which establishes and makes public its own method of disclosing
potential conflicts of interest and substantial interests and
therefore excludes the political subdivision or district and its
officers and employees from the requirements of subsection 2 of
this section. A certified copy of the ordinance, order or
resolution shall be sent to the commission within ten days of its
adoption. The commission shall assist any political subdivision
in developing forms to complete the requirements of this

5. The name and employer of dependent children under
twenty-one years of age of each person required to file a
financial interest form under this section shall be redacted and
not made publicly available, upon the written request of such
person to the commission.

6. Nothing in subsection 5 of this section shall be
construed to abate the responsibility of reporting the names and
employers of dependent children of each person required to file a
financial interest form.

115.277. 1. Except as provided in subsections 2, 3, 4, and
5 of this section, any registered voter of this state may vote by

This subdivision shall expire on December 31, 2020.

2. Any covered voter[, as defined in section 115.275,] who

election for federal office, statewide office, state legislative
office, or statewide ballot initiatives by submitting a federal
postcard application to apply to vote by absentee ballot or by

application submitted by a covered voter pursuant to this
subsection shall also serve as a voter registration application
under section 115.908 and the election authority shall, if

If the reason for the voter voting absentee is due to the reasons established under subdivision (6) of subsection 1 of section 115.277, the voter shall state the voter's identification information provided by the address confidentiality program in lieu of the applicant's name, voting address, and mailing address. On the form, the voter shall also state under penalties of perjury that the voter is qualified to vote in the election, that the voter has not previously voted and will not vote again in the election, that the voter has personally marked the voter's ballot in secret or supervised the marking of the voter's ballot if the voter is unable to mark it, that the ballot has been placed in the ballot envelope and sealed by the voter or under the voter's supervision if the voter is unable to seal it, and that all information contained in the statement is true. 1. _____ (signature of assisting person)
2. _____ (assisting person's name printed)
3. _____ (assisting person's residence)
4. _____ (assisting person's home city or town).
6. The election authority shall, for an election held during 2020, adjust the forms described in this section to account for voters voting absentee due to the reason established pursuant to subdivision (7) of subsection 1 of section 115.277.

7. Notwithstanding any other provision of this section, any covered voter as defined in section 115.902 or persons who have declared themselves to be permanently disabled pursuant to section 115.284, otherwise entitled to vote, shall not be required to obtain a notary seal or signature on his or her absentee ballot.

[7.] 8. Notwithstanding any other provision of this section or section 115.291 to the contrary, the subscription, signature and seal of a notary or other officer authorized to administer oaths shall not be required on any ballot, ballot envelope, or statement required by this section if the reason for the voter voting absentee is due to the reasons established pursuant to subdivision (2) or (7) of subsection 1 of section 115.277.

[8.] 9. No notary shall charge or collect a fee for notarizing the signature on any absentee ballot or absentee voter registration.

[9.] 10. A notary public who charges more than the maximum fee specified or who charges or collects a fee for notarizing the signature on any absentee ballot or absentee voter registration is guilty of official misconduct.

115.285. The secretary of state may prescribe uniform regulations with respect to the printing of ballot envelopes and mailing envelopes, which shall comply with standards established by federal law or postal regulations. Mailing envelopes for use
in returning ballots shall be printed with business reply permits so that any ballot returned by mail does not require postage. All fees and costs for establishing and maintaining the business reply and postage-free mail for all ballots cast shall be paid by the secretary of state through state appropriations. Notwithstanding any provision of law to the contrary, a ballot envelope used under section 115.302 shall be the same ballot envelope used for absentee ballots, provided an option shall be listed on the envelope to clearly indicate whether the voter is casting an absentee ballot or a mail-in ballot.

115.291. 1. Upon receiving an absentee ballot by mail, the voter shall mark the ballot in secret, place the ballot in the ballot envelope, seal the envelope and fill out the statement on the ballot envelope. The affidavit of each person voting an absentee ballot shall be subscribed and sworn to before the election official receiving the ballot, a notary public or other officer authorized by law to administer oaths, unless the voter is voting absentee due to incapacity or confinement due to the provisions of section 115.284, illness or physical disability, for an election that occurs during the year 2020, the voter has contracted or is in an at-risk category for contracting or transmitting severe acute respiratory syndrome coronavirus 2, as defined in section 115.277, or the voter is a covered voter as defined in section 115.902. If the voter is blind, unable to read or write the English language, or physically incapable of voting the ballot, the voter may be assisted by a person of the voter's own choosing. Any person assisting a voter who is not entitled to such assistance, and any person who assists a voter
and in any manner coerces or initiates a request or a suggestion that the voter vote for or against or refrain from voting on any question, ticket or candidate, shall be guilty of a class one election offense. If, upon counting, challenge or election contest, it is ascertained that any absentee ballot was voted with unlawful assistance, the ballot shall be rejected. For purposes of this subsection, the voters who are in an at-risk category for contracting or transmitting severe acute respiratory syndrome coronavirus 2 are voters who:

(1) Sixty-five years of age or older;
(2) Live in a long-term care facility licensed under chapter 198;
(3) Have chronic lung disease or moderate to severe asthma;

(8) Have liver disease.

2. Except as provided in subsection 4 of this section, each absentee ballot that is not cast by the voter in person in the office of the election authority shall be returned to the election authority in the ballot envelope and shall only be returned by the voter in person, or in person by a relative of the voter who is within the second degree of consanguinity or affinity, by mail or registered carrier or by a team of deputy election authorities; except that covered voters, when sent from a location determined by the secretary of state to be
inaccessible on election day, shall be allowed to return their
absentee ballots cast by use of facsimile transmission or under a
program approved by the Department of Defense for electronic
transmission of election materials.

3. In cases of an emergency declared by the President of
the United States or the governor of this state where the conduct
of an election may be affected, the secretary of state may
provide for the delivery and return of absentee ballots by use of
a facsimile transmission device or system. Any rule promulgated
pursuant to this subsection shall apply to a class or classes of
voters as provided for by the secretary of state.

4. No election authority shall refuse to accept and process
any otherwise valid marked absentee ballot submitted in any
manner by a covered voter solely on the basis of restrictions on
envelope type.

115.302. 1. Any registered voter of this state may cast a
mail-in ballot as provided in this section. Nothing in this
section shall prevent a voter from casting an absentee ballot,
provided such person has not cast a ballot pursuant to this
section. Application for a mail-in-ballot may be made by the
applicant in person, or by United States mail, or on behalf of
the applicant by his or her guardian or relative within the
second degree of consanguinity or affinity.

2. Each application for a mail-in-ballot shall be made to
the election authority of the jurisdiction in which the person is
registered. Each application shall be in writing and shall state
the applicant's name, address at which he or she is registered, and
the address to which the ballot is to be mailed.
3. All applications for mail-in-ballots received prior to
the sixth Tuesday before an election shall be stored at the
office of the election authority until such time as the
applications are processed under section 115.281. No application
for a mail-in-ballot received in the office of the election
authority after 5:00 p.m. on the second Wednesday immediately
prior to the election shall be accepted by any election
authority.

4. Each application for a mail-in-ballot shall be signed by
the applicant or, if the application is made by a guardian or
relative under this section, the application shall be signed by
the guardian or relative, who shall note on the application his
or her relationship to the applicant. If an applicant, guardian,
or relative is blind, unable to read or write the English
language, or physically incapable of signing the application, he
or she shall sign by mark that is witnessed by the signature of
an election official or person of his or her choice. Knowingly
making, delivering, or mailing a fraudulent mail-in-ballot
application is a class one election offense.

5. Not later than the sixth Tuesday prior to each election,
or within fourteen days after candidate names or questions are
certified under section 115.125, the election authority shall
cause to have printed and made available a sufficient quantity of
ballots, ballot envelopes, and mailing envelopes. As soon as
possible after a proper official calls a special state or county
election, the election authority shall cause to have printed and
made available a sufficient quantity of mail-in ballots, ballot
envelopes, and mailing envelopes.
6. Each ballot envelope shall bear a statement in substantially the same form described in subsection 9 of this section. In addition, any person providing assistance to the mail-in voter shall include a signature on the envelope identifying the person providing such assistance under penalties of perjury. Persons authorized to vote only for federal and statewide offices shall also state their former Missouri residence.

7. The statement for persons voting mail-in ballots who are registered voters shall be in substantially the following form:

received, within five working days after such ballots become

entitled to vote by mail-in ballot, the authority shall not

If the voter is blind, unable to read or write the English language, or physically incapable of voting the ballot, the voter may be assisted by a person of the voter’s own choosing. If, upon counting, challenge, or election contest, it is ascertained that any mail-in ballot was voted with unlawful assistance, the ballot shall be rejected.

12. Each mail-in ballot shall be returned to the election authority in the ballot envelope and shall only be returned by the voter by United States mail.

13. shall be counted.

15. If sufficient evidence is shown to an election

the polls on election day, the ballot of the deceased voter shall
be rejected if it is still sealed in the ballot envelope. Any
such rejected ballot, still sealed in its ballot envelope, shall
be sealed with the application and any other papers connected
therewith in an envelope marked "Rejected ballot of______, a
mail-in voter of______ voting district". The reason for
rejection shall be noted on the envelope, which shall be kept by
the election authority with the other ballots from the election
until the ballots are destroyed according to law.

16. As each mail-in ballot is received by the election
