Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 475.024, RSMo, is repealed and four new sections

- 2 enacted in lieu thereof, to be known as sections 210.1109, 475.600, 475.602, and
- 3 475.604, to read as follows:

210.1109. During any child protective investigation or assessment

- 2 that does not result in an out-of-home placement, if the children's
- 3 division determines that a child is at risk for possible removal and
- 4 placement in out-of-home care, the division shall provide information
- 5 to the parent or guardian about community service programs that
- 6 provide respite care, voluntary guardianship, or other support services
- 7 for families in crisis in cases where such services may address the
- 8 needs of the family. The children's division is authorized to exercise
- 9 its discretion in recommending community service programs provided
- 10 to a parent or guardian under this section.

475.600. Sections 210.1109, 475.600, 475.602, and 475.604 shall be

- 2 known and may be cited as the "Supporting and Strengthening Families

475.602. 1. A parent or legal custodian of a child may, by a

- 2 properly executed power of attorney as provided under section 475.604,

6 consent to marriage or adoption of the child, the performance or inducement of an abortion on or for the child, or the termination of parental rights to the child. A delegation of powers under this section shall not be construed to change or modify any parental or legal rights, obligations, or authority established by an existing court order or deprive the parent or legal custodian of any parental or legal rights, 11 obligations, or authority regarding the custody, visitation, or support 12 of the child. 13

- 2. The parent or legal custodian of the child shall have the authority to revoke or withdraw the power of attorney authorized in subsection 1 of this section at any time. Except as provided in subsection 7 of this section, if the delegation of authority lasts longer than one year, the parent or legal custodian of the child shall execute a new power of attorney for each additional year that the delegation exists. If a parent withdraws or revokes the power of attorney, the child shall be returned to the custody of the parents as soon as reasonably possible.
- 3. Unless the authority is revoked or withdrawn by the parent or legal custodian, the attorney-in-fact shall exercise parental or legal authority on a continuous basis without compensation for the duration of the power of attorney authorized by subsection 1 of this section and shall not be subject to any statutes dealing with the licensing or regulation of foster care homes.
- 4. Except as otherwise provided by law, the execution of a power of attorney by a parent or legal custodian as authorized in subsection 1 of this section shall not constitute abandonment as provided in sections 568.030 and 568.032, or abuse or neglect as provided in sections 210.110 and 568.060 unless the parent or legal guardian fails to take custody of the child or execute a new power of attorney after the oneyear time limit has elapsed. However, it shall be a violation of section 453.110 for a parent or legal custodian to execute a power of attorney with the intention of permanently avoiding or divesting himself or herself of parental or legal responsibility for the care of the child.
- 5. Under a delegation of powers as authorized by subsection 1 of this section, the child or children subject to the power of attorney shall 40 not be considered placed in foster care as otherwise defined in law and the parties shall not be subject to any of the requirements or licensing

43 regulations for foster care or other regulations relating to community 44 care for children.

- 45 6. If a parent or legal custodian uses a community service program that offers support services for families in crisis to assist in 46 the delegation of any powers regarding the care and custody of a child 47 by a properly executed power of attorney, then the community service 48 program shall ensure that a background check is completed for the 49 attorney-in-fact and any adult members of his or her household prior 50 to the placement of the child. A community service program shall not 51 place a child or children with an attorney-in-fact when he or she or any 52adult member of his or her household is found to be on the sex offender 53 54 registry as established pursuant to sections 589.400 to 589.425, or the child abuse and neglect registry, as established pursuant to section 55 210.109, or has pled guilty or nolo contendere to or is found guilty of a 56 felony offense under federal or state law. If a community service 58 program has reasonable cause to suspect that a parent or legal custodian is executing a power of attorney under this section with the 59 intention of permanently avoiding or divesting himself or herself of 60 parental or legal responsibility for the care of the child, the community 61 service program shall notify the Missouri children's division within the department of social services, and the division shall conduct an 64 investigation of the parent or legal guardian to determine if there is a 65 violation of section 453.110. A background check performed under this 66 section shall include:
  - (1) A national and state fingerprint-based criminal history check;
- 68 (2) A sex offender registry, as established pursuant to sections 69 589.400 to 589.425, check; and
- 70 (3) A child abuse and neglect registry, as established pursuant to section 210.109, check.
- 72 7. A parent or legal custodian who is a member of the Armed Forces of the United States including any reserve component thereof, the commissioned corps of the National Oceanic and Atmospheric Administration, the Public Health Service of the United States Department of Health and Human Services detailed by proper authority for duty with the Armed Forces of the United States, or who is required to enter or serve in the active military service of the United States under a call or order of the President of the United States or to serve

- 8. Nothing in this section shall conflict or set aside the preexisting residency requirements under section 167.020. An attorneyin-fact to whom powers are delegated under a power of attorney authorized by this section shall make arrangements to ensure that the child attends classes at an appropriate school based upon residency or waiver of such residency requirements by the school.
- 9. While the power of attorney is in force, the school shall communicate with both the attorney-in-fact and any parent or legal custodian with parental or legal rights, obligations, or authority regarding the custody, visitation, or support of the child.   - 10. No delegation of powers under this section shall operate to modify a child's eligibility for benefits the child is receiving at the time of the execution of the power of attorney including, but not limited to, eligibility for free or reduced lunch, health care costs, or other social services, except as may be inconsistent with federal or state law governing the relevant program or benefit.
