Whenever a lobbyist principal employs more than one lobbyist, expenditures of the lobbyist principal shall not be reported by each lobbyist, but shall be reported by one of such lobbyists. No expenditure shall be made on behalf of a state senator or state representative, or such public official's staff, employees, spouse, or dependent children for travel or lodging outside the state of Missouri unless such travel or lodging was approved prior to the date of the expenditure by the administration and accounts committee of the house or the administration committee of the senate.

10. Any public official or other person whose name appears in any lobbyist report filed pursuant to this section who contests the accuracy of the portion of the report applicable to such person may petition the commission for an audit of such report and shall state in writing in such petition the specific disagreement with the contents of such report. The commission shall investigate such allegations in the manner described in section 105.959. If the commission determines that the contents of such report are incorrect, incomplete or erroneous, it shall enter an order requiring filing of an amended or corrected report.

11. The commission shall provide a report listing the total spent by a lobbyist for the month and year to any member or

member-elect of the general assembly, judge or judicial officer, or any other person holding an elective office of state government or any elected local government official on or before the twentieth day of each month. For the purpose of providing accurate information to the public, the commission shall not publish information in either written or electronic form for ten working days after providing the report pursuant to this subsection. The commission shall not release any portion of the lobbyist report if the accuracy of the report has been questioned pursuant to subsection 10 of this section unless it is conspicuously marked "Under Review".

12.
