AN ACT

To amend chapter 190, RSMo, by adding thereto one new section relating to detachment from certain ambulance districts.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 190, RSMo, is amended by adding thereto one new section, to be known as section 190.089, to read as follows:

190.089. 1. A home rule city with more than sixty-five thousand seven hundred but fewer than seventy-three thousand inhabitants and located in any county with a charter form of government and with more than three hundred thousand but fewer than four hundred fifty thousand inhabitants that is located within an ambulance district may file with the ambulance district's board of directors a notice of intention of detachment stating the city's intent that the area located within the city and the ambulance district is to be excluded and taken from the district. The filing of a notice of intention of detachment must be authorized by ordinance. Such notice of intention of detachment shall describe the subject area to be excluded from the ambulance district in the form of a legal description and map.

2. After filing the notice of intention of detachment with the ambulance district, the city shall conduct a public hearing on the notice of intention of detachment and give notice by publication in a newspaper of general circulation qualified to publish legal matters in the county where the subject area is located, at least once a week for three consecutive weeks prior to the hearing, with the last notice being not more than twenty days and not less than ten days before the hearing. The hearing may be continued to another date without further notice other than a motion to be entered upon the minutes fixing the

22 time and place of the subsequent hearing. At the public hearing, the
23 city shall present its reasons why it desires to detach from the
24 ambulance district and its plan to provide or cause to be provided
25 ambulance services to the city.

26 3. Following the public hearing, the governing body of the city
27 may approve the detachment of the subject area from the ambulance
28 district by enacting an ordinance with a majority of all members of the
29 legislative body of the city voting in favor of the ordinance.

30 4. Upon duly enacting such detachment ordinance, the city shall
31 cause three certified copies of the same to be filed with the county
32 assessor and the clerk of the county wherein the city is located and one
33 certified copy to be filed with the election authority if different from
34 the clerk of the county that has jurisdiction over the area being
35 detached.

36 5. Upon the effective date of the ordinance, which may be up to
37 one year from the date of its passage and approval, the ambulance
38 district shall no longer provide or cause to be provided ambulance
39 services to the city and shall no longer levy and collect any tax upon
40 the property included within the detached area.
