620.2010. 1. In exchange for the consideration provided by the new tax
2 revenues and other economic stimuli that will be generated by the new jobs
3 created, a qualified company may, for a period of five years from the date the new
4 jobs are created, or for a period of six years from the date the new jobs are
5 created if the qualified company is an existing Missouri business, retain an
6 amount equal to the withholding tax as calculated under subdivision [(30)] **(33)**

8 remitted by the qualified company under the provisions of sections 143.191 to
9 143.265 if:

11 wage of the new payroll equals or exceeds ninety percent of the county average
12 wage;

13 (2) The qualified company creates two or more new jobs at a project
14 facility located in a rural area, the average wage of the new payroll equals or

22 thousand dollars in new capital investment at the project facility within two years
23 of approval.

24 2. In addition to any benefits available under subsection 1 of this section,
25 the department may award a qualified company that satisfies subdivision (1) of
26 subsection 1 of this section additional tax credits, issued each year for a period
27 of five years from the date the new jobs are created, or for a period of six years
28 from the date the new jobs are created if the qualified company is an existing
29 Missouri business, in an amount equal to or less than six percent of new payroll;
30 provided that in no event may the total amount of benefits awarded to a qualified
31 company under this section exceed nine percent of new payroll in any calendar
32 year. The amount of tax credits awarded to a qualified company under this
33 subsection shall not exceed the projected net fiscal benefit to the state, as
34 determined by the department, and shall not exceed the least amount necessary
35 to obtain the qualified company's commitment to initiate the project. In
36 determining the amount of tax credits to award to a qualified company under this
37 subsection, the department shall consider the following factors:

38 (1) The significance of the qualified company's need for program benefits;

39 (2) The amount of projected net fiscal benefit to the state of the project
40 and the period in which the state would realize such net fiscal benefit;

43 the qualified company, the potential multiplier effect of the project, and similar
44 factors;

45 (4) The financial stability and creditworthiness of the qualified company;

51 subsections 2 and 5 of this section, the department and the qualified company

52 shall enter into a written agreement covering the applicable project period. The
53 agreement shall specify, at a minimum:

54 (1) The committed number of new jobs, new payroll, and new capital
55 investment for each year during the project period;

56 (2) The date or time period during which the tax credits shall be issued,
57 which may be immediately or over a period not to exceed two years from the date
58 of approval of the notice of intent;

59 (3) Clawback provisions, as may be required by the department; and

60 (4) Any other provisions the department may require.

61 4. In lieu of the benefits available under sections 1 and 2 of this section,
62 and in exchange for the consideration provided by the new tax revenues and other
63 economic stimuli that will be generated by the new jobs created by the program,
64 a qualified company may, for a period of five years from the date the new jobs are
65 created, or for a period of six years from the date the new jobs are created if the
66 qualified company is an existing Missouri business, retain an amount equal to the
67 withholding tax as calculated under subdivision [(30)] **(33)** of section 620.2005
68 from the new jobs that would otherwise be withheld and remitted by the qualified
69 company under the provisions of sections 143.191 to 143.265 equal to:

70 (1) Six percent of new payroll for a period of five years from the date the
71 required number of new jobs were created if the qualified company creates one
72 hundred or more new jobs and the average wage of the new payroll equals or
73 exceeds one hundred twenty percent of the county average wage of the county in
74 which the project facility is located; or

75 (2) Seven percent of new payroll for a period of five years from the date
76 the required number of jobs were created if the qualified company creates one
77 hundred or more new jobs and the average wage of the new payroll equals or
78 exceeds one hundred forty percent of the county average wage of the county in
79 which the project facility is located.

80 The department shall issue a refundable tax credit for any difference between the
81 amount of benefit allowed under this subsection and the amount of withholding
82 tax retained by the company, in the event the withholding tax is not sufficient to
83 provide the entire amount of benefit due to the qualified company under this
84 subsection.

85 5. In addition to the benefits available under subsection 4 of this section,
86 the department may award a qualified company that satisfies the provisions of
87 subsection 4 of this section additional tax credits, issued each year for a period

88 of five years from the date the new jobs are created, or for a period of six years
89 from the date the new jobs are created if the qualified company is an existing
90 Missouri business, in an amount equal to or less than three percent of new
91 payroll; provided that in no event may the total amount of benefits awarded to
92 a qualified company under this section exceed nine percent of new payroll in any
93 calendar year. The amount of tax credits awarded to a qualified company under
94 this subsection shall not exceed the projected net fiscal benefit to the state, as
95 determined by the department, and shall not exceed the least amount necessary
96 to obtain the qualified company's commitment to initiate the project. In
97 determining the amount of tax credits to award to a qualified company under this
98 subsection, the department shall consider the factors provided under subsection
99 2 of this section.

100 6. No benefits shall be available under this section for any qualified
101 company that has performed significant, project-specific site work at the project
102 facility, purchased machinery or equipment related to the project, or has publicly
103 announced its intention to make new capital investment at the project facility
104 prior to receipt of a proposal for benefits under this section or approval of its
105 notice of intent, whichever occurs first.

106 **7. In lieu of any other benefits under this chapter, the**
107 **department of economic development may award a tax credit to an**
108 **industrial development authority for a qualified military project in an**
109 **amount equal to the estimated withholding taxes associated with the**
110 **civilian and military new jobs located at the facility and directly**
111 **impacted by the project. The amount of the tax credit shall be**
112 **calculated by multiplying:**

113 **(1) The average percentage of tax withheld, as provided by the**
114 **department of revenue to the department of economic development;**

115 **(2) The average salaries of the jobs directly created by the**
116 **qualified military project; and**

117 **(3) The number of jobs directly created by the qualified military**
118 **project.**

119 **If the amount of the tax credit represents the least amount necessary**
120 **to accomplish the qualified military project, the tax credits may be**
121 **issued, but no tax credits shall be issued for a term longer than fifteen**
122 **years. No qualified military project shall be eligible for tax credits**
123 **under this subsection unless the department of economic development**

124 **determines the qualified military project shall achieve a net positive**
125 **fiscal impact to the state.**

620.2020. 1. The department shall respond to a written request, by or on
2 behalf of a qualified company **or qualified military project**, for a proposed
3 benefit award under the provisions of this program within five business days of
4 receipt of such request. Such response shall contain either a proposal of benefits
5 for the qualified company **or qualified military project**, or a written response
6 refusing to provide such a proposal and stating the reasons for such refusal. A
7 qualified company **or qualified military project** that intends to seek benefits
8 under the program shall submit to the department a notice of intent. The
9 department shall respond within thirty days to a notice of intent with an
10 approval or a rejection, provided that the department may withhold approval or
11 provide a contingent approval until it is satisfied that proper documentation of
12 eligibility has been provided. Failure to respond on behalf of the department
13 shall result in the notice of intent being deemed approved. A qualified company
14 receiving approval for program benefits may receive additional benefits for
15 subsequent new jobs at the same facility after the full initial project period if the
16 applicable minimum job requirements are met. There shall be no limit on the
17 number of project periods a qualified company may participate in the program,
18 and a qualified company may elect to file a notice of intent to begin a new project
19 period concurrent with an existing project period if the applicable minimum job
20 requirements are achieved, the qualified company provides the department with
21 the required annual reporting, and the qualified company is in compliance with
22 this program and any other state programs in which the qualified company is
23 currently or has previously participated. However, the qualified company shall
24 not receive any further program benefits under the original approval for any new
25 jobs created after the date of the new notice of intent, and any jobs created before
26 the new notice of intent shall not be included as new jobs for purposes of the
27 benefit calculation for the new approval. When a qualified company has filed and
28 received approval of a notice of intent and subsequently files another notice of
29 intent, the department shall apply the definition of project facility under
30 subdivision [(18)] **(20)** of section 620.2005 to the new notice of intent as well as
31 all previously approved notices of intent and shall determine the application of
32 the definitions of new job, new payroll, project facility base employment, and
33 project facility base payroll accordingly.

34 2. Notwithstanding any provision of law to the contrary, the benefits

35 available to the qualified company under any other state programs for which the
36 company is eligible and which utilize withholding tax from the new or retained
37 jobs of the company shall first be credited to the other state program before the
38 withholding retention level applicable under this program will begin to accrue.
39 If any qualified company also participates in a job training program utilizing
40 withholding tax, the company shall retain no withholding tax under this program,
41 but the department shall issue a refundable tax credit for the full amount of
42 benefit allowed under this program. The calendar year annual maximum amount
43 of tax credits which may be issued to a qualifying company that also participates
44 in a job training program shall be increased by an amount equivalent to the
45 withholding tax retained by that company under a jobs training program.

46 3. A qualified company **or qualified military project** receiving benefits
47 under this program shall provide an annual report of the number of jobs and such
48 other information as may be required by the department to document the basis
49 for program benefits available no later than ninety days prior to the end of the
50 qualified company's **or industrial development authority's** tax year
51 immediately following the tax year for which the benefits provided under the
52 program are attributed. In such annual report, if the average wage is below the
53 applicable percentage of the county average wage, the qualified company **or**
54 **qualified military project** has not maintained the employee insurance as
55 required, or if the number of jobs is below the number required, the qualified
56 company **or qualified military project** shall not receive tax credits or retain
57 the withholding tax for the balance of the project period. Failure to timely file
58 the annual report required under this section shall result in the forfeiture of tax
59 credits attributable to the year for which the reporting was required and a
60 recapture of withholding taxes retained by the qualified company **or qualified**
61 **military project** during such year.

62 4. The department may withhold the approval of any benefits under this
63 program until it is satisfied that proper documentation has been provided, and
64 shall reduce the benefits to reflect any reduction in full-time employees or
65 payroll. Upon approval by the department, the qualified company may begin the
66 retention of the withholding taxes when it reaches the required number of jobs
67 and the average wage meets or exceeds the applicable percentage of county
68 average wage. Tax credits, if any, may be issued upon satisfaction by the
69 department that the qualified company has exceeded the applicable percentage
70 of county average wage and the required number of jobs.

71 5. Any qualified company **or qualified military project** approved for
72 benefits under this program shall provide to the department, upon request, any
73 and all information and records reasonably required to monitor compliance with
74 program requirements. This program shall be considered a business recruitment
75 tax credit under subdivision (4) of subsection 2 of section 135.800, and any
76 qualified company **or qualified military project** approved for benefits under
77 this program shall be subject to the provisions of sections 135.800 to 135.830.

78 6. Any taxpayer who is awarded benefits under this program who
79 knowingly hires individuals who are not allowed to work legally in the United
80 States shall immediately forfeit such benefits and shall repay the state an
81 amount equal to any state tax credits already redeemed and any withholding
82 taxes already retained.

83 7. The maximum amount of tax credits that may be authorized under this
84 program for any fiscal year shall be limited as follows, less the amount of any tax
85 credits previously obligated for that fiscal year under any of the tax credit
86 programs referenced in subsection 13 of this section:

87 (1) For the fiscal year beginning on July 1, 2013, but ending on or before
88 June 30, 2014, no more than one hundred six million dollars in tax credits may
89 be authorized;

90 (2) For the fiscal year beginning on July 1, 2014, but ending on or before
91 June 30, 2015, no more than one hundred eleven million dollars in tax credits
92 may be authorized; and

93 (3) For any fiscal year beginning on or after July 1, 2015, no more than
94 one hundred sixteen million dollars in tax credits may be authorized for each
95 fiscal year.

96 8. For tax credits for the creation of new jobs under section 620.2010, the
97 department shall allocate the annual tax credits based on the date of the
98 approval, reserving such tax credits based on the department's best estimate of
99 new jobs and new payroll of the project, and any other applicable factors in
100 determining the amount of benefits available to the qualified company **or**
101 **qualified military project** under this program. However, the annual issuance
102 of tax credits shall be subject to annual verification of actual payroll by the
103 department **or, for qualified military projects, annual verification of**
104 **average salary for the jobs directly created by the qualified military**
105 **project**. Any authorization of tax credits shall expire if, within two years from
106 the date of commencement of operations, or approval if applicable, the qualified

107 company has failed to meet the applicable minimum job requirements. The
108 qualified company may retain authorized amounts from the withholding tax
109 under the project once the applicable minimum job requirements have been met
110 for the duration of the project period. No benefits shall be provided under this
111 program until the qualified company **or qualified military project** meets the
112 applicable minimum new job requirements. In the event the qualified company
113 **or qualified military project** does not meet the applicable minimum new job
114 requirements, the qualified company **or qualified military project** may submit
115 a new notice of intent or the department may provide a new approval for a new
116 project of the qualified company **or qualified military project** at the project
117 facility or other facilities.

118 9. Tax credits provided under this program may be claimed against taxes
119 otherwise imposed by chapters 143 and 148, and may not be carried forward, but
120 shall be claimed within one year of the close of the taxable year for which they
121 were issued. Tax credits provided under this program may be transferred, sold,
122 or assigned by filing a notarized endorsement thereof with the department that
123 names the transferee, the amount of tax credit transferred, and the value received
124 for the credit, as well as any other information reasonably requested by the
125 department. For a qualified company with flow-through tax treatment to its
126 members, partners, or shareholders, the tax credit shall be allowed to members,
127 partners, or shareholders in proportion to their share of ownership on the last
128 day of the qualified company's tax period.

129 10. Prior to the issuance of tax credits or the qualified company beginning
130 to retain withholding taxes, the department shall verify through the department
131 of revenue and any other applicable state department that the tax credit
132 applicant does not owe any delinquent income, sales, or use tax or interest or
133 penalties on such taxes, or any delinquent fees or assessments levied by any state
134 department and through the department of insurance, financial institutions and
135 professional registration that the applicant does not owe any delinquent
136 insurance taxes or other fees. Such delinquency shall not affect the approval,
137 except that any tax credits issued shall be first applied to the delinquency and
138 any amount issued shall be reduced by the applicant's tax delinquency. If the
139 department of revenue, the department of insurance, financial institutions and
140 professional registration, or any other state department concludes that a taxpayer
141 is delinquent after June fifteenth but before July first of any year and the
142 application of tax credits to such delinquency causes a tax deficiency on behalf of

143 the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the
144 deficiency in which interest, penalties, and additions to tax shall be tolled. After
145 applying all available credits toward a tax delinquency, the administering agency
146 shall notify the appropriate department and that department shall update the
147 amount of outstanding delinquent tax owed by the applicant. If any credits
148 remain after satisfying all insurance, income, sales, and use tax delinquencies,
149 the remaining credits shall be issued to the applicant, subject to the restrictions
150 of other provisions of law.

151 11. The director of revenue shall issue a refund to the qualified company
152 to the extent that the amount of tax credits allowed under this program exceeds
153 the amount of the qualified company's tax liability under chapter 143 or 148.

154 12. An employee of a qualified company shall receive full credit for the
155 amount of tax withheld as provided in section 143.211.

156 13. Notwithstanding any provision of law to the contrary, beginning
157 August 28, 2013, no new benefits shall be authorized for any project that had not
158 received from the department a proposal or approval for such benefits prior to
159 August 28, 2013, under the development tax credit program created under
160 sections 32.100 to 32.125, the rebuilding communities tax credit program created
161 under section 135.535, the enhanced enterprise zone tax credit program created
162 under sections 135.950 to 135.973, and the Missouri quality jobs program created
163 under sections 620.1875 to 620.1890. The provisions of this subsection shall not
164 be construed to limit or impair the ability of any administering agency to
165 authorize or issue benefits for any project that had received an approval or a
166 proposal from the department under any of the programs referenced in this
167 subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any
168 such tax credits or to retain any withholding tax under an approval issued prior
169 to that date. The provisions of this subsection shall not be construed to limit or
170 in any way impair the ability of any governing authority to provide any local
171 abatement or designate a new zone under the enhanced enterprise zone program
172 created by sections 135.950 to 135.963. Notwithstanding any provision of law to
173 the contrary, no qualified company that is awarded benefits under this program
174 shall:

175 (1) Simultaneously receive benefits under the programs referenced in this
176 subsection at the same capital investment; or

177 (2) Receive benefits under the provisions of section 620.1910 for the same
178 jobs.

179 14. If any provision of sections 620.2000 to 620.2020 or application thereof
180 to any person or circumstance is held invalid, the invalidity shall not affect other
181 provisions or application of these sections which can be given effect without the
182 invalid provisions or application, and to this end, the provisions of sections
183 620.2000 to 620.2020 are hereby declared severable.

184 15. By no later than January 1, 2014, and the first day of each calendar
185 quarter thereafter, the department shall present a quarterly report to the general
186 assembly detailing the benefits authorized under this program during the
187 immediately preceding calendar quarter to the extent such information may be
188 disclosed under state and federal law. The report shall include, at a minimum:

189 (1) A list of all approved and disapproved applicants for each tax credit;

190 (2) A list of the aggregate amount of new or retained jobs that are directly
191 attributable to the tax credits authorized;

192 (3) A statement of the aggregate amount of new capital investment
193 directly attributable to the tax credits authorized;

194 (4) Documentation of the estimated net state fiscal benefit for each
195 authorized project and, to the extent available, the actual benefit realized upon
196 completion of such project or activity; and

197 (5) The department's response time for each request for a proposed benefit
198 award under this program.

199 16. The department may adopt such rules, statements of policy,
200 procedures, forms, and guidelines as may be necessary to carry out the provisions
201 of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is
202 defined in section 536.010, that is created under the authority delegated in this
203 section shall become effective only if it complies with and is subject to all of the
204 provisions of chapter 536 and, if applicable, section 536.028. This section and
205 chapter 536 are nonseverable and if any of the powers vested with the general
206 assembly pursuant to chapter 536 to review, to delay the effective date, or to
207 disapprove and annul a rule are subsequently held unconstitutional, then the
208 grant of rulemaking authority and any rule proposed or adopted after August 28,
209 2013, shall be invalid and void.

210 17. Under section 23.253 of the Missouri sunset act:

211 (1) The provisions of the program authorized under sections 620.2000 to
212 620.2020 shall be reauthorized as of August 28, 2018, and shall expire on August
213 28, 2030; and

214 (2) If such program is reauthorized, the program authorized under this

215 section shall automatically sunset twelve years after the effective date of [this]
216 **the** reauthorization of sections 620.2000 to 620.2020; and
217 (3) Sections 620.2000 to 620.2020 shall terminate on September first of
218 the calendar year immediately following the calendar year in which the program
219 authorized under sections 620.2000 to 620.2020 is sunset.
