

Journal of the Senate

SECOND REGULAR SESSION

TWENTY-SIXTH DAY—MONDAY, FEBRUARY 19, 2018

The Senate met pursuant to adjournment.

President Parson in the Chair.

Reverend Carl Gauck offered the following prayer:

“We cannot forget history...we will be remembered for good or for ill...we cannot escape the burden nor responsibility.” (Abraham Lincoln)

Gracious God, on this Presidents’ Day we remember that You have called leaders to take us through difficult times and how they are remembered today. Help us be mindful of the history we are part of and the effect of the decisions we make and the things we do. Guide us as we vote on bills that will affect the future and how we will be remembered for our part in what they produce. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal for Thursday, February 15, 2018 was read and approved.

COMMUNICATIONS

Senator Chappelle-Nadal submitted the following:

February 19, 2018

Adriane Crouse, Secretary of the Senate
Missouri State Senate
State Capitol Building, Room 325
Jefferson City, MO 65101

Dear Secretary Crouse:

Pursuant to Senate Rule 45, please remove SB 660 from the Consent Calendar and return such to the Health and Pensions committee. While I take no issue with the underlying public policy of the legislation, I do take issue with the sponsor, who elected to interject herself into a public health matter situated wholly within my Senatorial District.

Specifically, the bill's sponsor, despite living 99.9 miles away from the radioactive West Lake Landfill, signed a letter, dated October 1, 2017, to the Environmental Protection Agency that stated, in part, that there is "no evidence of health risks to individuals living or working in the vicinity of the (West Lake) landfill." Further, the letter expressed opposition to properly remedying this public health disaster that has killed, is killing, and, unless properly alleviated, will continue to kill my constituents. For this reason, I choose to inject myself into this Senator's business, which includes the consent status of SB 660.

Sincerely,

MARIA CHAPPELLE-NADAL
State Senator, District 14
