6 **has refused to withdraw a reservation of rights or declined coverage**  
7 **for such unliquidated claim**, whereby, in consideration of the payment of a

10 or corporation claiming by or through him or her will levy execution, by  
11 garnishment or as otherwise provided by law, except against the specific assets  
12 listed in the contract and except against any insurer which insures the legal  
13 liability of the tort-feasor for such damage and which insurer is not excepted from  
14 execution, garnishment or other legal procedure by such contract. Execution or  
15 garnishment proceedings in aid thereof shall lie only as to assets of the  
16 tort-feasor specifically mentioned in the contract or the insurer or insurers not  
17 excluded in such contract. Such contract, when properly acknowledged by the  
18 parties thereto, may be recorded in the office of the recorder of deeds in any  
19 county where a judgment may be rendered, or in the county of the residence of  
20 the tort-feasor, or in both such counties, and if the same is so recorded then such  
21 tort-feasor's property, except as to the assets specifically listed in the contract,  
22 shall not be subject to any judgment lien as the result of any judgment rendered  
23 against the tort-feasor, arising out of the transaction for which the contract is  
24 entered into.

25 2. [Before a judgment may be entered against any tort-feasor after such  
26 tort-feasor has entered into a contract under this section, the insurer or insurers  
27 shall be provided with written notice of the execution of the contract and shall  
28 have thirty days after receipt of such notice to intervene as a matter of right in  
29 any pending lawsuit involving the claim for damages.] **If any action seeking**  
30 **a judgment on the claim against the tort-feasor is pending at the time**  
31 **of the execution of any contract entered into under this section, then,**  
32 **within thirty days after such execution, the tort-feasor shall provide his**  
33 **or her insurer or insurers with a copy of the executed contract and a**  
34 **copy of any such action. If any action seeking a judgment on the claim**  
35 **against the tort-feasor is pending at the time of the execution of any**

36 contract entered into under this section but is thereafter dismissed,  
37 then, within thirty days after the refileing of that action or the filing of  
38 any subsequent action arising out of the claim for damages against the  
39 tort-feasor, the tort-feasor shall provide his or her insurer or insurers  
40 with a copy of the executed contract and a copy of the refiled or  
41 subsequently filed action seeking a judgment on the claim against the  
42 tort-feasor. If no action seeking a judgment on the claim against the  
43 tort-feasor is pending at the time of the execution of any contract  
44 entered into under this section, then, within thirty days after the tort-  
45 feasor receives notice of any subsequent action, by service of process  
46 or otherwise, the tort-feasor shall provide his or her insurer or insurers  
47 with a copy of the executed contract and a copy of any action seeking  
48 a judgment on the claim against the tort-feasor.

49 3. No judgment shall be entered against any tort-feasor after  
50 such tort-feasor has entered into a contract under this section for at  
51 least thirty days after the insurer or insurers have received written  
52 notice as provided in subsection 2 of this section.

53 4. Any insurer or insurers who receive notice under this section  
54 shall have the unconditional right to intervene in any pending civil  
55 action involving the claim for damages within thirty days after receipt  
56 of such notice. Upon intervention under this section, the intervenor  
57 shall have all rights afforded to defendants under the Missouri rules of  
58 civil procedure including, but not limited to, the right to conduct  
59 discovery, the right to engage in motion practice, and the right to a  
60 trial by jury. The intervenor shall also have the right to assert any  
61 rights or raise any defenses available to the tort-feasor and to assert  
62 any rights or raise any defenses that would have been available to the  
63 tort-feasor in the absence of the contract entered into under this  
64 section or other agreement between the parties to that  
65 contract. However, nothing in this section shall alter or reduce the  
66 intervening insurer's obligations to any insureds other than the  
67 tort-feasor, including any coinsureds of the defendant tort-feasor.

68 5. The provisions of this section shall apply to any covenant not to execute  
69 or any contract to limit recovery to specified assets, regardless of whether it is  
70 referred to as a contract under this section.

71 6. All terms of any covenant not to execute or of any contract to  
72 limit recovery to specified assets, regardless of whether it is referred

73 to as a contract under this section, shall be in writing and signed by  
74 the parties to the covenant or contract. No unwritten term of any  
75 covenant not to execute or of any contract to limit recovery to specified  
76 assets, regardless of whether it is referred to as a contract under this  
77 section, shall be enforceable against any party to the covenant or  
78 contract, the liability insurer of any party to the covenant or contract,  
79 or any other person or entity.

80 [4.] 7. Nothing in this section shall be construed to prohibit an insured  
81 from bringing a separate action asserting that the insurer acted in bad faith. In  
82 any such action for bad faith, any agreement between the tort-feasor  
83 and insured, including any contract under this section, shall be  
84 admissible in evidence. The exercise of any rights under this section  
85 shall not constitute, nor be construed to be bad faith.

86 8. As used in this section, the term "insurer" shall include any  
87 entity authorized to transact liability insurance business in this state  
88 including, but not limited to, any liability insurance company  
89 organized, incorporated, or doing business under the provisions of  
90 chapter 379, any entity formed under section 537.620, any entity that is  
91 subject to sections 537.700 to 537.756, or any entity that provides risk  
92 management services to any public or private entity.

Section B. Because of the COVID-19 pandemic, the repeal and  
2 reenactment of section 537.037 of this act is deemed necessary for the immediate  
3 preservation of the public health, welfare, peace and safety, and is hereby  
4 declared to be an emergency act within the meaning of the constitution, and the  
5 repeal and reenactment of section 537.037 of this act shall be in full force and  
6 effect upon its passage and approval.
