#### SENATE CONCURRENT RESOLUTION NO. 38

Whereas, on April 19, 1775, the Continental Army engaged in the first battles of the Revolutionary War, known as the Battles of Lexington and Concord. The battles marked the outbreak of open armed conflict between the Kingdom of Great Britain and thirteen of its colonies on the mainland of British America to establish American independence; and

Whereas, the first Militia units, transforming into today's National Guard, were established in the Massachusetts Bay Colonies on December 13, 1636, armed to protect American citizens; and

Whereas, between 1775 and today over 41 million Americans have served in the Armed Forces of the United States, in addition to countless Militiamen between 1636 and 1775; and

Whereas, the United States has suffered casualties of over 1.4 million men and women, including scores of Missouri citizens, who have made the ultimate sacrifice defending democracy and freedom; and

Whereas, the families who have lost immediate relatives in the support of military operations, known as Gold Star Families, are also tragedies of war and armed conflict; and

Whereas, the people of Missouri wish to properly honor our military men and women who gave their lives in the service of our country, and thank their families for their sacrifice and bravery, recognizing that no one has given more for the nation than the families of the fallen; and

Whereas, war memorials perpetuate the appreciation and legacy of our fallen hero warriors and their families present and past and educate communities about the price paid for our way of life; and

Whereas, the purpose of the Gold Star Families Memorial Monument is to honor Gold Star families, relatives, and Gold Star children who have sacrificed and lost loved ones in the service of their country, and who stand as a stark reminder that freedom is not free; and

Whereas, it is appropriate to honor the fallen warriors and their families from the state of Missouri by recognizing the Gold Star Families Memorial Monument, which has been constructed and dedicated on the College of the Ozarks campus, as the official Gold Star Families Memorial Monument of the state of Missouri:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-ninth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby recognize the Gold Star Families Memorial Monument, at the College of the Ozarks campus in Point Lookout, Missouri, as the official Gold Star Families Memorial Monument of Missouri; and

Be It Further Resolved that the Missouri Department of Transportation is urged to prepare and establish appropriate highway signage to recognize the location and direction to the Missouri Gold Star Families Memorial Monument and the Missouri Vietnam Veterans Memorial; such highway signage and any additional signs shall be paid for by the College of the Ozarks; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the president of the College of the Ozarks, the Veterans and Military Coalition of the Ozarks in Branson, Missouri, and the Missouri Department of Transportation.

## SENATE CONCURRENT RESOLUTION NO. 39

Whereas, the United States of America has a longstanding history of promoting free trade throughout the continent and throughout the world; and

Whereas, the people and industries of Missouri have a strong belief and interest in sustaining and advancing free market principles; and

Whereas, international trade has played a significant role in the Missouri economy, particularly with Canada and Mexico, which together accounted for over \$7 billion in exported goods during 2016; and

Whereas, in 2016, exports to free trade agreement markets accounted for 64% of all Missouri exports, totaling \$8.9 billion; and

Whereas, since 2006, exports from Missouri have grown in several new free trade agreement markets, specifically growing by \$1.7 billion in North American Free Trade Agreement markets; and

Whereas, soybeans have consistently been the largest export from Missouri and Mexico has historically been the second largest market for that commodity; and

Whereas, the North American Free Trade Agreement has greatly benefitted Missouri and the United States as a whole through strong job growth, higher wages, low consumer prices, and has particularly enabled a booming agricultural and energy export economy; and

Whereas, there are more than 250,000 Missouri jobs that critically depend upon free trade agreements with both Canada and Mexico:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-ninth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the President of the United States and the Congress of the United States to continue, strengthen, and preserve the North American Free Trade Agreement; and
