Any claim or judgment arising under subdivision (5) of subsection 2 of this section shall be paid by the state legal expense fund or any policy of insurance procured pursuant to section 105.721 to the extent damages are allowed under sections 538.205 to 538.235. Even if subdivision (5) of subsection 2 of this section is repealed or amended, the state legal expense fund shall be available for damages that occur while the pertinent subdivision (5) of subsection 2 of this section is in effect.

5. All payments shall be made from the state legal expense fund by the commissioner of administration with the approval of the attorney general. In the case of any claim or judgment against an officer or employee of the state or any agency of the state based upon conduct of such officer or employee arising out of and performed in connection with his or her official duties on behalf of the state or any agency of the state that would give rise to a cause of action under section 537.600, the state legal expense fund shall be liable, excluding punitive damages, for:

1. Economic damages to any one claimant; and
2. Up to three hundred fifty thousand dollars for noneconomic damages.

The state legal expense fund shall be the exclusive remedy and shall preclude any other civil actions or proceedings for money damages arising out of or relating to the same subject matter against the state officer or employee, or the officer's or employee's estate. No officer or employee of the state or any agency of the state shall be individually liable in his or her personal capacity for conduct of such officer or employee arising out of and performed in connection with his or her official duties on behalf of the state or any agency of the state. The provisions of this subsection shall not apply to any defendant who is not an officer or employee of the state or any agency of the state in any proceeding against an officer or employee of the state or any agency of the state. Nothing in this subsection shall limit the rights and remedies otherwise available to a claimant under state law or common law in proceedings where one or more defendants is not an officer or employee of the state or any agency of the state.

6. The limitation on awards for noneconomic damages provided for
in this subsection shall be increased or decreased on an annual basis effective January first of each year in accordance with the Implicit Price Deflator for Personal Consumption Expenditures as published by the Bureau of Economic Analysis of the United States Department of Commerce. The current value of the limitation shall be calculated by the director of the department of commerce and insurance, who shall furnish that value to the secretary of state, who shall publish such value in the Missouri Register as soon after each January first as practicable, but it shall otherwise be exempt from the provisions of section 536.021.

[7.] 8. Except as provided in subsection [3] 4 of this section, in the case of any claim or judgment that arises under sections 537.600 and 537.610 against the state of Missouri, or an agency of the state, the aggregate of payments from the state legal expense fund and from any policy of insurance procured pursuant to the provisions of section 105.721 shall not exceed the limits of liability as provided in sections 537.600 to 537.610. No payment shall be made from the state legal expense fund or any policy of insurance procured with state funds pursuant to section 105.721 unless and until the benefits provided to pay the claim by any other policy of liability insurance have been exhausted.

[8.] 9. The provisions of section 33.080 notwithstanding, any moneys remaining to the credit of the state legal expense fund at the end of an appropriation period shall not be transferred to general revenue.

[9.] 10. Any rule or portion of a rule, as that term is defined in section 536.010, that is promulgated under the authority delegated in sections 105.711 to 105.726 shall become effective only if it has been promulgated pursuant to the provisions of chapter 536. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with the provisions of chapter 536. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

506.400. 1. As used in this section, "claimant" means a person convicted and subsequently imprisoned for one or more offenses that such person did not commit.

2. Notwithstanding any other provision of law to the contrary,
a claimant may bring an action in the circuit court seeking damages from the state under this section.

3. (1) The claimant shall establish the following by a preponderance of evidence:
   (a) The claimant was convicted of a felony offense and subsequently imprisoned;
   (b) The claimant's judgment of conviction was reversed or vacated and either the charges were dismissed or on retrial the claimant was found to be not guilty;
   (c) The claimant did not commit the offense or offenses for which the claimant was convicted and was not an accessory or accomplice to the acts that were the basis of the conviction and resulted in a reversal or vacation of the judgment of conviction, dismissal of the charges, or finding of not guilty on retrial; and
   (d) The claimant did not commit or suborn perjury, fabricate evidence, or by the claimant's own conduct cause or bring about the conviction. Neither a confession or admission later found to be false nor a guilty plea shall constitute committing or suborning perjury, fabricating evidence, or causing or bringing about the conviction under this subsection.

(2) The court, in exercising its discretion as permitted by law regarding the weight and admissibility of evidence submitted under this section, may, in the interest of justice, give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence, or other factors not caused by such persons or those acting on their behalf.

4. (1) The cause of action, accompanied by a statement of the facts concerning the claim for damages, verified in the manner provided for the verification of complaints in the rules of civil procedure, shall be brought by the claimant within a period of two years after the:
   (a) Dismissal of the criminal charges against the claimant or finding of not guilty on retrial; or
   (b) Grant of a pardon to the claimant.

(2) A claimant convicted, imprisoned, and released from custody before August 28, 2020, shall commence an action under this section no later than August 28, 2022.
(3) All pleadings shall be captioned "In the matter of the wrongful conviction of".

(4) Any claim filed under this section shall be tried by the court, and no request for a jury trial shall be made.

5. (1) Damages awarded under this section shall be:
   (a) Except as provided in subdivision (2) of this subsection, one hundred seventy-nine dollars per day for each day of imprisonment but no more than sixty-five thousand dollars per fiscal year; and
   (b) Not less than twenty-five thousand dollars for each additional year served on parole, postrelease supervision, or from which the claimant was required to register as a sexual offender under sections 589.400 to 589.425.

   (2) A claimant shall not receive compensation for any period of incarceration during which the claimant was concurrently serving a sentence for a conviction of another crime for which such claimant was lawfully incarcerated.

   (3) (a) Except as provided in paragraph (b) of this subdivision, the court shall order that the award be paid as a combination of an initial payment not to exceed one hundred thousand dollars or twenty-five percent of the award, whichever is greater, and the remainder as an annuity not to exceed eighty thousand dollars per year. The claimant shall designate a beneficiary or beneficiaries for the annuity by filing such designation with the court.

   (b) The court may order that the award be paid in one lump sum if the court finds that it is in the best interests of the claimant.

   (4) In addition to the damages awarded under subdivision (1) of this subsection, the claimant:

   (a) Shall be entitled to receive reasonable attorney's fees and costs incurred in the action brought under this section not to exceed a total of twenty-five thousand dollars, unless a greater reasonable total is authorized by the court upon a finding of good cause shown;

   (b) May also be awarded other nonmonetary relief as sought in the complaint including, but not limited to, counseling, housing assistance, and personal financial literacy assistance, as appropriate; and

   (c) Shall be entitled to receive tuition assistance under section 506.403.
6. (1) If, at the time of the judgment entry referred to in subsection 5 of this section, the claimant has won a monetary award against the state or any political subdivision thereof in a civil action related to the same subject, or has entered into a settlement agreement with the state or any political subdivision thereof related to the same subject, the amount of the award in the action or the amount received in the settlement agreement, less any sums paid to attorneys or for costs in litigating the other civil action or obtaining the settlement agreement, shall be deducted from the sum of moneys to which the claimant is entitled under this section. The court shall include in the judgment entry an award to the state of any amount deducted under this subsection.

(2) If subdivision (1) of this subsection does not apply and if, after the time of the judgment entry referred to in subsection 5 of this section, the claimant wins a monetary award against the state or any political subdivision thereof in a civil action related to the same subject, or enters into a settlement agreement with the state or any political subdivision thereof related to the same subject, the sum of moneys paid under the judgment entry referred to in subsection 5 of this section shall be offset against any monetary award, less any sums paid to attorneys or for costs in litigating the other civil action or obtaining the settlement agreement. Such offset required under this subsection shall not exceed the amount of the monetary award the claimant wins for damages in the other civil action or the amount received in the settlement agreement.

7. If the court finds that the claimant is entitled to a judgment, it shall enter a certificate of innocence finding that the claimant was innocent of all offenses for which the claimant was mistakenly convicted. The clerk of the court shall send a certified copy of the certificate of innocence and the judgment entry to the attorney general for payment under section 105.711.

8. Upon entry of a certificate of innocence, the claimant shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records or recordations of his or her arrest, plea, trial, or conviction and such an order of expungement shall not prevent the claimant from receiving an additional order of expungement for a
felony offense pursuant to section 610.140. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea, or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever, and no such inquiry shall be made for information relating to an expungement under this subsection.

9. Upon entry of a certificate of innocence, the court shall order the expungement and destruction of the associated biological samples authorized by and given to the Missouri state highway patrol. The order shall state the information required to be stated in a petition to expunge and destroy the samples and profile record and shall direct the Missouri state highway patrol to expunge and destroy such samples and profile record. The clerk of the court shall send a certified copy of the order to the Missouri state highway patrol, which shall carry out the order and provide confirmation of such action to the court. Nothing in this subsection shall require the Missouri state highway patrol to expunge and destroy any sample or profile record associated with the claimant that was related to any offense other than the offense for which the court has entered a certificate of innocence. Such an order of expungement shall not prevent the claimant from receiving an additional order of expungement for a felony offense pursuant to section 610.140.

10. The decision to grant or deny a certificate of innocence shall not have a res judicata effect on any other proceedings.

11. Nothing in this section shall preclude the department of corrections from providing reentry services to a claimant that are provided to other persons including, but not limited to, financial assistance, housing assistance, mentoring, and counseling. Such services shall be provided while an action under this section is pending
and after any judgment is entered, as appropriate for such claimant.

12. A decision under this section may be appealed to the supreme court.

506.403. 1. Any individual awarded tuition assistance under section 506.400 shall receive a waiver of tuition and required fees for attendance at a public institution of higher education for up to one hundred twenty credit hours. Such individual may attend a public institution of higher education either full time or part time.

2. (1) Subject to appropriations, the department of higher education and workforce development may make expenditures to reimburse each individual awarded tuition assistance under section 506.400 who is enrolled in a public institution of higher education for additional fees including, but not limited to, fees for room and board, technical equipment, and course-required books.

(2) No public institution of higher education shall delay enrollment of an individual who is awarded tuition assistance under section 506.400 because appropriations are not available for any additional fees provided to such individual.

3. To remain eligible for the tuition and fees waiver under this section, an individual shall remain in good standing at the public institution of higher education where the individual is enrolled.

4. Individuals shall provide a written or electronic copy of the court order awarding relief in the form of tuition assistance to the public institution of higher education or the department of higher education and workforce development.

5. The department of higher education and workforce development shall adopt rules and regulations to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.
Notwithstanding the sovereign immunity of the state, any individual who was found guilty of a felony in a Missouri court and was later determined to be actually innocent of such crime solely as a result of DNA profiling analysis may be paid restitution. The individual may receive an amount of one hundred dollars per day for each day of postconviction incarceration for the crime for which the individual is determined to be actually innocent. The petition for the payment of said restitution shall be filed with the sentencing court. For the purposes of this section, the term "actually innocent" shall mean:

1. The individual was convicted of a felony for which a final order of release was entered by the court;
2. All appeals of the order of release have been exhausted;
3. The individual was not serving any term of a sentence for any other crime concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another concurrent sentence because his or her parole was revoked by a court or the board of probation and parole in connection with the crime for which the person has been exonerated. Regardless of whether any other basis may exist for the revocation of the person's probation or parole at the time of conviction for the crime for which the person is later determined to be actually innocent, when the court's or the board of probation and parole's sole stated reason for the revocation in its order is the conviction for the crime for which the person is later determined to be actually innocent, such order shall, for purposes of this section only, be conclusive evidence that their probation or parole was revoked in connection with the crime for which the person has been exonerated; and
4. Testing ordered under section 547.035, or testing by the order of any state or federal court, if such person was exonerated on or before August 28, 2004, or testing ordered under section 650.055, if such person was or is exonerated after August 28, 2004, demonstrates a person's innocence of the crime for which the person is in custody.

Any individual who receives restitution under this section shall be
37 prohibited from seeking any civil redress from the state, its
departments and agencies, or any employee thereof, or any political
subdivision or its employees. This section shall not be construed
as a waiver of sovereign immunity for any purposes other than the
restitution provided for herein. The department of corrections
shall determine the aggregate amount of restitution owed during
a fiscal year. If insufficient moneys are appropriated each fiscal
year to pay restitution to such persons, the department shall pay
each individual who has received an order awarding restitution a
pro rata share of the amount appropriated. Provided sufficient
moneys are appropriated to the department, the amounts owed to
such individual shall be paid on June thirtieth of each subsequent
fiscal year, until such time as the restitution to the individual has
been paid in full. However, no individual awarded restitution
under this subsection shall receive more than thirty-six thousand
five hundred dollars during each fiscal year. No interest on unpaid
restitution shall be awarded to the individual. No individual who
has been determined by the court to be actually innocent shall be
responsible for the costs of care under section 217.831.

2. If the results of the DNA testing confirm the person's
guilt, then the person filing for DNA testing under section 547.035,
shall:
