2. As used in sections 34.400 to 34.420, the following terms shall mean:

(1) "Contract", any agreement for the purchase of supplies or services, or the sale or lease of any real property, for consideration in excess of five thousand dollars per transaction or per annum;

(2) "Political organization", any not-for-profit organization that qualifies for tax exempt status under Section 501(c)(4) of the United States Internal Revenue Code of 1986, as amended, but shall not include any committee or other organization that is required to file a report of contributions and expenditures with the Missouri ethics commission;

(3) "Public agency", the state of Missouri, its departments, agencies, boards, commissions, and institutions, and any political subdivisions, districts, or entities authorized by law to enter into contracts paid for by public funds; and

(4) "Substantial interest", more than ten percent ownership in a specified entity by a person, the person's spouse, or the person's dependent children.

34.410. 1. Any person, corporation, association, firm, partnership, proprietorship, or business entity of any kind or character

3 entering into a contract with a public agency shall disclose any
4 payments made to a political organization.

5 2. Any person with a substantial interest in a corporation,
6 association, firm, partnership, proprietorship, or business entity of any
