To amend chapter 324, RSMo, by adding thereto one new section relating to apprenticeship programs.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 324, RSMo, is amended by adding thereto one new section, to be known as section 324.025, to read as follows:

324.025. 1. The provisions of this section shall be known and may be cited as the "Expanded Workforce Access Act of 2019".

2. For purposes of this section, the following terms mean:

(1) "Apprenticeship", a program that meets the federal guidelines set out in 29 CFR Part 29 and 29 U.S.C. Section 50;

(2) "License", a license, certificate, registration, permit, or accreditation that enables a person to legally practice an occupation, profession, or activity in the state;

(3) "Licensing authority", an agency, examining board, credentialing board, or other office of the state with the authority to impose occupational fees or licensing requirements on any profession.

3. Beginning January 1, 2020, within the parameters established under the federal Labor Standards For the Registration of Apprenticeship Programs under 29 CFR Part 29 and 29 U.S.C. Section 50, each state licensing authority shall grant a license to any applicant who meets the following criteria:

(1) Successfully completed the eighth grade;

(2) Completed an apprenticeship approved by the appropriate licensing authority or the United States Department of Labor, or otherwise authorized under state or federal law. This apprenticeship

21 may be completed under the supervision of a state-licensed practitioner
22 or at a state-licensed school; and

23 (3) Passed the required licensure examination, if one is deemed
24 to be necessary, under state law.

25 4. (1) The appropriate licensing authority shall establish a
26 passing score for any necessary examinations under the apprenticeship
27 program which shall not exceed any passing scores that are otherwise
28 required for a non-apprenticeship license for the specific profession.

29 (2) If there is no examination requirement for a non-
30 apprenticeship license, no examination shall be required for applicants
31 who complete an apprenticeship.

32 (3) The number of working hours required for a competency-
33 based apprenticeship or a hybrid apprenticeship under 29 CFR 29.5
34 shall not exceed the number of educational hours otherwise required
35 for a non-apprenticeship license for the specific profession.

36 5. Any department with oversight over a licensing authority may
37 promulgate all necessary rules and regulations for the implementation
38 of this section. Any rule or portion of a rule, as that term is defined in
39 section 536.010 that is created under the authority delegated in this
40 section shall become effective only if it complies with and is subject to
41 all of the provisions of chapter 536, and, if applicable, section
42 536.028. This section and chapter 536 are nonseverable and if any of
43 the powers vested with the general assembly pursuant to chapter 536,
44 to review, to delay the effective date, or to disapprove and annul a rule
45 are subsequently held unconstitutional, then the grant of rulemaking
46 authority and any rule proposed or adopted after August 28, 2019, shall
47 be invalid and void.
