(14) To fix, charge, and collect rents, fees, and charges for the use of the property of the land bank agency and for services provided by the land bank agency;

(15) To acquire property, whether by purchase, exchange, gift, lease, or otherwise, except not property not wholly located in the city that established the land bank agency; to grant or acquire licenses and easements; and to sell, lease, grant an option with respect to, or otherwise dispose of, any property of the land bank agency;

(16) To enter into partnerships, joint ventures, and other collaborative relationships with political subdivisions and other public and private entities for the ownership, management, development, and disposition of real property, except not for property not wholly located in the city that established the land bank agency; and

(17) Subject to the other provisions of this chapter and all other applicable laws, to do all other things necessary or convenient to achieve the objectives and purposes of the land bank agency or other laws that relate to the purposes and responsibility of the land bank agency.

**140.984. 1.** The income of a land bank agency shall be exempt from all taxation by the state and by any of its political subdivisions. Upon acquiring title to any real estate, a land bank agency shall immediately notify the county assessor and the county collector of such ownership, and such real estate shall be exempt from all taxation during the land bank agency's ownership thereof, in the same manner and to the same extent as any other publicly owned real estate. Upon the sale or other disposition of any real estate held by it, the land bank agency shall immediately notify the county assessor and the county collector of such change of ownership. However, that such tax exemption for improved and occupied real property held by the land bank agency as a lessor pursuant to a ground lease shall terminate upon the first occupancy, and the land bank agency shall immediately notify the county assessor and the county collector of such occupancy.

**2.** A land bank agency may acquire real property or interests in property by gift, devise, transfer, exchange, foreclosure, lease, purchase, or otherwise on terms and conditions and in a manner the land

bank agency considers proper.

**3. A land bank agency may acquire property by purchase contracts, lease purchase agreements, installment sales contracts, and land contracts and may accept transfers from political subdivisions upon such terms and conditions as agreed to by the land bank agency and the political subdivision. A land bank agency may bid on any parcel of real estate offered for sale, offered at a foreclosure sale under sections 140.220 to 140.250, or offered at a sale conducted under section 140.190, 140.240, or 140.250. Notwithstanding any other law to the contrary, any political subdivision may transfer to the land bank agency real property and interests in real property of the political subdivision on such terms and conditions and according to such procedures as determined by the political subdivision.**

**4. A land bank agency shall maintain all of its real property in accordance with the laws and ordinances of the jurisdictions in which the real property is located.**

**5. Upon issuance of a deed of a delinquent land tax auction under subsection 4 of section 140.250, subsection 5 of section 140.405, or other sale conducted under section 140.190, 140.240, or 140.250 of a parcel of real estate to a land bank agency, the land bank agency shall pay the amount of the land bank agency's bid that exceeds the amount of all tax bills included in the judgment, interest, penalties, attorney's fees, taxes, and costs then due thereon. If the real estate is acquired in a delinquent land tax auction, such excess shall be applied and distributed in accordance with section 140.230. Upon issuance of a deed, the county collector shall mark the tax bills included in the judgment as "cancelled by sale to the land bank" and shall take credit for the full amount of such tax bills, including principal amount, interest, penalties, attorney's fees, and costs, on his or her books and in his or her statements with any other taxing authorities.**

**6. A land bank shall not own real property unless the property is wholly located within the boundaries of the city that established the land bank agency.**

**140.985. 1. A land bank agency shall hold in its own name all real property acquired by such land bank agency irrespective of the identity of the transferor of such property.**

**2. A land bank agency shall maintain and make available for public review and inspection an inventory and history of all real property the land bank agency holds or formerly held. This inventory and history shall be available on the land bank agency's website and include at a minimum:**

- (1) Whether a parcel is available for sale;**
- (2) The address of the parcel if an address has been assigned;**
- (3) The parcel number if no address has been assigned;**
- (4) The year that a parcel entered the land bank agency's inventory;**
- (5) Whether a parcel has sold; and**
- (6) If a parcel has sold, the name of the person or entity to which it was sold.**

**3. The land bank agency shall determine and set forth in policies and procedures the general terms and conditions for consideration to be received by the land bank agency for the transfer of real property and interests in real property. Consideration may take the form of monetary payments and secured financial obligations, covenants, and conditions related to the present and future use of the**

property; contractual commitments of the transferee; and such other forms of consideration as the land bank agency determines to be in the best interest of its purpose.

4. A land bank agency may convey, exchange, sell, transfer, lease, grant, release and demise, pledge, and hypothecate any and all interests in, upon, or to property of the land bank agency. A land bank agency may gift any interest in, upon, or to property to the city that established the land bank agency.

5. A city may, in its resolution or ordinance creating a land bank agency, establish a hierarchical ranking of priorities for the use of real property conveyed by such land bank agency, subject to subsection 7 of this section, including, but not limited to:

- (1) Use for purely public spaces and places;
- (2) Use for affordable housing;
- (3) Use for retail, commercial, and industrial activities;
- (4) Use as wildlife conservation areas; and
- (5) Such other uses and in such hierarchical order as determined by such city.

If a city, in its resolution or ordinance creating a land bank agency, establishes priorities for the use of real property conveyed by the land bank agency, such priorities shall be consistent with and no more restrictive than municipal planning and zoning ordinances.

6. The land bank agency may delegate to officers and employees the authority to enter into and execute agreements, instruments of conveyance, and all other related documents pertaining to the conveyance of property by the land bank agency.

7. A land bank agency shall only accept written offers equal to or greater than the full amount of all tax bills, interest, penalties, attorney's fees, and costs on real property to purchase the real property held by the land bank agency.

8. When any parcel of real estate acquired by a land bank agency is sold or otherwise disposed of by such land bank agency, the proceeds therefrom shall be applied and distributed in the following order:

- (1) To the payment of the expenses of the sale;
- (2) To fulfill the requirements of the resolution, indenture, or other financing documents adopted or entered into in connection with bonds, notes, or other obligations of the land bank agency, to the extent that such requirements may apply with respect to such parcel of real estate;
- (3) To the balance to be retained by the land bank agency to pay the salaries and other expenses of such land bank agency and of its employees as provided for in its annual budget; and
- (4) Any funds in excess of those necessary to meet the expenses of the annual budget of the land bank agency in any fiscal year and a reasonable sum to carry over into the next fiscal year to assure that sufficient funds will be available to meet initial expenses for that next fiscal year, exclusive of net profit from the sale of ancillary parcels, shall be paid to the respective taxing authorities that, at the time of the distribution, are taxing the real property from which the proceeds are being distributed.

The distributions shall be in proportion to the amounts of the taxes levied on the properties by the taxing authorities. Distribution shall be made on January first and July first of each year, and at such other times as the land bank agency may determine.

9. When any ancillary parcel is sold or otherwise disposed of by such land bank agency, the proceeds therefrom shall be applied and distributed in the following order:

(1) To the payment of all land taxes and related charges then due on such parcel;

(2) To the payment of the expenses of sale;

(3) To fulfill the requirements of the resolution, indenture, or other financing documents adopted or entered into in connection with bonds, notes, or other obligations of the land bank agency, to the extent that such requirements may apply with respect to such parcel of real estate;

(4) To the balance to be retained by the land bank agency to pay the salaries and other expenses of such land bank agency and of its employees as provided for in its annual budget; and

(5) Any funds in excess of those necessary to meet the expenses of the annual budget of the land bank agency in any fiscal year and a reasonable sum to carry over into the next fiscal year to assure that sufficient funds will be available to meet initial expenses for that next fiscal year, shall be paid in accordance with subdivision (4) of subsection 8 of this section.

10. If a land bank agency owns more than five parcels of real property in a single city block and no written offer to purchase any of those properties has been submitted to the agency in the past twelve months, the land bank shall reduce its requested price for those properties and advertise the discount publicly.

140.986. 1. No later than two years from the date it acquired the property, a land bank agency shall either sell, put to a productive use, or show significant progress towards selling or putting to a productive use a parcel of real property. A productive use may be renting the property; demolishing all structures of the property; restoring property of historic value; or using the property for a community garden, park, or other open public space.

2. The governing body of the city may grant the land bank agency a one-year extension if the body believes unforeseen circumstances have delayed the sale or productive use of a parcel of property.

3. If a land bank agency owns a parcel of real property that does not have a productive use after two years, or does not receive an extension under subsection 2 of this section, the property shall be offered for public sale using the procedures under sections 140.170 to 140.190.

140.987. A land bank agency shall ensure that any contract for the sale of residential property owned by the land bank agency shall have a clause that the buyer shall own the property for three years following the buyer's purchase of the property from the land bank. The clause shall state that a violation of those terms makes the buyer civilly liable to the land bank agency for an amount equal to twice the sale price of the property.

140.988. 1. A land bank agency may receive funding through grants, gifts, and loans from political subdivisions, the state, the federal government, and other public and private sources.

2. Except as otherwise provided in subsections 8 and 9 of section 140.985, a land bank agency may

receive and retain payments for services rendered, for rents and leasehold payments received, for consideration for disposition of real and personal property, for proceeds of insurance coverage for losses incurred, for income from investments, and for any other asset and activity lawfully permitted to a land bank agency under the land bank act.

3. If a land bank agency sells or otherwise disposes of a parcel of real estate held by it, any land taxes assessed against such parcel for the three tax years following such sale or disposition by such land bank agency that are collected by the county collector in a calendar year and not refunded, less the fees provided under section 52.260 and subsection 4 of this section and less the amounts to be deducted under section 137.720, shall be distributed by the county collector to such land bank agency no later than March first of the following calendar year, provided that land taxes impounded under section 139.031 or otherwise paid under protest shall not be subject to distribution under this subsection. Any amount required to be distributed to a land bank agency under this subsection shall be subject to offset for amounts previously distributed to such land bank agency that were assessed, collected, or distributed in error.

4. In addition to any other provisions of law related to collection fees, the county collector shall collect on behalf of the county a fee of four percent of reserve period taxes collected and such fees collected shall be deposited in the county general fund.

140.991. 1. There shall be an annual audit of the affairs, accounts, expenses, and financial transactions of a land bank agency by a certified public accountant before April thirtieth of each year, which accountant shall be employed by the land bank agency on or before March first of each year. Certified copies of the audit shall be furnished to the city that established the land bank agency, and the city shall post the audit on its public website. Copies of the audit shall also be available for public inspection at the office of the land bank agency.

2. The land bank agency may be performance audited at any time by the state auditor or by the auditor of the city that established the land bank agency. The cost of such audit shall be paid by the land bank agency, and copies shall be made available to the public and posted on the land bank agency's website within thirty days of the completion of the audit.

140.997. Except as otherwise provided under state law, the land bank agency meetings shall cause minutes and a record to be kept of all its proceedings. The land bank agency shall be subject to the provisions of chapter 109, chapter 610, and any other applicable provisions of law governing public records and public meetings.

140.1000. 1. No employee of a land bank agency shall receive any compensation, emolument, or other profit directly or indirectly from the rental, management, acquisition, sale, demolition, repair, rehabilitation, use, operation, ownership, or disposition of any lands held by such land bank agency other than the salaries, expenses, and emoluments provided for in the land bank act.

2. No employee of a land bank agency shall own, directly or indirectly, any legal or equitable interest in or to any lands held by such land bank agency other than the salaries, expenses, and emoluments provided for in sections 140.980 to 140.1015.

3. A violation of this section is a felony. Any person found guilty of violating this section shall be sentenced to a term of imprisonment of no less than two years nor more than five years.

**4. The land bank agency may adopt supplemental rules and regulations addressing potential conflicts of interest and ethical guidelines for land bank agency employees, provided that such rules and regulations are not inconsistent with this chapter or any other applicable law.**

**140.1003. Except as otherwise expressly set forth in sections 140.980 to 140.1015, in the exercise of its powers and duties under the land bank act and its powers relating to property held by the land bank agency, the land bank agency shall have complete control of the property as fully and completely as if it were a private property owner.**

**140.1006. 1. If any ancillary parcel is acquired by a land bank agency and is encumbered by a lien or claim for real property taxes owed to a taxing authority, such taxing authority may elect to contribute to the land bank agency all or any portion of such taxes that are distributed to and received by such taxing authority.**

**2. To the extent that a land bank agency receives payments or credits of any kind attributable to liens or claims for real property taxes owed to a taxing authority, the land bank agency shall remit the full amount of the payments to the county collector for distribution to the appropriate taxing authority.**

**140.1009. 1. A land bank agency shall be authorized to file an action to quiet title under section 527.150 as to any real property in which the land bank agency has an interest. For purposes of any and all such actions, the land bank agency shall be deemed to be the holder of sufficient legal and equitable interests, and possessory rights, so as to qualify the land bank agency as an adequate petitioner in such action.**

**2. Prior to the filing of an action to quiet title, the land bank agency shall conduct an examination of title to determine the identity of any and all persons and entities possessing a claim or interest in or to the real property. Service of the petition to quiet title shall be provided to all such interested parties by the following methods:**

**(1) Registered or certified mail to such identity and address as reasonably ascertainable by an inspection of public records;**

**(2) In the case of occupied real property, by first class mail addressed to “Occupant”;**

**(3) By posting a copy of the notice on the real property;**

**(4) By publication in a newspaper of general circulation in the city in which the property is located; and**

**(5) Such other methods as the court may order.**

**3. As part of the petition to quiet title, the land bank agency shall file an affidavit identifying all parties potentially having an interest in the real property and the form of notice provided.**

**4. The court shall schedule a hearing on the petition within ninety days following filing of the petition, and, as to all matters upon which an answer was not filed by an interested party, the court shall issue its final judgment within one hundred twenty days of the filing of the petition.**

**5. A land bank agency shall be authorized to join in a single petition to quiet title one or more parcels of real property.**

**140.1012. 1. A land bank agency may be dissolved as a public body corporate and politic no sooner than sixty calendar days after an ordinance or resolution for such dissolution is passed by the city that established the land bank agency.**

**2. No less than sixty calendar days' advance written notice of consideration of such an ordinance or resolution of dissolution shall be given to the land bank agency, shall be published in a local newspaper of general circulation within such city, and shall be sent certified mail to each trustee of any outstanding bonds of the land bank agency.**

**3. No land bank agency shall be dissolved while there remains any outstanding bonds, notes, or other obligations of the land bank agency unless such bonds, notes, or other obligations are paid or defeased pursuant to the resolution, indenture, or other financing document under which such bonds, notes, or other obligations were issued prior to or simultaneously with such dissolution.**

**4. Upon dissolution of a land bank agency pursuant to this section, all real property, personal property, and other assets of the land bank agency shall be transferred by appropriate written instrument to and shall become the assets of the city that established the land bank agency. Such city shall act expeditiously to return such real property to the tax rolls and shall market and sell such real property using an open, public method that ensures the best possible prices are realized while ensuring such real property is returned to a suitable, productive use for the betterment of the neighborhood in which such real property is located. Any such real property that was acquired by the dissolved land bank agency pursuant to a sale conducted under section 140.190, 140.240, or 140.250 shall be held by the city in trust for the tax bill owners and taxing authorities having an interest in any tax liens which were foreclosed, as their interests may appear in the judgment of foreclosure, and, upon the sale or other disposition of any such property by such city, the proceeds therefrom shall be applied and distributed in the following order:**

**(1) To the payment of the expenses of sale;**

**(2) To the reasonable costs incurred by such city in maintaining and marketing such property; and**

**(3) The balance shall be paid to the respective taxing authorities that, at the time of the distribution, are taxing the real property from which the proceeds are being distributed.**

**140.1015. A land bank agency shall neither possess nor exercise the power of eminent domain. A land bank agency shall not have the power to tax.**

347.048. 1. (1) Any limited liability company that owns and rents or leases real property, or owns unoccupied real property, located within:

2. No limited liability company shall be charged a fee for filing an affidavit or successor affidavit required under this section.

3.
