18 Diagnostic and Statistical Manual of Mental Disorders of the American19 Psychiatric Association;

20 (4) "Developmental or physical disability", a severe chronic 21 disability that:

(a) Is attributable to cerebral palsy, epilepsy, or any other
condition other than mental illness or autism spectrum disorder which
results in impairment of general intellectual functioning or adaptive
behavior and requires treatment or services;

26 (b) Manifests before the individual reaches age nineteen;

27 (c) Is likely to continue indefinitely; and

(d) Results in substantial functional limitations in three or more
of the following areas of major life activities:

30 a. Self-care;

31 **b. Understanding and use of language;**

32 c. Learning;

33 d. Mobility;

34 e. Self-direction; or

35 f. Capacity for independent living;

36 (5) "Diagnosis [of autism spectrum disorders]", medically necessary
37 assessments, evaluations, or tests in order to diagnose whether an individual has
38 an autism spectrum disorder or a developmental or physical disability;

[(5)] (6) "Habilitative or rehabilitative care", professional, counseling,
and guidance services and treatment programs, including applied behavior
analysis for those diagnosed with autism spectrum disorder, that are
necessary to develop the functioning of an individual;

43 [(6)] (7) "Health benefit plan", shall have the same meaning ascribed to 44 it as in section 376.1350;

45 [(7)] (8) "Health carrier", shall have the same meaning ascribed to it as 46 in section 376.1350;

[(8)] (9) "Line therapist", an individual who provides supervision of an individual diagnosed with an autism diagnosis and other neurodevelopmental disorders pursuant to the prescribed treatment plan, and implements specific behavioral interventions as outlined in the behavior plan under the direct supervision of a licensed behavior analyst;

52 [(9)] (10) "Pharmacy care", medications used to address symptoms of an 53 autism spectrum disorder or a developmental or physical disability 3

54 prescribed by a licensed physician, and any health-related services deemed 55 medically necessary to determine the need or effectiveness of the medications only 56 to the extent that such medications are included in the insured's health benefit 57 plan;

58 [(10)] (11) "Psychiatric care", direct or consultative services provided by 59 a psychiatrist licensed in the state in which the psychiatrist practices;

60 [(11)] (12) "Psychological care", direct or consultative services provided 61 by a psychologist licensed in the state in which the psychologist practices;

62 [(12)] (13) "Therapeutic care", services provided by licensed speech
63 therapists, occupational therapists, or physical therapists;

64 [(13)] (14) "Treatment [for autism spectrum disorders]", care prescribed 65 or ordered for an individual diagnosed with an autism spectrum disorder by a 66 licensed physician or licensed psychologist, or for an individual diagnosed 67 with a developmental or physical disability by a licensed physician or 68 licensed psychologist, including equipment medically necessary for such care, 69 pursuant to the powers granted under such licensed physician's or licensed 70 psychologist's license, including, but not limited to:

71 (a) Psychiatric care;

72 (b) Psychological care;

73

3 (c) Habilitative or rehabilitative care, including applied behavior analysis

74 therapy for those diagnosed with autism spectrum disorder;

75 (d) Therapeutic care;

76 (e) Pharmacy care.

772. Except as otherwise provided in subsection 12 of this section, all [group] health benefit plans that are delivered, issued for delivery, continued, 78 or renewed on or after January 1, [2011] 2020, if written inside the state of 7980 Missouri, or written outside the state of Missouri but insuring Missouri residents, shall provide coverage for the diagnosis and treatment of autism spectrum 81 disorders and for the diagnosis and treatment of developmental and 82 **physical disabilities** to the extent that such diagnosis and treatment is not 83 already covered by the health benefit plan. 84

3. With regards to a health benefit plan, a health carrier shall not deny or refuse to issue coverage on, refuse to contract with, or refuse to renew or refuse to reissue or otherwise terminate or restrict coverage on an individual or their dependent because the individual is diagnosed with autism spectrum disorder or **developmental or physical disabilities**. 90 4. (1) Coverage provided under this section for autism spectrum 91 disorder or developmental or physical disabilities is limited to medically 92 necessary treatment that is ordered by the insured's treating licensed physician 93 or licensed psychologist, pursuant to the powers granted under such licensed 94 physician's or licensed psychologist's license, in accordance with a treatment plan.

(2) The treatment plan, upon request by the health benefit plan or health
carrier, shall include all elements necessary for the health benefit plan or health
carrier to pay claims. Such elements include, but are not limited to, a diagnosis,
proposed treatment by type, frequency and duration of treatment, and goals.

99 (3) Except for inpatient services, if an individual is receiving treatment 100 for an autism spectrum disorder or developmental or physical disability, a 101 health carrier shall have the right to review the treatment plan not more than 102once every six months unless the health carrier and the individual's treating 103 physician or psychologist agree that a more frequent review is necessary. Any 104 such agreement regarding the right to review a treatment plan more frequently shall only apply to a particular individual [being treated for an autism spectrum 105106 disorder] receiving applied behavior analysis and shall not apply to all individuals [being treated for autism spectrum disorders by a] receiving 107 applied behavior analysis from that autism service provider, physician, 108 109 or psychologist. The cost of obtaining any review or treatment plan shall be 110 borne by the health benefit plan or health carrier, as applicable.

111 5. (1) Coverage provided under this section for applied behavior analysis 112shall be subject to a maximum benefit of forty thousand dollars per calendar year for individuals through eighteen years of age. Such maximum benefit limit may 113114 be exceeded, upon prior approval by the health benefit plan, if the provision of applied behavior analysis services beyond the maximum limit is medically 115necessary for such individual. Payments made by a health carrier on behalf of 116 a covered individual for any care, treatment, intervention, service or item, the 117provision of which was for the treatment of a health condition unrelated to the 118 119 covered individual's autism spectrum disorder, shall not be applied toward any maximum benefit established under this subsection. Any coverage required 120121under this section, other than the coverage for applied behavior analysis, shall 122not be subject to the age and dollar limitations described in this subsection.

123 [6.] (2) The maximum benefit limitation for applied behavior analysis 124 described in [subsection 5] subdivision (1) of this [section] subsection shall 125 be adjusted by the health carrier at least triennially for inflation to reflect the

4

126aggregate increase in the general price level as measured by the Consumer Price 127Index for All Urban Consumers for the United States, or its successor index, as defined and officially published by the United States Department of Labor, or its 128 129successor agency. Beginning January 1, 2012, and annually thereafter, the 130current value of the maximum benefit limitation for applied behavior analysis coverage adjusted for inflation in accordance with this subsection shall be 131132calculated by the director of the department of insurance, financial institutions 133 and professional registration. The director shall furnish the calculated value to 134the secretary of state, who shall publish such value in the Missouri Register as 135soon after each January first as practicable, but it shall otherwise be exempt from 136the provisions of section 536.021.

[7.] (3) Subject to the provisions set forth in subdivision (3) of subsection 4 of this section, coverage provided for autism spectrum disorders under this section shall not be subject to any limits on the number of visits an individual may make to an autism service provider, except that the maximum total benefit for applied behavior analysis set forth in subdivision (1) of this subsection [5 of this section] shall apply to this [subsection] subdivision.

6. Coverage for therapeutic care provided under this section for developmental or physical disabilities may be limited to a number of visits per calendar year, provided that upon prior approval by the health benefit plan, coverage shall be provided beyond the maximum calendar limit if such therapeutic care is medically necessary as determined by the health care plan.

149[8.] 7. This section shall not be construed as limiting benefits which are 150otherwise available to an individual under a health benefit plan. The health care 151coverage required by this section shall not be subject to any greater deductible, 152coinsurance, or co-payment than other physical health care services provided by a health benefit plan. Coverage of services may be subject to other general 153exclusions and limitations of the contract or benefit plan, not in conflict with the 154155provisions of this section, such as coordination of benefits, exclusions for services provided by family or household members, and utilization review of health care 156services, including review of medical necessity and care management; however, 157coverage for treatment under this section shall not be denied on the basis that it 158is educational or habilitative in nature. 159

160 [9.] 8. To the extent any payments or reimbursements are being made for 161 applied behavior analysis, such payments or reimbursements shall be made to 162 either:

163 (1) The autism service provider, as defined in this section; or

(2) The entity or group for whom such supervising person, who is certified
as a board-certified behavior analyst by the Behavior Analyst Certification Board,
works or is associated.

167 Such payments or reimbursements under this subsection to an autism service 168 provider or a board-certified behavior analyst shall include payments or 169 reimbursements for services provided by a line therapist under the supervision 170 of such provider or behavior analyst if such services provided by the line 171 therapist are included in the treatment plan and are deemed medically necessary.

[10.] 9. Notwithstanding any other provision of law to the contrary,
health carriers shall not be held liable for the actions of line therapists in the
performance of their duties.

[11.] 10. The provisions of this section shall apply to any health care plans issued to employees and their dependents under the Missouri consolidated health care plan established pursuant to chapter 103 that are delivered, issued for delivery, continued, or renewed in this state on or after January 1, [2011] **2020**. The terms "employees" and "health care plans" shall have the same meaning ascribed to them in section 103.003.

[12.] 11. The provisions of this section shall also apply to the following
types of plans that are established, extended, modified, or renewed on or after
January 1, [2011] 2020:

184 (1) All self-insured governmental plans, as that term is defined in 29
185 U.S.C. Section 1002(32);

186 (2) All self-insured group arrangements, to the extent not preempted by187 federal law;

(3) All plans provided through a multiple employer welfare arrangement,
or plans provided through another benefit arrangement, to the extent permitted
by the Employee Retirement Income Security Act of 1974, or any waiver or
exception to that act provided under federal law or regulation; and

192 (4) All self-insured school district health plans.

193 [13. The provisions of this section shall not automatically apply to an194 individually underwritten health benefit plan, but shall be offered as an option195 to any such plan.

196 14.] 12. The provisions of this section shall not apply to a supplemental 197 insurance policy, including a life care contract, accident-only policy, specified

198disease policy, hospital policy providing a fixed daily benefit only, Medicare 199supplement policy, long-term care policy, short-term major medical policy of six months or less duration, or any other supplemental policy. The provisions of 200 201this section requiring coverage for autism spectrum disorders shall not 202 apply to an individually underwritten health benefit plan issued prior to January 1, 2011. The provisions of this section requiring coverage 203204for a developmental or physical disability shall not apply to a health 205benefit plan issued prior to January 1, 2014.

206[15.] 13. Any health carrier or other entity subject to the provisions of 207this section shall not be required to provide reimbursement for the applied 208behavior analysis delivered to a person insured by such health carrier or other 209 entity to the extent such health carrier or other entity is billed for such services 210by any Part C early intervention program or any school district for applied 211behavior analysis rendered to the person covered by such health carrier or other 212 entity. This section shall not be construed as affecting any obligation to provide 213services to an individual under an individualized family service plan, an 214individualized education plan, or an individualized service plan. This section shall not be construed as affecting any obligation to provide reimbursement 215pursuant to section 376.1218. 216

[16.] 14. The provisions of sections 376.383, 376.384, and 376.1350 to
376.1399 shall apply to this section.

219[17. The director of the department of insurance, financial institutions 220and professional registration shall grant a small employer with a group health 221plan, as that term is defined in section 379.930, a waiver from the provisions of 222this section if the small employer demonstrates to the director by actual claims 223experience over any consecutive twelve-month period that compliance with this 224section has increased the cost of the health insurance policy by an amount of two 225and a half percent or greater over the period of a calendar year in premium costs to the small employer. 226

18.] **15.** The provisions of this section shall not apply to the Mo HealthNet program as described in chapter 208.

[19. (1) By February 1, 2012, and every February first thereafter, the department of insurance, financial institutions and professional registration shall submit a report to the general assembly regarding the implementation of the coverage required under this section. The report shall include, but shall not be limited to, the following: (a) The total number of insureds diagnosed with autism spectrumdisorder;

(b) The total cost of all claims paid out in the immediately precedingcalendar year for coverage required by this section;

238 (c) The cost of such coverage per insured per month; and

239 (d) The average cost per insured for coverage of applied behavior analysis;

240 (2) All health carriers and health benefit plans subject to the provisions

241 of this section shall provide the department with the data requested by the

Unotficial

242 department for inclusion in the annual report.]
