20 (d) That a public hearing shall be held prior to the adoption of the
21 ordinance;

22 (e) When the annexation is proposed to be effective, the effective date
23 being up to thirty-six months from the date of any election held in conjunction
24 thereto.

25 (3) The city, town, or village shall fix a date for a public hearing on the
26 ordinance and make a good faith effort to notify all fee owners of record within
27 the area proposed to be annexed by certified mail, not less than thirty nor more
28 than sixty days before the hearing, and notify all residents of the area by
29 publication of notice in a newspaper of general circulation qualified to publish
30 legal matters in the county or counties where the proposed area is located, at
31 least once a week for three consecutive weeks prior to the hearing, with at least
32 one such notice being not more than twenty days and not less than ten days
33 before the hearing.

34 (4) At the hearing referred to in subdivision (3) **of this subsection**, the
35 city, town, or village shall present the plan of intent and evidence in support
36 thereof to include:

47 (5) Following the hearing, and either before or after the election held in

48 subdivision (6) of this subsection, should the governing body of the city, town, or
49 village vote favorably by ordinance to annex the area, the governing body of the
50 city, town or village shall file an action in the circuit court of the county in which
51 such unincorporated area is situated, under the provisions of chapter 527, praying
52 for a declaratory judgment authorizing such annexation. The petition in such
53 action shall state facts showing:

58 (c) The ability of the city, town, or village to furnish normal municipal
59 services of the city, town, or village to the unincorporated area within a
60 reasonable time not to exceed three years after the annexation is to become
61 effective. Such action shall be a class action against the inhabitants of such
62 unincorporated area under the provisions of section 507.070.

63 (6) Except as provided in subsection 3 of this section, if the court
64 authorizes the city, town, or village to make an annexation, the legislative body
65 of such city, town, or village shall not have the power to extend the limits of the
66 city, town, or village by such annexation until an election is held at which the
67 proposition for annexation is approved by a majority of the total votes cast in the

69 unincorporated territory sought to be annexed. However, should less than a
70 majority of the total votes cast in the area proposed to be annexed vote in favor

74 city, town, or village and the registered voters of the area proposed to be annexed.
75 If at least two-thirds of the qualified electors voting thereon are in favor of the
76 annexation, then the city, town, or village may proceed to annex the territory. If
77 the proposal fails to receive the necessary majority, no part of the area sought to
78 be annexed may be the subject of another proposal to annex for a period of two
79 years from the date of the election, except that, during the two-year period, the
80 owners of all fee interests of record in the area or any portion of the area may
81 petition the city, town, or village for the annexation of the land owned by them
82 pursuant to the procedures in section 71.012. The elections shall if authorized
83 be held, except as herein otherwise provided, in accordance with the general state

84 law governing special elections, and the entire cost of the election or elections
85 shall be paid by the city, town, or village proposing to annex the territory.

86 (7) Failure to comply in providing services to the said area or to zone in
87 compliance with the plan of intent within three years after the effective date of
88 the annexation, unless compliance is made unreasonable by an act of God, shall
89 give rise to a cause of action for deannexation which may be filed in the circuit
90 court by any resident of the area who was residing in the area at the time the
91 annexation became effective.

92 (8) No city, town, or village which has filed an action under this section
93 as this section read prior to May 13, 1980, which action is part of an annexation
94 proceeding pending on May 13, 1980, shall be required to comply with subdivision
95 (5) of this subsection in regard to such annexation proceeding.

96 (9) If the area proposed for annexation includes a public road or highway
97 but does not include all of the land adjoining such road or highway, then such fee
98 owners of record, of the lands adjoining said highway shall be permitted to
99 intervene in the declaratory judgment action described in subdivision (5) of this
100 subsection.

101 2. Notwithstanding any provision of subsection 1 of this section, for any
102 annexation by any city with a population of three hundred fifty thousand or more
103 inhabitants which is located in more than one county that becomes effective after
104 August 28, 1994, if such city has not provided water and sewer service to such
105 annexed area within three years of the effective date of the annexation, a cause
106 of action shall lie for deannexation, unless the failure to provide such water and
107 sewer service to the annexed area is made unreasonable by an act of God. The
108 cause of action for deannexation may be filed in the circuit court by any resident
109 of the annexed area who is presently residing in the area at the time of the filing
110 of the suit and was a resident of the annexed area at the time the annexation
111 became effective. If the suit for deannexation is successful, the city shall be liable
112 for all court costs and attorney fees.

113 3. Notwithstanding the provisions of subdivision (6) of subsection 1 of this
114 section, all cities, towns, and villages located in any county of the first
115 classification with a charter form of government with a population of two hundred
116 thousand or more inhabitants which adjoins a county with a population of nine
117 hundred thousand or more inhabitants shall comply with the provisions of this
118 subsection. If the court authorizes any city, town, or village subject to this
119 subsection to make an annexation, the legislative body of such city, town or

120 village shall not have the power to extend the limits of such city, town, or village
121 by such annexation until an election is held at which the proposition for
122 annexation is approved by a majority of the total votes cast in such city, town, or
123 village and by a separate majority of the total votes cast in the unincorporated
124 territory sought to be annexed; except that:

125 (1) In the case of a proposed annexation in any area which is contiguous
126 to the existing city, town or village and which is within an area designated as
127 flood plain by the Federal Emergency Management Agency and which is
128 inhabited by no more than thirty registered voters and for which a final
129 declaratory judgment has been granted prior to January 1, 1993, approving such
130 annexation and where notarized affidavits expressing approval of the proposed
131 annexation are obtained from a majority of the registered voters residing in the
132 area to be annexed, the area may be annexed by an ordinance duly enacted by the
133 governing body and no elections shall be required; and

134 (2) In the case of a proposed annexation of unincorporated territory in
135 which no qualified electors reside, if at least a majority of the qualified electors
136 voting on the proposition are in favor of the annexation, the city, town or village
137 may proceed to annex the territory and no subsequent election shall be required.
138 If the proposal fails to receive the necessary separate majorities, no part of the
139 area sought to be annexed may be the subject of any other proposal to annex for
140 a period of two years from the date of such election, except that, during the
141 two-year period, the owners of all fee interests of record in the area or any portion
142 of the area may petition the city, town, or village for the annexation of the land
143 owned by them pursuant to the procedures in section 71.012 or 71.014. The
144 election shall, if authorized, be held, except as otherwise provided in this section,
145 in accordance with the general state laws governing special elections, and the
146 entire cost of the election or elections shall be paid by the city, town, or village
147 proposing to annex the territory. Failure of the city, town or village to comply in
148 providing services to the area or to zone in compliance with the plan of intent
149 within three years after the effective date of the annexation, unless compliance
150 is made unreasonable by an act of God, shall give rise to a cause of action for
151 deannexation which may be filed in the circuit court not later than four years
152 after the effective date of the annexation by any resident of the area who was
153 residing in such area at the time the annexation became effective or by any
154 nonresident owner of real property in such area.

155 4. Except for a cause of action for deannexation under subdivision (2) of

156 subsection 3 of this section, any action of any kind seeking to deannex from any
157 city, town, or village any area annexed under this section, or seeking in any way
158 to reverse, invalidate, set aside, or otherwise challenge such annexation or oust
159 such city, town, or village from jurisdiction over such annexed area shall be
160 brought within five years of the date of the adoption of the annexation ordinance.

27 and each renewal or extension of such rights shall be subject to voter approval of
28 the majority of the voters voting on the question, pursuant to the provisions of
29 section 88.251. Nothing herein contained shall be so construed as to prevent the
30 board of aldermen from contracting with any person, persons or corporation for
31 furnishing the city with gas or electric lights in cities where franchises have
32 already been granted, and where gas or electric light plants already exist, without
33 a vote of the people, except that the board of aldermen may sell, convey,

34 for the purpose of improving the public safety for such city, including but not
35 limited to expenditures on equipment, city employee salaries and benefits, and
36 facilities for police, fire and emergency medical providers. The tax authorized by
37 this section shall be in addition to any and all other sales taxes allowed by law,

54 the ordinance or order and any amendments thereto shall be in effect on the first
55 day of the second calendar quarter after the director of revenue receives
56 notification of adoption of the local sales tax. If a proposal receives less than the
57 required majority, then the governing body of the city shall have no power to
58 impose the sales tax herein authorized unless and until the governing body of the
59 city shall again have submitted another proposal to authorize the governing body
60 of the city to impose the sales tax authorized by this section and such proposal

64 proposal pursuant to this section.

65 3. All revenue received by a city from the tax authorized under the
66 provisions of this section shall be deposited in a special trust fund and shall be
67 used solely for improving the public safety for such city for so long as the tax

83 shall not be transferred and placed to the credit of the general revenue fund. The
84 director of the department of revenue shall keep accurate records of the amount
85 of money in the trust and which was collected in each city imposing a sales tax
86 pursuant to this section, and the records shall be open to the inspection of officers
87 of the city and the public. Not later than the tenth day of each month the
88 director of the department of revenue shall distribute all moneys deposited in the

89 trust fund during the preceding month to the city which levied the tax; such
90 funds shall be deposited with the city treasurer of each such city, and all
91 expenditures of funds arising from the trust fund shall be by an appropriation act
92 to be enacted by the governing body of each such city. Expenditures may be made
93 from the fund for any functions authorized in the ordinance or order adopted by
94 the governing body submitting the tax to the voters.

95 6. The director of the department of revenue may make refunds from the
96 amounts in the trust fund and credited to any city for erroneous payments and
97 overpayments made, and may redeem dishonored checks and drafts deposited to
98 the credit of such cities. If any city abolishes the tax, the city shall notify the
99 director of the department of revenue of the action at least ninety days prior to
100 the effective date of the repeal and the director of the department of revenue may
101 order retention in the trust fund, for a period of one year, of two percent of the
102 amount collected after receipt of such notice to cover possible refunds or
103 overpayment of the tax and to redeem dishonored checks and drafts deposited to
104 the credit of such accounts. After one year has elapsed after the effective date of
105 abolition of the tax in such city, the director of the department of revenue shall
106 remit the balance in the account to the city and close the account of that
107 city. The director of the department of revenue shall notify each city of each
108 instance of any amount refunded or any check redeemed from receipts due the
109 city.

110 7. Except as modified in this section, all provisions of sections 32.085 and
111 32.087 shall apply to the tax imposed pursuant to this section.

9 term; and], **unless otherwise provided by law**.

10 2. The person appointed after duly qualifying and entering upon the
11 discharge of his **or her** duties under the appointment shall continue in office
12 until the first Monday in January next following the first ensuing general
13 election, at which general election a person shall be elected to fill the unexpired

14 portion of the term, or for the ensuing regular term, as the case may be, and the
15 person so elected shall enter upon the discharge of the duties of the office the
16 first Monday in January next following his **or her** election[, except that when the
17 term to be filled begins on any day other than the first Monday in January, the
18 appointee of the governor shall be entitled to hold the office until such other
19 date].

20 **3. (1) Notwithstanding subsection 1 of this section or any other**
21 **provision of law to the contrary, when any vacancy, caused in any**

7 section 115.127 has been published in at least one newspaper of general
8 circulation as defined in section 493.050 in the district, and [if the number of

9 candidates who have filed for a particular office is equal to the number of
10 positions in that office to be filled by the election, no election shall be held for
11 such office] **if the number of candidates for each office in a particular**
12 **political subdivision, special district, or municipality is equal to the**
13 **number of positions for each office within the political subdivision,**
14 **special district, or municipality to be filled by the election and no**

27 election the number of candidates filing for a particular office exceeds the number
28 of positions to be filled at such election, the election authority shall hold the
29 election as scheduled, even if a sufficient number of candidates withdraw from
30 such contest for that office so that the number of candidates remaining after the
31 filing deadline is equal to the number of positions to be filled.

32 2. The election authority or political subdivision responsible for the
33 oversight of the filing of candidates in any nonpartisan election in any political
34 subdivision or special district shall clearly designate where candidates shall form
35 a line to effectuate such filings and determine the order of such filings; except
36 that, in the case of candidates who file a declaration of candidacy with the

51 elections. If a majority of the votes cast by the qualified voters voting thereon are
52 in favor of the question, then the city, town, or village shall conduct nonpartisan
53 municipal elections as provided in subsection 1 of this section for all nonpartisan
54 elections remaining in the year in which the proposal was adopted and for the six
55 calendar years immediately following such approval. At the end of such six-year
