9 state auditor within one year from requesting the petition from the state auditor
10 and is signed by the requisite percent of the qualified voters of the political
11 subdivision. The requisite percent of qualified voters to cause such an audit to
12 be conducted shall be determined as follows:

13 (1) If the number of qualified voters of the political subdivision
14 determined on the basis of the votes cast in the last gubernatorial election held
15 prior to the filing of the petition is less than one thousand, twenty-five percent

62 such petition or that the person wishes to rescind such signature. Such
63 statement shall be required to be made within ten days from submission of the

6 and school districts, which now is, or hereafter shall be, authorized to levy taxes
7 or empowered to cause taxes to be levied.

8 2. The governing body of each political subdivision in the state shall cause
9 to be prepared an annual report of the financial transactions of the political
10 subdivision in such summary form as the state auditor shall prescribe by rule,
11 except that the annual report of political subdivisions whose cash receipts for the

13 the cash balance at the beginning of the reporting period, a summary of cash
14 receipts, a summary of cash disbursements and the cash balance at the end of the
15 reporting period.

16 3. Within such time following the end of the fiscal year as the state
17 auditor shall prescribe by rule, the governing body of each political subdivision
18 shall cause a copy of the annual financial report to be remitted to the state
19 auditor.

20 4. The state auditor shall immediately on receipt of each financial report
21 acknowledge the receipt of the report.

22 5. In any fiscal year no member of the governing body of any political
23 subdivision of the state shall receive any compensation or payment of expenses
24 after the end of the time within which the financial statement of the political
25 subdivision is required to be filed with the state auditor and until such time as
26 the notice from the state auditor of the filing of the annual financial report for
27 the fiscal year has been received.

28 6. The state auditor shall prepare sample forms for financial reports and
29 shall mail the same to the political subdivisions of the state. Failure of the

54 accrue until the state auditor's office receives a copy of the financial statement.
55 In the event a copy of the annual financial statement is received within such
56 thirty-day period, no fine shall accrue or be imposed. The state auditor shall
57 report receipt of the financial statement to the department of revenue within ten
58 business days. Failure of the political subdivision to submit the required annual
59 financial statement within such thirty-day period shall cause the fine to be
60 collected as provided under subsection 11 of this section.

61 11. The department of revenue may collect the fine authorized under the
62 provisions of subsection 9 of this section by offsetting any sales or use tax
63 distributions due to the political subdivision. The director of revenue shall retain

73 **13. If a failure to timely submit the annual financial statement**
74 **is the result of fraud or other illegal conduct by an employee or officer**
75 **of the political subdivision, the failure shall not be subject to a fine**
76 **authorized under this section if the statement is filed within thirty**
77 **days of the discovery of the fraud or illegal conduct. If a fine is**
78 **assessed and paid prior to the filing of the statement, the department**
79 **of revenue shall refund the fine upon notification from the political**
80 **subdivision.**

86 **15. The director of revenue shall have the authority to make a**
87 **one-time downward adjustment to any outstanding penalty imposed**
88 **under this section on a political subdivision if the director determines**

67 **city, the district may petition the circuit court having jurisdiction over**
68 **such district to order the extension of the district's boundaries to**

100 the petition.

101 4. If the board deems it for the best interest of the district, it shall grant

111 property shall be included in the district upon the order of the court. If the
112 petition contains the signatures of twenty-five percent of the number of voters

120 was not supported by competent and substantial evidence.
