption of tax increment allocation financing;

22 (2) (a) Payments in lieu of taxes attributable to the increase in the  
23 current equalized assessed valuation of each taxable lot, block, tract, or parcel of  
24 real property in the area selected for the redevelopment project and any  
25 applicable penalty and interest over and above the initial equalized assessed  
26 value of each such unit of property in the area selected for the redevelopment  
27 project shall be allocated to and, when collected, shall be paid to the municipal  
28 treasurer who shall deposit such payment in lieu of taxes into a special fund  
29 called the "Special Allocation Fund" of the municipality for the purpose of paying  
30 redevelopment costs and obligations incurred in the payment thereof. Beginning  
31 August 28, 2014, if the voters in a taxing district vote to approve an increase in  
32 such taxing district's levy rate for ad valorem tax on real property, any additional  
33 revenues generated within an existing redevelopment project area that are  
34 directly attributable to the newly voter-approved incremental increase in such  
35 taxing district's levy rate shall not be considered payments in lieu of taxes subject  
36 to deposit into a special allocation fund without the consent of such taxing  
37 district. Revenues will be considered directly attributable to the newly  
38 voter-approved incremental increase to the extent that they are generated from  
39 the difference between the taxing district's actual levy rate currently imposed and  
40 the maximum voter-approved levy rate at the time that the redevelopment project  
41 was adopted. Payments in lieu of taxes which are due and owing shall constitute  
42 a lien against the real estate of the redevelopment project from which they are  
43 derived and shall be collected in the same manner as the real property tax,  
44 including the assessment of penalties and interest where applicable. The  
45 municipality may, in the ordinance, pledge the funds in the special allocation  
46 fund for the payment of such costs and obligations and provide for the collection  
47 of payments in lieu of taxes, the lien of which may be foreclosed in the same  
48 manner as a special assessment lien as provided in section 88.861. No part of the  
49 current equalized assessed valuation of each lot, block, tract, or parcel of property  
50 in the area selected for the redevelopment project attributable to any increase  
51 above the total initial equalized assessed value of such properties shall be used  
52 in calculating the general state school aid formula provided for in section 163.031  
53 until such time as all redevelopment costs have been paid as provided for in this  
54 section and section 99.850.

55 (b) Notwithstanding any provisions of this section to the contrary, for  
56 purposes of determining the limitation on indebtedness of local government  
57 pursuant to Article VI, Section 26(b) of the Missouri Constitution, the current  
58 equalized assessed value of the property in an area selected for redevelopment  
59 attributable to the increase above the total initial equalized assessed valuation  
60 shall be included in the value of taxable tangible property as shown on the last  
61 completed assessment for state or county purposes.

62 (c) The county assessor shall include the current assessed value of all  
63 property within the taxing district in the aggregate valuation of assessed property  
64 entered upon the assessor's book and verified pursuant to section 137.245, and  
65 such value shall be utilized for the purpose of the debt limitation on local  
66 government pursuant to Article VI, Section 26(b) of the Missouri Constitution;

67 (3) For purposes of this section, "levies upon taxable real property in such  
68 redevelopment project by taxing districts" shall not include the blind pension fund  
69 tax levied under the authority of Article III, Section 38(b) of the Missouri  
70 Constitution, or the merchants' and manufacturers' inventory replacement tax  
71 levied under the authority of subsection 2 of Section 6 of Article X of the Missouri  
72 Constitution, except in redevelopment project areas in which tax increment  
73 financing has been adopted by ordinance pursuant to a plan approved by vote of  
74 the governing body of the municipality taken after August 13, 1982, and before  
75 January 1, 1998.

76 2. In addition to the payments in lieu of taxes described in subdivision (2)  
77 of subsection 1 of this section, for redevelopment plans and projects adopted or  
78 redevelopment projects approved by ordinance after July 12, 1990, and prior to  
79 August 31, 1991, fifty percent of the total additional revenue from taxes, penalties  
80 and interest imposed by the municipality, or other taxing districts, which are  
81 generated by economic activities within the area of the redevelopment project over  
82 the amount of such taxes generated by economic activities within the area of the  
83 redevelopment project in the calendar year prior to the adoption of the  
84 redevelopment project by ordinance, while tax increment financing remains in  
85 effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by  
86 transient guests of hotels and motels, taxes levied pursuant to section 70.500,  
87 licenses, fees or special assessments other than payments in lieu of taxes and any  
88 penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant  
89 to section 94.660, for the purpose of public transportation, shall be allocated to,  
90 and paid by the local political subdivision collecting officer to the treasurer or

91 other designated financial officer of the municipality, who shall deposit such  
92 funds in a separate segregated account within the special allocation fund. Any  
93 provision of an agreement, contract or covenant entered into prior to July 12,  
94 1990, between a municipality and any other political subdivision which provides  
95 for an appropriation of other municipal revenues to the special allocation fund  
96 shall be and remain enforceable.

97           3. In addition to the payments in lieu of taxes described in subdivision (2)  
98 of subsection 1 of this section, for redevelopment plans and projects adopted or  
99 redevelopment projects approved by ordinance after August 31, 1991, fifty percent  
100 of the total additional revenue from taxes, penalties and interest which are  
101 imposed by the municipality or other taxing districts, and which are generated  
102 by economic activities within the area of the redevelopment project over the  
103 amount of such taxes generated by economic activities within the area of the  
104 redevelopment project in the calendar year prior to the adoption of the  
105 redevelopment project by ordinance, while tax increment financing remains in  
106 effect, but excluding personal property taxes, taxes imposed on sales or charges  
107 for sleeping rooms paid by transient guests of hotels and motels, taxes levied  
108 pursuant to section 70.500, taxes levied for the purpose of public transportation  
109 pursuant to section 94.660, taxes imposed on sales pursuant to subsection 2 of  
110 section 67.1712 for the purpose of operating and maintaining a metropolitan park  
111 and recreation district, licenses, fees or special assessments other than payments  
112 in lieu of taxes and penalties and interest thereon, any sales tax imposed by a  
113 county with a charter form of government and with more than six hundred  
114 thousand but fewer than seven hundred thousand inhabitants, for the purpose of  
115 sports stadium improvement or levied by such county under section 238.410 for  
116 the purpose of the county transit authority operating transportation facilities, or  
117 for redevelopment plans and projects adopted or redevelopment projects approved  
118 by ordinance after August 28, 2013, taxes imposed on sales under and pursuant  
119 to section 67.700 or 650.399 for the purpose of emergency communication systems,  
120 shall be allocated to, and paid by the local political subdivision collecting officer  
121 to the treasurer or other designated financial officer of the municipality, who  
122 shall deposit such funds in a separate segregated account within the special  
123 allocation fund. Beginning August 28, 2014, if the voters in a taxing district vote  
124 to approve an increase in such taxing district's sales tax or use tax, other than  
125 the renewal of an expiring sales or use tax, any additional revenues generated  
126 within an existing redevelopment project area that are directly attributable to the

127 newly voter-approved incremental increase in such taxing district's levy rate shall  
128 not be considered economic activity taxes subject to deposit into a special  
129 allocation fund without the consent of such taxing district.

130         4. Beginning January 1, 1998, for redevelopment plans and projects  
131 adopted or redevelopment projects approved by ordinance and which have  
132 complied with subsections 4 to 12 of this section, in addition to the payments in  
133 lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of  
134 this section, up to fifty percent of the new state revenues, as defined in subsection  
135 8 of this section, estimated for the businesses within the project area and  
136 identified by the municipality in the application required by subsection 10 of this  
137 section, over and above the amount of such taxes reported by businesses within  
138 the project area as identified by the municipality in their application prior to the  
139 approval of the redevelopment project by ordinance, while tax increment  
140 financing remains in effect, may be available for appropriation by the general  
141 assembly as provided in subsection 10 of this section to the department of  
142 economic development supplemental tax increment financing fund, from the  
143 general revenue fund, for distribution to the treasurer or other designated  
144 financial officer of the municipality with approved plans or projects.

145         5. The treasurer or other designated financial officer of the municipality  
146 with approved plans or projects shall deposit such funds in a separate segregated  
147 account within the special allocation fund established pursuant to section 99.805.

148         6. No transfer from the general revenue fund to the Missouri  
149 supplemental tax increment financing fund shall be made unless an appropriation  
150 is made from the general revenue fund for that purpose. No municipality shall  
151 commit any state revenues prior to an appropriation being made for that  
152 project. For all redevelopment plans or projects adopted or approved after  
153 December 23, 1997, appropriations from the new state revenues shall not be  
154 distributed from the Missouri supplemental tax increment financing fund into the  
155 special allocation fund unless the municipality's redevelopment plan ensures that  
156 one hundred percent of payments in lieu of taxes and fifty percent of economic  
157 activity taxes generated by the project shall be used for eligible redevelopment  
158 project costs while tax increment financing remains in effect. This account shall  
159 be separate from the account into which payments in lieu of taxes are deposited,  
160 and separate from the account into which economic activity taxes are deposited.

161         7. In order for the redevelopment plan or project to be eligible to receive  
162 the revenue described in subsection 4 of this section, the municipality shall

163 comply with the requirements of subsection 10 of this section prior to the time the  
164 project or plan is adopted or approved by ordinance. The director of the  
165 department of economic development and the commissioner of the office of  
166 administration may waive the requirement that the municipality's application be  
167 submitted prior to the redevelopment plan's or project's adoption or the  
168 redevelopment plan's or project's approval by ordinance.

169 8. For purposes of this section, "new state revenues" means:

170 (1) The incremental increase in the general revenue portion of state sales  
171 tax revenues received pursuant to section 144.020, excluding sales taxes that are  
172 constitutionally dedicated, taxes deposited to the school district trust fund in  
173 accordance with section 144.701, sales and use taxes on motor vehicles, trailers,  
174 boats and outboard motors and future sales taxes earmarked by law. In no event  
175 shall the incremental increase include any amounts attributable to retail sales  
176 unless the municipality or authority has proven to the Missouri development  
177 finance board and the department of economic development and such entities  
178 have made a finding that the sales tax increment attributable to retail sales is  
179 from new sources which did not exist in the state during the baseline year. The  
180 incremental increase in the general revenue portion of state sales tax revenues  
181 for an existing or relocated facility shall be the amount that current state sales  
182 tax revenue exceeds the state sales tax revenue in the base year as stated in the  
183 redevelopment plan as provided in subsection 10 of this section; or

184 (2) The state income tax withheld on behalf of new employees by the  
185 employer pursuant to section 143.221 at the business located within the project  
186 as identified by the municipality. The state income tax withholding allowed by  
187 this section shall be the municipality's estimate of the amount of state income tax  
188 withheld by the employer within the redevelopment area for new employees who  
189 fill new jobs directly created by the tax increment financing project.

190 9. Subsection 4 of this section shall apply only to the following:

191 (1) Blighted areas located in enterprise zones, pursuant to sections  
192 135.200 to 135.256, blighted areas located in federal empowerment zones, or to  
193 blighted areas located in central business districts or urban core areas of cities  
194 which districts or urban core areas at the time of approval of the project by  
195 ordinance, provided that the enterprise zones, federal empowerment zones or  
196 blighted areas contained one or more buildings at least fifty years old; and

204 federal decennial census in excess of three hundred fifty thousand;

205 (2) Blighted areas consisting solely of the site of a former automobile  
206 manufacturing plant located in any county with a charter form of government and  
207 with more than nine hundred fifty thousand inhabitants. For the purposes of this  
208 section, "former automobile manufacturing plant" means a redevelopment area  
209 containing a minimum of one hundred acres, and such redevelopment area was  
210 previously used primarily for the manufacture of automobiles but ceased such  
211 manufacturing after the 2007 calendar year; or

212 (3) Blighted areas consisting solely of the site of a former insurance  
213 company national service center containing a minimum of one hundred acres  
214 located in any county with a charter form of government and with more than nine  
215 hundred fifty thousand inhabitants.

216 10. The initial appropriation of up to fifty percent of the new state  
217 revenues authorized pursuant to subsection 4 of this section shall not be made to  
218 or distributed by the department of economic development to a municipality until  
219 all of the following conditions have been satisfied:

221 designee and the commissioner of the office of administration or his or her

377 11. In addition to the areas authorized in subsection 9 of this section, the  
378 funding authorized pursuant to subsection 4 of this section shall also be available

379 in a federally approved levee district, where construction of a levee begins after  
380 December 23, 1997, and which is contained within a county of the first  
381 classification without a charter form of government with a population between  
382 fifty thousand and one hundred thousand inhabitants which contains all or part  
383 of a city with a population in excess of four hundred thousand or more  
384 inhabitants.

385         12. There is hereby established within the state treasury a special fund  
386 to be known as the "Missouri Supplemental Tax Increment Financing Fund", to  
387 be administered by the department of economic development. The department  
388 shall annually distribute from the Missouri supplemental tax increment financing  
389 fund the amount of the new state revenues as appropriated as provided in the  
390 provisions of subsection 4 of this section if and only if the conditions of subsection  
391 10 of this section are met. The fund shall also consist of any gifts, contributions,  
392 grants or bequests received from federal, private or other sources. Moneys in the  
393 Missouri supplemental tax increment financing fund shall be disbursed per  
394 project pursuant to state appropriations.

395         13. Redevelopment project costs may include, at the prerogative of the  
396 state, the portion of salaries and expenses of the department of economic  
397 development and the department of revenue reasonably allocable to each

399 supplemental tax increment financing fund for the ongoing administrative  
400 functions associated with such redevelopment project. Such amounts shall be  
401 recovered from new state revenues deposited into the Missouri supplemental tax  
402 increment financing fund created under this section.

403         14. For redevelopment plans or projects approved by ordinance that result  
404 in net new jobs from the relocation of a national headquarters from another state  
405 to the area of the redevelopment project, the economic activity taxes and new  
406 state tax revenues shall not be based on a calculation of the incremental increase  
407 in taxes as compared to the base year or prior calendar year for such  
408 redevelopment project, rather the incremental increase shall be the amount of  
409 total taxes generated from the net new jobs brought in by the national  
410 headquarters from another state. In no event shall this subsection be construed  
411 to allow a redevelopment project to receive an appropriation in excess of up to  
412 fifty percent of the new state revenues.

413         15. Notwithstanding any other provision of the law to the contrary, the  
414 adoption of any tax increment financing authorized under sections 99.800 to

415 99.865 shall not supersede, alter, or reduce in any way a property tax levied  
416 under section 205.971.
