## AN ACT

To repeal section 193.075, RSMo, and to enact in lieu thereof two new sections relating to child protection.

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Section 193.075, RSMo, is repealed and two new sections  
2 enacted in lieu thereof, to be known as sections 193.075 and 210.156, to read as  
3 follows:

193.075. 1. The forms of certificates and reports required by sections  
2 193.005 to 193.325 or by regulations adopted hereunder shall include as a  
3 minimum the items recommended by the federal agency responsible for national  
4 vital statistics.

5 2. Each certificate, report, and other document required by sections  
6 193.005 to 193.325 shall be on a form or in a format prescribed by the state  
7 registrar.

8 3. All vital records shall contain the date received for registration.

9 4. Information required in certificates or reports authorized by sections  
10 193.005 to 193.325 may be filed and registered by photographic, electronic, or  
11 other means as prescribed by the state registrar.

12 5. In addition to other personal data required by the registrar to be  
13 entered on a birth certificate, each parent shall furnish to the registrar the Social  
14 Security account number, or numbers if applicable, issued to the parent unless  
15 the registrar finds good cause for not requiring the furnishing of such number or  
16 numbers. Good cause shall be determined in accordance with regulations  
17 established by the Secretary of the United States Department of Health and  
18 Human Services. The registrar shall make numbers furnished under this section  
19 available to the family support division **and the children's division** of the

20 department of social services. Such numbers shall not be recorded on the birth  
21 certificate. The family support division shall not use any Social Security number  
22 furnished under the section for any purpose other than for the establishment and  
23 enforcement of child support obligations, and the confidentiality provisions and  
24 penalties contained in section 454.440 shall apply. Nothing in this section shall  
25 be construed to prohibit the department of health and senior services from using  
26 Social Security numbers for statistical purposes.

**210.156. 1. The children's division shall make available to the  
2 state registrar of vital statistics a list of the names and Social Security  
3 numbers of individuals whose parental rights have been terminated  
4 under section 211.447. The state registrar shall, on a monthly basis,  
5 provide to the division the birth record information of children born  
6 to individuals whose identifying information has been provided under  
7 this section. The division shall verify that the parent of the child is the  
8 same individual whose parental rights were previously terminated and,  
9 if the parent's identity has been verified, shall provide the appropriate  
10 local office with information regarding the birth of the  
11 child. Appropriate local division personnel shall initiate contact with  
12 the family, or make a good faith effort to do so, to determine if the  
13 parent or family has a need for services and provide such voluntary  
14 and time-limited services as appropriate. The division shall document  
15 the results of such contact and services provided, if any, in the central  
16 registry.**

**17 2. The division may promulgate rules and regulations to  
18 implement the provisions of this section. Any rule or portion of a rule,  
19 as that term is defined in section 536.010 that is created under the  
20 authority delegated in this section shall become effective only if it  
21 complies with and is subject to all of the provisions of chapter 536, and,  
22 if applicable, section 536.028. This section and chapter 536 are  
23 nonseverable and if any of the powers vested with the general assembly  
24 pursuant to chapter 536, to review, to delay the effective date, or to  
25 disapprove and annul a rule are subsequently held unconstitutional,  
26 then the grant of rulemaking authority and any rule proposed or  
27 adopted after August 28, 2019, shall be invalid and void.**
