

Journal of the Senate

SECOND REGULAR SESSION

TWENTIETH DAY—WEDNESDAY, FEBRUARY 7, 2018

The Senate met pursuant to adjournment.

President Parson in the Chair.

Senator Rowden offered the following prayer:

Joshua 10:25 says “Do not be afraid; do not be discouraged. Be strong and courageous.”

Father, as we embark on another day of service to the people of our great state, we do so with thanks and admiration for Your many blessings. Today, we pray for wisdom as King Solomon did. The wisdom to discern truth and to apply it to our understanding of the things we will discuss here in the Missouri Senate. We pray for courage to do what’s right, no matter the political consequence. And we pray for strength. Both for those in service here and for our families back home across every corner of this state. May we serve today and every day with civility and humility. In Your name we pray — AMEN.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

CONCURRENT RESOLUTIONS

Senator Munzlinger submitted the following:

SENATE CONCURRENT RESOLUTION NO. 43

Whereas, Missouri statutes and regulations recognize that consumers of electricity benefit when electrical corporations can work in the financial markets and physical commodity markets to manage overall costs and price volatility through the established business practice of hedging; and

Whereas, the Missouri Public Service Commission has overseen electrical corporations serving Missouri for over a decade to ensure that fuels used to generate electricity are hedged appropriately and in consumers’ best interest; and

Whereas, due to numerous factors, including federal environmental policy shifts, consumer preferences for lower emission energy sources, and market dynamics, electric power generation is increasingly dependent on natural gas and will be for decades to come; and

Whereas, while natural gas commodity prices and futures estimates are relatively low today, market forces outside of Missouri and the United States could cause declines in natural gas supplies, increased global competition for natural gas supplies, and unpredictable price hikes, or extended periods of price volatility; and

Whereas, both financial investment strategies and ownership of natural gas fuel reserves are viable options for providing insurance against unexpended reductions in available natural gas supplies and unpredictable price rises and volatility:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-ninth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the Missouri Public Service Commission to reaffirm the state’s policy of encouraging electrical corporations to act in consumers’ best interests through prudent hedging of natural gas and other fuel inputs; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the Chair of the Public Service Commission and each electrical corporation regulated by the Public Service Commission.

Amend Senate Bill No. 708, Page 1, In the Title, Line 4, by inserting immediately after the word “date” the following: “for certain sections”; and

Further amend said bill, page 8, section 303.240, line 18, by inserting immediately after said line the following:

“379.110. As used in sections 379.110 to 379.120 the following words and terms mean:

(1) “Insurer”, any insurance company, association or exchange authorized to issue policies of automobile insurance in the state of Missouri;

(2) “Nonpayment of premium”, failure of the named insured to discharge when due any of his or her obligations in connection with the payment of premiums on a policy, or any installment of such premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit;

(3) “Policy”, an automobile policy providing automobile liability coverage, uninsured motorists coverage, automobile medical payments coverage, or automobile physical damage coverage insuring a private passenger automobile owned by an individual or partnership which has been in effect for more than sixty days or has been renewed. “Policy” does not mean:

(a) Any policy issued under an automobile assigned risk plan or automobile insurance plan;

(b) Any policy insuring more than four motor vehicles;

(c) Any policy covering the operation of a garage, automobile sales agency, repair shop, service station or public parking place;

(d) Any policy providing insurance only on an excess basis, or to any contract principally providing insurance to such named insured with respect to other than automobile hazards or losses even though such contract may incidentally provide insurance with respect to such motor vehicles;

(4) “Reduction in coverage”, a change made at renewal by the insurer to a policy form which is effective to all insureds with that policy form, which results in a removal of coverage, diminution in scope or less coverage, or the addition of an exclusion. Reduction in coverage does not include any change, reduction, or elimination of coverage made at the request of the insured. The correction of typographical or scrivener's errors or the application of mandated legislative changes is not a reduction in coverage. A reduction in coverage mandated by the insurer which does not apply to all insureds with the same policy form shall be treated as a nonrenewal.

(5) “Renewal” or “to renew”, the issuance and delivery by an insurer of a policy superseding at the end of the policy period a policy previously issued and delivered by the same insurer, [such renewal policy to

provide types and limits of coverage at least equal to those contained in the policy being superseded,] or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term [with types and limits of coverage at least equal to those contained in the policy being extended]; provided, however, that any policy with a policy period or term of less than six months or any period with no fixed expiration date shall for the purpose of this section be considered as if written for successive policy periods or terms of six months. Nothing in this subdivision shall be construed as superseding the provisions of subsection 9 of section 375.918, and the term “third anniversary date of the initial contract” as used in subsection 9 of section 375.918, means three years after the date of the initial contract.

379.118. 1. If any insurer proposes to cancel or to refuse to renew a policy of automobile insurance delivered or issued for delivery in this state except at the request of the named insured or for nonpayment of premium, it shall, on or before thirty days prior to the proposed effective date of the action, send written notice of its intended action to the named insured at his last known address. Notice shall be sent by United States Postal Service certificate of mailing, first class mail using Intelligent Mail barcode (IMb), or another mail tracking method used, approved, or accepted by the United States Postal Service. Where cancellation is for nonpayment of premium at least ten days' notice of cancellation shall be given and such notice shall contain the following notice or substantially similar in bold conspicuous type: “THIS POLICY IS CANCELLED EFFECTIVE AT THE DATE AND TIME INDICATED IN THIS NOTICE. THIS IS THE FINAL NOTICE OF CANCELLATION WE WILL SEND PRIOR TO THE EFFECTIVE DATE AND TIME OF CANCELLATION INDICATED IN THIS NOTICE.”. The notice shall state:

(1) The action taken;

(2) The effective date of the action;

(3) The insurer's actual reason for taking such action, the statement of reason to be sufficiently clear and specific so that a person of average intelligence can identify the basis for the insurer's decision without further inquiry. Generalized terms such as “personal habits”, “living conditions”, “poor morals”, or “violation or accident record” shall not suffice to meet the requirements of this subdivision;

(4) That the insured may be eligible for insurance through the assigned risk plan if his insurance is to be cancelled.

2. Issuance of a notice of cancellation under subsection 1 of this section constitutes a present and unequivocal act of cancellation of the policy.

3. An insurer may reinstate a policy cancelled under subsection 1 of this section at any time after the notice of cancellation is issued if the reason for the cancellation is remedied. An insurer may send communications to the insured, including but not limited to billing notices for past-due premium, offers to reinstate the policy if past-due premium is paid, notices confirming cancellation of the policy, or billing notices for payment of earned but unpaid premium. The fact that a policy may be so reinstated or any such communication may be made does not invalidate or void any cancellation effectuated under subsection 1 of this section or defeat the present and unequivocal nature of acts of cancellation as described under subsection 2 of this section.

4. (1) An insurer shall send an insured written notice of an automobile policy renewal at least fifteen days prior to the effective date of the new policy. The notice shall be sent by first class mail or may be sent electronically if requested by the policyholder, and shall contain the insured's name, the vehicle covered,

the total premium amount, and the effective date of the new policy. Any request for electronic delivery of renewal notices shall be designated on the application form signed by the applicant, made in writing by the policyholder, or made in accordance with sections 432.200 to 432.295. The insurer shall comply with any subsequent request by a policyholder to rescind authorization for electronic delivery and to elect to receive renewal notices by first class mail. Any delivery of a renewal notice by electronic means shall not constitute notice of cancellation of a policy even if such notice is included with the renewal notice.

(2) An insurer shall provide a written notice of a reduction in coverage to the named insured no less than fifteen days prior to the effective date of the proposed reduction in coverage or shall send such notice of reduction in coverage with the written notice of renewal described in subdivision (1) of this subsection. Written notice of a reduction in coverage may be satisfied by providing the named insured a copy of or access to the updated policy form or the policy form language that will be changed. The notice shall be sent by first class mail or may be sent electronically if agreed to or requested by the policyholder.

5. An insurer shall be exempt from the requirements of this section regarding notice of nonrenewal if:

(1) The insurer assigns or transfers the insured's policy to an affiliate or subsidiary within the same insurance holding company system;

(2) The assignment or transfer is effective upon the expiration of the existing policy; and

(3) Prior to providing coverage for a subsequent policy term, an insurer accepting an assignment or transfer of the policy shall provide notice of such assignment or transfer to the named insured.

However, if the assignment or transfer of a policy does not result in coverage substantially equivalent to the coverage that was contained in the policy being assigned or transferred, the insurer shall, in lieu of providing the notice in subdivision (3) of this subsection, at least fifteen days in advance of the effective date of the assignment or transfer, notify the policyholder that some coverage provisions will change due to the assignment or transfer, advise the policyholder to refer to the new policy for coverage details, and provide a copy of or access to the replacement policy form or the executed replacement policy.”; and

Further amend said bill and page, section B, line 1, by striking “Section A” and inserting in lieu thereof the following: “The repeal and reenactment of sections 105.1073, 303.020, 303.030, 303.120, 303.190, and 303.240 and the enactment of section 303.022”; and

Further amend the title and enacting clause accordingly.
