

SENATE AMENDMENT NO. 1

Offered by Rizzo of Jackson (11)

Amend SS/HCS/House Bill No. 1088, Page 9, Section 34.047, Line 23

by inserting immediately after all of said line the following:

"37.007. Within six months of August 28, 2012, the commissioner of the office of administration shall develop and implement a statewide system or contract with any third party to allow all state agencies and departments to accept payments made by a credit card, debit card, or other electronic method designated by the commissioner. State agencies and departments shall not incur any additional fees for utilizing such payment methods, unless authorized by the commissioner of administration upon a finding that the payment of such fees would result in a positive fiscal impact to the state."; and

Further amend the title and enacting clause accordingly.
