SECOND REGULAR SESSION

---

**FORTY-EIGHTH DAY—MONDAY, MAY 4, 2020**

---

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

Reverend Carl Gauck offered the following prayer:

“Walk with wisdom towards them that are without...Let your speech be always with grace.” (Colossians 4:5-6)

Loving Father we gather once again and are grateful for our safe travel and our coming together once again. As we move to reopen our state and begin to greet one another may we be wise in doing so and practice “safe distancing” to keep ourselves and others safe and healthy. We thank You for our health and pray that we and our families also continue to be healthy and safe. And Father May we practice gracious and winsome behavior as we discuss those things that are before us as a Senate. And may our decisions be helpful and lead us along the path that You would have us take. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Committee Substitute for Senate Bill No. 599, Page 7, Section 30.758, Line 54, by inserting after all of said line the following:

“70.705. 1. The “Members Deposit Fund” is hereby created. It shall be the fund in which shall be accumulated the contributions made by members to the system, and from which shall be made transfers and refunds of members’ contributions as provided in sections 70.600 to 70.755.

2. Except as provided otherwise in this section, the contributions of a member to the system shall be four percent of his compensations after the date he has completed sufficient employment for six months of credited service. Such contributions shall be made notwithstanding that the minimum salary or wages provided by law for any member shall thereby be changed. Each member shall be deemed to consent and agree to the deductions made and provided for herein. Payment of a member’s compensation less such deductions shall be a full and complete discharge and acquittance of all claims and demands whatsoever for services rendered by him to a political subdivision, except as to benefits provided by this system.

3. The officer or officers responsible for making up the payrolls for each political subdivision shall cause the contributions provided for in this section to be deducted from the compensation of each member in the employ of the political subdivision, on each and every payroll, for each and every payroll period after the date he has completed sufficient employment for six months of credited service to the date his membership terminates. When deducted, each of these amounts shall be paid by the political subdivision to the system; the payments shall be made in the manner and shall be accompanied by such supporting data as the board shall from time to time prescribe. When paid to the system, each of the amounts shall be credited to the members deposit fund account of the member from whose compensations the contributions were deducted.

4. In addition to the contributions deducted from the compensations of a member, as heretofore provided, a member shall deposit in the members deposit fund, by a single contribution or by an increased rate of contributions, as approved by the board, the amount or amounts he may have withdrawn therefrom and not repaid thereto, together with regular interest from the date of withdrawal to the date of repayment. In no case shall a member be given credit for service rendered prior to the date he withdrew his accumulated contributions until he returns to the members deposit fund all amounts due the fund by him.

5. Upon the retirement of a member, or upon his death if an allowance becomes payable on account of his death, his accumulated contributions shall be transferred to the benefit reserve fund.

6. Each political subdivision, by majority vote of its governing body, may elect with respect to its

members **an alternate contribution amount of two percent or six percent of compensation or to eliminate future member contributions otherwise provided for in this section. Should a political subdivision elect one benefit program for members whose political subdivision employment is concurrently covered by federal Social Security and a different benefit program for members whose political subdivision employment is not concurrently covered by federal Social Security, as provided in section 70.655, the political subdivision may also, by majority vote of its governing body, make one election concerning member contributions provided for in this section for members whose political subdivision employment is concurrently covered by federal Social Security and one election concerning member contributions provided for in this section for members whose political subdivision employment is not concurrently covered by federal Social Security.** The clerk or secretary of the political subdivision shall certify the election concerning member contributions to the board within ten days after such vote. The effective date of the political subdivision’s member contribution election is the first day of the calendar month specified by such governing body, or the first day of the calendar month next following receipt by the board of the certification of such election, or the effective date of the political subdivision’s becoming an employer, whichever is the latest. Such election concerning member contributions may be changed from time to time by such vote, but not more often than once in two years. Except as provided in section 70.707, if such election is to eliminate member contributions, then such election shall apply only to future member compensations and shall not change the status of any member contributions made before such election. If the effect of such election is to require member contributions, then such election shall apply only to future member compensations and shall not change any member contribution requirements existing before such election. Should an employer change its member contribution requirements as provided in this section, the employer contribution requirements shall be correspondingly changed effective the same date as the member contribution change. The limitation on increases in an employer’s contribution provided by subsection 6 of section 70.730 shall not apply to any contribution increase resulting from an employer electing to eliminate member contributions.”; and

SENATE AMENDMENT NO. 3

Amend Senate Substitute No. 2 for Senate Committee Substitute for House Committee Substitute for House Bill No. 1854, Page 160, Section 620.2010, Line 8 of said page, by inserting immediately after said line the following:

**“620.2250. 1. This section shall be known and may be cited as the “Targeted Industrial Manufacturing Enhancement Zones Act”.**

**2. As used in this section, the following terms shall mean:**

**(1) “County average wage”, the average wage in each county as determined by the department for the most recently completed full calendar year. However, if the computed county average wage is above the statewide average wage, the statewide average wage shall be deemed the county average wage for such county for the purpose of determining eligibility;**

**(2) “Department”, the Missouri department of economic development;**

**(3) “New job”, the number of full-time employees located at the project facility that exceeds the project facility base employment less any decrease in the number of full-time employees at related facilities below the related facility base employment. No job that was created prior to the date of the completion of an agreement pursuant to subsection 6 of this section and no job that is relocated from another location within this state shall be deemed a new job. An employee that spends less than fifty percent of the employee’s work time at the facility is still considered to be located at a facility if the employee receives his or her directions and control from that facility, is on the facility’s payroll, one hundred percent of the employee’s income from such employment is Missouri income, and the employee is paid at or above the county average wage;**

**(4) “Political subdivision”, a town, village, city, or county located in this state;**

**(5) “Related facility”, a facility operated by a company or a related company prior to the establishment of the TIME zone in question, and which is directly related to the operations of the facility within the new TIME zone;**

**(6) “TIME zone”, an area identified through an ordinance or resolution passed pursuant to subsection 4 of this section that is being developed or redeveloped for any purpose so long as any infrastructure or building built or improved is in the development area;**

**(7) “Zone board”, the governing body of a TIME zone.**

**3. The governing bodies of at least two contiguous or overlapping political subdivisions in this state may establish one or more TIME zones, which shall be political subdivisions of the state, for the purposes of completing infrastructure projects to promote the economic development of the region. Such zones may only include the area within the governing bodies’ jurisdiction, ownership, or control, and may include any such area. The governing bodies shall determine the boundaries for each TIME zone, and more than one TIME zone may exist within the governing bodies’ jurisdiction or under the governing bodies’ ownership or control, and may be expanded or contracted by resolution of the zone board.**

**4. (1) To establish a TIME zone, the governing bodies of at least two political subdivisions shall each propose an ordinance or resolution creating such zone. Such ordinance or resolution shall set forth the names of the political subdivisions which will form the TIME zone, the general nature of the proposed improvements, the estimated cost of such improvements, the boundaries of the proposed TIME zone, and the estimated number of new jobs to be created in the TIME zone. Prior to approving such ordinance or resolution, each governing body shall hold a public hearing to consider the creation of the TIME zone and the proposed improvements therein. The governing bodies shall**

hear and pass upon all objections to the TIME zone and the proposed improvements, if any, and may amend the proposed improvements, and the plans and specifications therefor.

(2) After the passage or adoption of the ordinance or resolution creating the TIME Zone, governance of the TIME zone shall be by the zone board, which shall consist of seven members selected from the political subdivisions creating the TIME zone. Members of a zone board shall receive no salary or other compensation for their services as members, but shall receive their necessary traveling and other expenses incurred while actually engaged in the discharge of their official duties. The zone board may expand or contract such TIME zone through an ordinance or resolution following a public hearing conducted to consider such expansion or contraction.

5. The boundaries of the proposed TIME zone shall be described by metes and bounds, streets, or other sufficiently specific description.

6. (1) Prior to retaining any state withholding tax pursuant to subsection 9 of this section, a zone board shall enter into an agreement with the department. Such agreement shall include, but shall not be limited to:

(a) The estimated number of new jobs to be created;

(b) The estimated average wage of new jobs to be created;

(c) The estimated net fiscal impact of the new jobs;

(d) The estimated costs of the proposed improvements;

(e) The estimated amount of withholding tax to be retained pursuant to subsection 9 of this section over the period of the agreement; and

(f) A copy of the ordinance establishing the board and a list of its members.

(2) The department shall not approve an agreement with a zone board unless the zone board commits to creating the following number of new jobs:

(a) For a TIME zone with a total population of less than five thousand inhabitants as determined by the most recent decennial census, a minimum of five new jobs with an average wage that equals or exceeds ninety percent of the county average wage;

(b) For a TIME zone with a total population of at least five thousand inhabitants but less than fifty thousand inhabitants as determined by the most recent decennial census, a minimum of ten new jobs with an average wage that equals or exceeds ninety percent of the county average wage;

(c) For a TIME zone with a total population of at least fifty thousand inhabitants but less than one hundred fifty thousand inhabitants as determined by the most recent decennial census, a minimum of fifteen new jobs with an average wage that equals or exceeds ninety percent of the county average wage; and

(d) For a TIME zone with a total population of at least one hundred fifty thousand inhabitants as determined by the most recent decennial census, a minimum of twenty-five new jobs with an average wage that equals or exceeds ninety percent of the county average wage.

7. (1) The term of the agreement entered into pursuant to subsection 6 of this section shall not exceed ten years. A zone board may apply to the department for approval to renew any agreement.

Such application shall be made on forms provided by the department. In determining whether to approve the renewal of an agreement, the department shall consider:

- (a) The number of new jobs created and the average wage and net fiscal impact of such jobs;
- (b) The outstanding improvements to be made within the TIME zone and the funding necessary to complete such improvements; and
- (c) Any other factor the department requires.

(2) The department may approve the renewal of an agreement for a period not to exceed ten years. If a zone board has not met the new job requirements pursuant to subdivision (2) of subsection 6 of this section by the end of the agreement, the department shall recapture from such zone board the amount of withholding tax retained by the zone board pursuant to this section and the department shall not approve the renewal of an agreement with such zone board.

(3) A zone board shall not retain any withholding tax pursuant to this section in excess of the costs of improvements completed by the zone board.

8. If a qualified company is retaining withholding tax pursuant to sections 620.2000 to 620.2020 for new jobs, as such terms are defined in section 620.2005, that also qualify for the retention of withholding tax pursuant to this section, the department shall not authorize an agreement pursuant to this section that results in more than fifty percent of the withholding tax for such new jobs being retained pursuant to this section and sections 620.2000 to 620.2020.

9. Upon the completion of an agreement pursuant to subsection 6 of this section, twenty-five percent of the state tax withholdings imposed by sections 143.191 to 143.265 on new jobs within a TIME zone after development or redevelopment has commenced shall not be remitted to the general revenue fund of the state of Missouri. Such moneys shall be deposited into the TIME zone fund established pursuant to subsection 10 of this section for the purpose of continuing to expand, develop, and redevelop TIME zones identified by the zone board, and may be used for managerial, engineering, legal, research, promotion, planning, and any other expenses.

10. There is hereby created in the state treasury the "TIME Zone Fund", which shall consist of money collected under this section. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180 to the zone boards of the TIME zones from which the funds were collected, less the pro-rata portion appropriated by the general assembly to be used solely for the administration of this section, which shall not exceed ten percent of the total amount collected within the TIME zones of a zone board. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

11. The zone board shall approve projects consistent with the provisions of this section that begin construction and disburse any money collected under this section. The zone board shall submit an annual budget for the funds to the department explaining how and when such money will be spent.

12. A zone board shall submit an annual report by December thirty-first of each year to the department and the general assembly. Such report shall include, but shall not be limited to:

- (1) **The locations of the established TIME zones governed by the zone board;**
  - (2) **The number of new jobs created within the TIME zones governed by the zone board;**
  - (3) **The average wage of the new jobs created within the TIME zones governed by the zone board;**
- and**
- (4) **The amount of withholding tax retained pursuant to subsection 9 of this section from new jobs created within the TIME zones governed by the zone board.**

**13. No political subdivision shall establish a TIME zone with boundaries that overlap the boundaries of an advanced industrial manufacturing zone established pursuant to section 68.075.**

**14. The total amount of withholding taxes retained by all TIME zones pursuant to the provisions of this section shall not exceed five million dollars per fiscal year.**

**15. The department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.**

**16. Pursuant to section 23.253 of the Missouri sunset act:**

**(1) The provisions of the new program authorized pursuant to this section shall sunset automatically on August 28, 2024, unless reauthorized by an act of the general assembly;**

**(2) If such program is reauthorized, the program authorized pursuant to this section shall sunset automatically twelve years after the effective date of the reauthorization; and**

**(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized pursuant to this section is sunset.”; and**
