

SECOND REGULAR SESSION

SENATE BILL NO. 598

99TH GENERAL ASSEMBLY

INTRODUCED BY SENATOR RIDDLE.

Pre-filed December 1, 2017, and ordered printed.

ADRIANE D. CROUSE, Secretary.

5089S.01I

AN ACT

To repeal section 227.240, RSMo, and to enact in lieu thereof one new section relating to the department of transportation utility corridor, with an existing penalty provision.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 227.240, RSMo, is repealed and one new section
2 enacted in lieu thereof, to be known as section 227.240, to read as follows:

227.240. 1. The location and removal of all telephone, cable television,
2 and electric light and power transmission lines, poles, wires, and conduits and all
3 pipelines and tramways, erected or constructed, or hereafter to be erected or
4 constructed by any corporation, municipality, public water supply district, sewer
5 district, association or persons, within the right-of-way of any state highway,
6 insofar as the public travel and traffic is concerned, and insofar as the same may
7 interfere with the construction or maintenance of any such highway, shall be
8 under the control and supervision of the state highways and transportation
9 commission.

10 2. A cable television corporation or company shall be permitted to place
11 its lines within the right-of-way of any state highway, consistent with the rules
12 and regulations of the state highways and transportation commission. The state
13 highways and transportation commission shall establish a system for receiving
14 and resolving complaints with respect to cable television lines placed in, or
15 removed from, the right-of-way of a state highway.

16 3. **The department of transportation utility corridor established**
17 **for the placement of utility facilities on the right-of-way of highways in**
18 **the state highway system shall be twelve feet in width with the location**

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

19 to be determined by the state highways and transportation
20 commission. The location, construction, maintenance, removal, and
21 relocation of any utility facility within the utility corridor or the right-
22 of-way of any highway in the state highway system due to the
23 implementation of this subsection shall be at the cost and expense of
24 the owner of such utility facility.

25 4. The commission or some officer selected by the commission shall serve
26 a written notice upon the entity, person or corporation owning or maintaining any
27 such lines, poles, wires, conduits, pipelines, or tramways, which notice shall
28 contain a plan or chart indicating the places on the right-of-way at which such
29 lines, poles, wires, conduits, pipelines or tramways may be maintained. The
30 notice shall also state the time when the work of hard surfacing said roads is
31 proposed to commence, and shall further state that a hearing shall be had upon
32 the proposed plan of location and matters incidental thereto, giving the place and
33 date of such hearing. Immediately after such hearing the said owner shall be
34 given a notice of the findings and orders of the commission and shall be given a
35 reasonable time thereafter to comply therewith; provided, however, that the effect
36 of any change ordered by the commission shall not be to remove all or any part
37 of such lines, poles, wires, conduits, pipelines or tramways from the right-of-way
38 of the highway. The removal of the same shall be made at the cost and expense
39 of the owners thereof unless otherwise provided by said commission, and in the
40 event of the failure of such owners to remove the same at the time so determined
41 they may be removed by the state highways and transportation commission, or
42 under its direction, and the cost thereof collected from such owners, and such
43 owners shall not be liable in any way to any person for the placing and
44 maintaining of such lines, poles, wires, conduits, pipelines and tramways at the
45 places prescribed by the commission.

46 [4.] 5. The commission is authorized in the name of the state of Missouri
47 to institute and maintain, through the attorney general, such suits and actions
48 as may be necessary to enforce the provisions of this section. Any corporation,
49 association or the officers or agents of such corporations or associations, or any
50 other person who shall erect or maintain any such lines, poles, wires, conduits,
51 pipelines or tramways, within the right-of-way of such roads which are
52 hard-surfaced, which are not in accordance with such orders of the commission,
53 shall be deemed guilty of a misdemeanor.
