116 **or DNA profile;**

117 (g) **That person is found not guilty of all charges which, upon**
118 **conviction, would authorize the inclusion of that person's DNA record**

123 information necessary to ascertain the validity of the request, the Missouri state
124 highway patrol crime laboratory shall expunge all DNA records and identifiable
125 information in the state DNA database pertaining to the person and destroy the
126 DNA sample of the person, unless the Missouri state highway patrol determines

127 that the person is otherwise obligated to submit a DNA sample. Within thirty
128 days after the receipt of the court order, the Missouri state highway patrol shall
129 notify the individual that it has expunged his or her DNA sample and DNA

131 to submit a DNA sample.

132 (4) The Missouri state highway patrol is not required to destroy any item
133 of physical evidence obtained from a DNA sample if evidence relating to another
134 person would thereby be destroyed.

135 (5) Any identification, warrant, arrest, or evidentiary use of a DNA match
136 derived from the database shall not be excluded or suppressed from evidence, nor
137 shall any conviction be invalidated or reversed or plea set aside due to the failure
138 to expunge or a delay in expunging DNA records.

139 [10. When a DNA sample is taken from an individual pursuant to
140 subdivision (2) of subsection 1 of this section and the prosecutor declines
141 prosecution and notifies the arresting agency of that decision, the arresting
142 agency shall notify the Missouri state highway patrol crime laboratory within
143 ninety days of receiving such notification. Within thirty days of being notified by
144 the arresting agency that the prosecutor has declined prosecution, the Missouri
145 state highway patrol crime laboratory shall determine whether the individual has
146 any other qualifying offenses or arrests that would require a DNA sample to be
147 taken and retained. If the individual has no other qualifying offenses or arrests,
148 the crime laboratory shall expunge all DNA records in the database taken at the
149 arrest for which the prosecution was declined pertaining to the person and
150 destroy the DNA sample of such person.

158 cause that the defendant committed the offense, the court shall notify the state
159 highway patrol crime laboratory of such finding;

160 (4) If the defendant is found not guilty, the court shall notify the state
161 highway patrol crime laboratory of such verdict.

162 If the state highway patrol crime laboratory receives notice under this subsection,

163 such crime laboratory shall determine, within thirty days, whether the individual
164 has any other qualifying offenses or arrests that would require a DNA sample to
165 be taken. If the individual has no other qualifying arrests or offenses, the crime
166 laboratory shall expunge all DNA records in the database pertaining to such
167 person and destroy the person's DNA sample.]
