112 of the election authority.

115.157. 1. The election authority may place all information on any
2 registration cards in computerized form in accordance with section 115.158. No
3 election authority or secretary of state shall furnish to any member of the public
4 electronic media or printout showing any registration information, except as
5 provided in this section. Except as provided in subsection 2 of this section, the
6 election authority or secretary of state shall make available electronic media or

30 2. All election authorities shall enter voter history in their computerized
31 registration systems and shall, not more than six months after the election,
32 forward such data to the Missouri voter registration system established in section
33 115.158. In addition, election authorities shall forward registration and other

34 data in a manner prescribed by the secretary of state to comply with the Help
35 America Vote Act of 2002.

36 3. Except as provided in subsection 6 of this section, the election authority
37 shall furnish, for a fee, electronic media or a printout showing the names, dates
38 of birth [and], addresses, **and political party affiliations** of voters, or any part
39 thereof, within the jurisdiction of the election authority who voted in any specific
40 election, including primary elections, by township, ward or precinct, provided that
41 nothing in this chapter shall require such voter information to be released to the
42 public over the internet.

43 4. Except as provided in subsection 6 of this section, upon a request by a
44 candidate, a duly authorized representative of a campaign committee, or a
45 political party committee, the secretary of state shall furnish, for a fee determined
46 by the secretary of state and in compliance with section 610.026, media in an
47 electronic format or, if so requested, in a printed format, showing the names,
48 addresses, [and] voter identification numbers, **and political party affiliations**
49 of voters within the jurisdiction of a specific election authority who applied for an
50 absentee ballot under section 115.279 for any specific election involving a ballot
51 measure or an office for which the declaration of candidacy is required to be filed
52 with the secretary of state pursuant to section 115.353, including primary
53 elections, by township, ward, or precinct. Nothing in this section shall require
54 such voter information to be released to the public over the internet. For
55 purposes of this section, the terms "candidate", "campaign committee", and
56 "political party committee" shall have the same meaning given to such terms in
57 section 130.011.

58 5. The amount of fees charged for information provided in this section
59 shall be established pursuant to chapter 610. All revenues collected by the
60 secretary of state pursuant to this section shall be deposited in the state treasury
61 and credited to the secretary of state's technology trust fund account established
62 pursuant to section 28.160. In even-numbered years, each election authority
63 shall, upon request, supply the voter registration list for its jurisdiction to all
64 candidates and party committees for a charge established pursuant to chapter
65 610. Except as provided in subsection 6 of this section, all election authorities
66 shall make the information described in this section available pursuant to chapter
67 610. Any election authority who fails to comply with the requirements of this
68 section shall be subject to the provisions of chapter 610.

69 6. Any person working as an undercover officer of a local, state or federal

70 law enforcement agency, persons in witness protection programs, and victims of
71 domestic violence and abuse who have received orders of protection pursuant to
72 chapter 455 shall be entitled to apply to the circuit court having jurisdiction in
73 his or her county of residence to have the residential address on his or her voter
74 registration records closed to the public if the release of such information could
75 endanger the safety of the person. Any person working as an undercover agent
76 or in a witness protection program shall also submit a statement from the chief
77 executive officer of the agency under whose direction he or she is serving. The
78 petition to close the residential address shall be incorporated into any petition for
79 protective order provided by circuit clerks pursuant to chapter 455. If satisfied
80 that the person filing the petition meets the qualifications of this subsection, the
81 circuit court shall issue an order to the election authority to keep the residential
82 address of the voter a closed record and the address may be used only for the
83 purposes of administering elections pursuant to this chapter. The election
84 authority may require the voter who has a closed residential address record to
85 verify that his or her residential address has not changed or to file a change of
86 address and to affirm that the reasons contained in the original petition are still
87 accurate prior to receiving a ballot. A change of address within an election
88 authority's jurisdiction shall not require that the voter file a new petition. Any
89 voter who no longer qualifies pursuant to this subsection to have his or her
90 residential address as a closed record shall notify the circuit court. Upon such
91 notification, the circuit court shall void the order closing the residential address
92 and so notify the election authority.

115.163. 1. Each election authority shall use the Missouri voter
2 registration system established by section 115.158 to prepare a list of legally
3 registered voters for each precinct. The list shall be arranged alphabetically or
4 by street address as the election authority determines and shall be known as the
5 precinct register. The precinct registers shall be kept by the election authority
6 in a secure place, except when given to election judges for use at an
7 election. Except as provided in subsection 6 of section 115.157, all registration
8 records shall be open to inspection by the public at all reasonable times.

9 2. A new precinct register shall be prepared by the election authority prior
10 to each election.

11 3. **(1)** The election authority shall send to each voter, except those who
12 registered by mail and have not voted, a voter identification card no later than
13 ninety days prior to the date of a primary or general election for federal office,

14 unless the voter has received such a card during the preceding six months. The
15 election authority shall send to each voter who registered by mail and has not
16 voted the verification notice required under section 115.155 no later than ninety
17 days prior to the date of a primary or general election for federal office.

18 **(2)** The voter identification card shall contain the voter's name, address,
19 [and] precinct, **and political party affiliation or unaffiliation**. The card
20 also shall inform the voter of the personal identification requirement in section
21 115.427 and may also contain other voting information at the discretion of the
22 election authority.

23 **(3)** The voter identification card shall be sent to a voter, except those who
24 registered by mail and have not voted, after a new registration or a change of
25 address. If any voter, except those who registered by mail and have not voted,
26 shall lose his **or her** voter identification card **or change political party**
27 **affiliation**, he **or she** may request a new [one] **card** from the election authority.

28 **(4)** The voter identification card authorized pursuant to this section may
29 be used as a canvass of voters in lieu of the provisions set out in sections 115.179
30 to 115.193.

31 **(5)** Except as provided in subsection 2 of section 115.157, anyone, upon
32 request and payment of a reasonable fee, may obtain a printout, list and/or
33 computer tape of those newly registered voters or voters deleted from the voting
34 rolls, since the last canvass or updating of the rolls.

35 **(6)** The election authority may authorize the use of the postal service
36 contractors under the federal National Change of Address program to identify
37 those voters whose address is not correct on the voter registration records. The
38 election authority shall not be required to mail a voter registration card to those
39 voters whose addresses are incorrect. Confirmation notices to such voters
40 required by section 115.193 shall be sent to the corrected address provided by the
41 National Change of Address program.

115.168. 1. **(1)** If a registered voter chooses to change his or her
2 **political party affiliation**, the voter may notify the election authority
3 **of such change at any time, except in even-numbered years during the**
4 **period from the last Tuesday in February through the first Tuesday**
5 **following the first Monday in August during which time a registered**
6 **voter may not change his or her political party affiliation. Any change**
7 **of political party affiliation shall be made by signed, written notice in**
8 **substantially the same manner as a change of address application is**

9 filed pursuant to section 115.165.

10 (2) For purposes of this subsection, the phrase "change his or her
11 political party affiliation" shall mean changing affiliation from one
12 established political party to another established political party,
13 changing from affiliation with an established political party to
14 unaffiliated, or changing from unaffiliated to an established political
15 party.

16 2. Any person who was not previously registered to vote in this
17 state and who submits a voter registration application in an even-
18 numbered year between the last Tuesday in February and 5 p.m. on the
19 fourth Wednesday prior to the primary election may choose a political
20 party affiliation or unaffiliation and may vote in the primary election.

115.225. 1. Before use by election authorities in this state, the secretary
2 of state shall approve the marking devices and the automatic tabulating
3 equipment used in electronic voting systems and may promulgate rules and
4 regulations to implement the intent of sections 115.225 to 115.235.

5 2. No electronic voting system shall be approved unless it:

6 (1) Permits voting in absolute secrecy;

7 (2) Permits each voter to vote for as many candidates for each office as a
8 voter is lawfully entitled to vote for;

9 (3) Permits each voter to vote for or against as many questions as a voter
10 is lawfully entitled to vote on, and no more;

11 (4) Provides facilities for each voter to cast as many write-in votes for
12 each office as a voter is lawfully entitled to cast;

24 (10) Has been tested and is certified by an independent authority that

25 meets the voting system standards developed by the Federal Election Commission
26 or its successor agency. The provisions of this subdivision shall not be required
27 for any system purchased prior to August 28, 2002.

28 3. The secretary of state shall promulgate rules and regulations to allow
29 the use of a computerized voting system. The procedures shall provide for the use
30 of a computerized voting system with the ability to provide a paper audit
31 trail. Notwithstanding any provisions of this chapter to the contrary, such a
32 system may allow for the storage of processed ballot materials in an electronic
33 form.

34 4. Any rule or portion of a rule, as that term is defined in section 536.010,
35 that is created under the authority delegated in this section shall become effective
36 only if it complies with and is subject to all of the provisions of chapter 536 and,
37 if applicable, section 536.028. This section and chapter 536 are nonseverable and
38 if any of the powers vested with the general assembly pursuant to chapter 536 to
39 review, to delay the effective date or to disapprove and annul a rule are
40 subsequently held unconstitutional, then the grant of rulemaking authority and
41 any rule proposed or adopted after August 28, 2002, shall be invalid and void.

115.249. No voting machine shall be used unless it:

12 each candidate and for and against each question;
- 13 (7) Is provided with a lock or locks which prevent any movement of the
14 voting or registering mechanism and any tampering with the mechanism;
- 15 (8) Is provided with a protective counter or other device whereby any
16 operation of the machine before or after an election will be detected;
- 17 (9) Is provided with a counter which shows at all times during the election
18 how many people have voted on the machine;
- 19 (10) Is provided with a proper light which enables each voter, while

115.279. 1. Application for an absentee ballot may be made by the
2 applicant in person, or by mail, or for the applicant, in person, by his or her
3 guardian or a relative within the second degree by consanguinity or affinity. The
4 election authority shall accept applications by facsimile transmission and by
5 electronic mail within the limits of its telecommunications capacity.

6 2. Each application shall be made to the election authority of the
7 jurisdiction in which the person is or would be registered. Each application shall
8 be in writing and shall state the applicant's name, address at which he or she is
9 or would be registered, his or her reason for voting an absentee ballot, the
10 address to which the ballot is to be mailed, if mailing is requested, and for absent
11 uniformed services and overseas applicants, the applicant's email address if
12 electronic transmission is requested. If the reason for the applicant voting
13 absentee is due to the reasons established under subdivision (6) of subsection 1
14 of section 115.277, the applicant shall state the voter's identification information
15 provided by the address confidentiality program in lieu of the applicant's name,
16 address at which he or she is or would be registered, and address to which the
17 ballot is to be mailed, if mailing is requested. [Each application to vote in a
18 primary election shall also state which ballot the applicant wishes to receive. If
19 any application fails to designate a ballot, the election authority shall, within
20 three working days after receiving the application, notify the applicant by mail
21 that it will be unable to deliver an absentee ballot until the applicant designates
22 which political party ballot he or she wishes to receive. If the applicant does not
23 respond to the request for political party designation, the election authority is
24 authorized to provide the voter with that part of the ballot for which no political
25 party designation is required.]

26 3. Except as provided in subsection 3 of section 115.281, all applications
27 for absentee ballots received prior to the sixth Tuesday before an election shall
28 be stored at the office of the election authority until such time as the applications
29 are processed in accordance with section 115.281. No application for an absentee
30 ballot received in the office of the election authority by mail, by facsimile
31 transmission, by electronic mail, or by a guardian or relative after 5:00 p.m. on
32 the second Wednesday immediately prior to the election shall be accepted by any
33 election authority. No application for an absentee ballot submitted by the
34 applicant in person after 5:00 p.m. on the day before the election shall be
35 accepted by any election authority, except as provided in subsections 6, 8 and 9

36 of this section.

37 4. Each application for an absentee ballot shall be signed by the applicant
38 or, if the application is made by a guardian or relative pursuant to this section,
39 the application shall be signed by the guardian or relative, who shall note on the
40 application his or her relationship to the applicant. If an applicant, guardian or
41 relative is blind, unable to read or write the English language or physically
42 incapable of signing the application, he or she shall sign by mark, witnessed by
43 the signature of an election official or person of his or her own choosing. Any
44 person who knowingly makes, delivers or mails a fraudulent absentee ballot
45 application shall be guilty of a class one election offense.

46 5. (1) Notwithstanding any law to the contrary, any resident of the state
47 of Missouri who resides outside the boundaries of the United States or who is on
48 active duty with the Armed Forces of the United States or members of their
49 immediate family living with them may request an absentee ballot for both the
50 primary and subsequent general election with one application.

51 (2) The election authority shall provide each absent uniformed services
52 voter and each overseas voter who submits a voter registration application or an
53 absentee ballot request, if the election authority rejects the application or request,
54 with the reasons for the rejection.

55 (3) Notwithstanding any other law to the contrary, if a standard oath
56 regarding material misstatements of fact is adopted for uniformed and overseas
57 voters pursuant to the Help America Vote Act of 2002, the election authority shall
58 accept such oath for voter registration, absentee ballot, or other election-related
59 materials.

60 (4) Not later than sixty days after the date of each regularly scheduled
61 general election for federal office, each election authority which administered the
62 election shall submit to the secretary of state in a format prescribed by the
63 secretary a report on the combined number of absentee ballots transmitted to,
64 and returned by, absent uniformed services voters and overseas voters for the
65 election. The secretary shall submit to the Election Assistance Commission a
66 combined report of such information not later than ninety days after the date of
67 each regularly scheduled general election for federal office and in a standardized
68 format developed by the commission pursuant to the Help America Vote Act of
69 2002. The secretary shall make the report available to the general public.

70 (5) As used in this section, the terms "absent uniformed services voter"
71 and "overseas voter" shall have the meaning prescribed in 52 U.S.C. Section

72 20310.

73 6. An application for an absentee ballot by a new resident shall be
74 submitted in person by the applicant in the office of the election authority in the
75 election jurisdiction in which such applicant resides. The application shall be
76 received by the election authority no later than 7:00 p.m. on the day of the
77 election. Such application shall be in the form of an affidavit, executed in
78 duplicate in the presence of the election authority or any authorized officer of the
79 election authority, and in substantially the following form:

33 (2) If the person nominated as the party candidate is disqualified at or
34 before 5:00 p.m. on the tenth Tuesday prior to the general election;

35 (3) If the person nominated as the party candidate shall withdraw at or
36 before 5:00 p.m. on whatever day may be fixed by law as the final date for
37 withdrawing as a candidate for the office;

38 (4) If a candidate for nomination to an office in which the person is the

44 at or before 5:00 p.m. on the tenth Tuesday prior to the general election, is
45 disqualified at or before 5:00 p.m. on the tenth Tuesday prior to the general
46 election, or shall withdraw at or before 5:00 p.m. on whatever day may be fixed

50 5. A party nominating committee may select a party candidate for election

58 the office shall be as provided for in sections 115.307 to 115.359.

59 **6. Any party candidate selected by a party nominating committee**
60 **pursuant to this section shall be affiliated with the political party of**

62 **than six months prior to the date of the selection.**

115.395. 1. At each primary election, there shall be as many separate
2 ballots as there are **established political** parties entitled to participate in the
3 election. **Additionally, there shall be a separate ballot for unaffiliated**
4 **voters which shall contain only ballot measures and nonpartisan**
5 **candidates submitted by political subdivisions and special districts.**

6 2. The names of the candidates for each office on each party ballot shall
7 be listed in the order in which they are filed, except that, in the case of
8 candidates who file a declaration of candidacy with the secretary of state prior to
9 5:00 p.m. on the first day for filing, the secretary of state shall determine by
10 random drawing the order in which such candidates' names shall appear on the
11 ballot. The drawing shall be conducted so that each candidate, or candidate's
12 representative if the candidate filed under subsection 2 of section 115.355, may
13 draw a number at random at the time of filing. The secretary of state shall
14 record the number drawn with the candidate's declaration of candidacy. The

16 ballot shall be listed in ascending order of the numbers so drawn. For the
17 purposes of this subsection, the election authority responsible for oversight of the
18 filing of candidates, other than candidates that file with the secretary of state,
19 shall clearly designate where candidates, or a candidate's representative if the
20 candidate filed under subsection 2 of section 115.355, shall form a line to
21 effectuate such filings and determine the order of such filings; except that, in the
22 case of candidates who file a declaration of candidacy with the election authority
23 prior to 5:00 p.m. on the first day for filing, the election authority may determine
24 by random drawing the order in which such candidates' names shall appear on
25 the ballot. If a drawing is conducted pursuant to this subsection, it shall be
26 conducted so that each candidate, or candidate's representative if the candidate
27 filed under subsection 2 of section 115.355, may draw a number at random at the
28 time of filing. If such drawing is conducted, the election authority shall record
29 the number drawn with the candidate's declaration of candidacy. If such drawing
30 is conducted, the names of candidates filing on the first day for filing for each
31 office on each party ballot shall be listed in ascending order of the numbers so
32 drawn.

33 3. Insofar as applicable, the provisions of sections 115.237 and 115.245

35 information may be placed in vertical or horizontal rows, no circle shall appear
36 under any party name and no write-in lines shall appear under the name of any

37 office for which a candidate is to be nominated at the primary. At a primary

39 office at the primary.

115.397. 1. In each primary election, each voter shall be entitled to
2 receive the ballot of [one and only one] **the established** political party[,
3 designated by the voter before receiving his ballot] **with which such voter is**

5 process of voting, international observers who have registered as such with the
6 election authority, persons designated by the election authority to administer a
7 simulated youth election for persons ineligible to vote because of their age,
8 members of the news media who present identification satisfactory to the election
9 judges and who are present only for the purpose of bona fide news coverage
10 except as provided in subdivision (18) of section 115.637, provided that such
11 coverage does not disclose how any voter cast the voter's ballot on any question
12 or candidate [or in the case of a primary election on which party ballot they
13 voted] or does not interfere with the general conduct of the election as determined
14 by the election judges or election authority, and registered voters who are eligible
15 to vote at the polling place, no person shall be admitted to a polling place.

115.429. 1. The election judges shall not permit any person to vote unless
2 satisfied that such person is the person whose name appears on the precinct
3 register.

4 2. The identity or qualifications of any person offering to vote may be
5 challenged by any election authority personnel, any registered voter, or any duly
6 authorized challenger at the polling place. No person whose right to vote is

7 challenged shall receive a ballot until his or her identity and qualifications have
8 been established.

9 3. Any question of doubt concerning the identity or qualifications of a
10 voter shall be decided by a majority of the judges from the major political parties.
11 If such election judges decide not to permit a person to vote because of doubt as
12 to his or her identity or qualifications, the person may apply to the election
13 authority as provided in section 115.193 or file a complaint with the elections
14 division of the secretary of state's office under and pursuant to section 115.219.

15 4. If the election judges cannot reach a decision on the identity or
16 qualifications of any person, the question shall be decided by the election
17 authority.

18 5. The election judges or the election authority may require any person
19 whose right to vote is challenged to execute an affidavit affirming his or her
20 qualifications. The election authority shall furnish to the election judges a
21 sufficient number of blank affidavits of qualification, and the election judges shall
22 enter any appropriate information or comments under the title "Remarks" which
23 shall appear at the bottom of the affidavit. All executed affidavits of qualification
24 shall be returned to the election authority with the other election supplies. Any
25 person who makes a false affidavit of qualification shall be guilty of a class one
26 election offense.

27 **6. In the case of any primary election, the election judges shall**
28 **determine whether the voter's political party affiliation is the same as**
29 **the political party holding the primary election.**

115.770. The conduct of the presidential preference primary election and
2 the count and canvass of the votes cast therein shall conform as nearly as is
3 practicable to that prescribed for the conduct of the primary election for state
4 officers. All primary election laws not inconsistent with the provisions of sections
5 115.750 to 115.785 shall be applicable to the conduct of this election, and the form
6 of the ballot insofar as is practicable shall be substantially as that prescribed by
7 section 115.395. In a presidential preference primary, each voter shall be entitled
8 to receive **only** the ballot of [one and only one established political party,
9 designated by the voter before receiving such voter's ballot] **the political party**
