Lord God, give to us the trust and faithfulness of Your servant Job that we may also trust You no matter how difficult the work that is before us becomes and how hard the journey through these final days of session may be. Help us Lord to have such a trust in You that we will know Your presence among us and be willing to make bold steps to address the challenges and work we must complete. And help us Lord to keep a mind that is at rest in You so we may always be at peace with what is asked of us. In Your Holy Name we pray. Amen.

(18) “Publicly traded partnership”, the same meaning as used in 26 U.S.C. Section 7704(b), and any amendments thereto;

(19) “Reallocation adjustment”, a federal adjustment resulting from a partnership level audit or an administrative adjustment request that changes the shares of one or more items of partnership income, gain, loss, expense, or credit allocated to direct partners. Section 6225(a)(2), and changes required to be reported under section 143.601, a taxpayer shall report and pay any Missouri tax due with respect to final federal adjustments arising from an audit or other action by the IRS or reported by the taxpayer on a timely filed amended federal income tax return, including a return or other similar report filed under 26 U.S.C. Section 6225(c)(2), or federal claim for refund, by filing a federal adjustments report with the department of revenue for the reviewed year and, if applicable, paying the additional Missouri tax owed by the taxpayer no later than one hundred eighty days after the final determination date.

3. Except for adjustments required to be reported for federal purposes under 26 U.S.C. Section 6225(a)(2), partnerships and partners shall report final federal adjustments arising from a partnership level audit or an administrative adjustment request and make payments as required under subsections 3 to 9 of this section.

4. (1) With respect to an action required or permitted to be taken by a partnership under subsections 3 to 9 of this section, a proceeding under section 143.631 for reconsideration by the director of revenue, appeal to the administrative hearing commission, or review by the judiciary with

respect to such action, the state partnership representative for the reviewed year shall have the sole authority to act on behalf of the partnership, and the partnership's direct partners and indirect partners shall be bound by those actions.

(2) The state partnership representative for the reviewed year is the partnership's federal partnership representative unless the partnership designates in writing another person as its state partnership representative.

(3) The department of revenue may establish reasonable qualifications and procedures for designating a person, other than the federal partnership representative, to be the state partnership representative.

(4) The state partnership representative shall be considered an authorized representative of the partnership and its partners under section 32.057 for the purposes of compliance with this section, or participating in a proceeding described in subdivision (1) of this section.

5. Final federal adjustments subject to the requirements of subsections 3 to 9 of this section, except for those subject to a properly made election under subsection 6 of this section, shall be reported as follows:

(1) No later than ninety days after the final determination date, the partnership shall:

(a) File a completed federal adjustments report with the department of revenue, including information as required by the department of revenue;

(b) Notify each of its direct partners of their distributive share of the final federal adjustments including information as required by the department of revenue;

(c) Pay any additional amount under section 143.411 that would have been due had the final federal adjustments originally been reported properly, unless the partnership is a publicly traded partnership; and

(d) If the partnership is a publicly traded partnership, report such information as is required by the department of revenue and in the manner and format as required by department of revenue instruction, including the name, address, and taxpayer identification number of each direct partner with income in Missouri which the publicly traded partnership can reasonably determine to be:

a. Six hundred dollars or more if the partner is an individual; or

b. One hundred dollars or more if the partner is a corporation or entity other than an individual;

(2) No later than one hundred eighty days after the final determination date, each direct partner that is subject to tax under sections 143.011 to 143.996, section 153.020, chapter 148, or a Missouri tax on insurance companies or insurance providers, shall:

(a) File a federal adjustments report reporting the distributive share of the adjustments reported to them under paragraph (b) of subdivision (1) of this subsection; and

(b) Pay any additional amount of tax due as if final federal adjustments had been properly reported, plus any penalty and interest due under sections 143.011 to 143.996 or any other provision of law, and less any credit for related amounts paid or withheld and remitted on behalf of the direct partner. The rate of interest on any amount due shall be determined by section 32.068.

6. (1) Subject to the limitations provided under subdivision (2) of this subsection, an audited partnership making an election under this subsection shall:

(a) No later than ninety days after the final determination date, file a completed federal adjustments report, including information as required by department of revenue, and notify the department of revenue that it is making the election under this subsection;

(b) No later than ninety days after the final determination date, pay an amount, determined as follows, in lieu of taxes owed by its direct and indirect partners:

a. Exclude from final federal adjustments the distributive share of such adjustments reported to a direct exempt partner not subject to tax under sections 143.011 to 143.996;

b. For the total distributive shares of the remaining final federal adjustments reported to direct corporate partners subject to tax under section 143.071, and to direct exempt partners subject to tax under sections 143.011 to 143.996, apportion and allocate such adjustments as provided under section 143.455 if applicable, and multiply the resulting amount by the tax rate provided under section 143.071 for direct corporate partners and direct exempt partners that are corporations, or the top rate of tax under section 143.011 for direct exempt partners that are not corporations;

c. For the total distributive shares of the remaining final federal adjustments reported to non-resident direct partners subject to tax under sections 143.011 to 143.996, determine the amount of such adjustments which is derived from or connected with sources in Missouri as described in section 143.421, and multiply the resulting amount by the highest rate of tax under section 143.011;

d. For the total distributive shares of the remaining final federal adjustments reported to tiered partners:

(i) Determine the amount of such adjustments which is of a type such that it would be subject to sourcing to this state under section 143.421; and then determine the portion of such amount that would be sourced to the state under section 143.421;

(ii) Determine the amount of such adjustments which is of a type such that it would not be subject to sourcing to Missouri by a nonresident partner under section 143.421;

(iii) Determine the portion of the amount determined in item (ii) of this subparagraph that can be established, under regulation issued by the department of revenue, to be properly allocable to nonresident indirect partners or other partners not subject to tax on the adjustments;

(iv) Multiply the sum of the amounts determined in items (i) and (ii) of this subparagraph, reduced by the amount determined in item (iii) of this subparagraph, by the highest rate of tax under section 143.011;

e. For the total distributive shares of the remaining final federal adjustments reported to resident direct partners subject to tax under section 143.011 or 143.061, multiply such amount by the highest rate of tax under section 143.011;

f. For the total distributive shares of the remaining final federal adjustments reported to direct partners subject to tax under chapter 148, section 153.020, or a Missouri tax on insurance companies or insurance providers, apportion and allocate such adjustments in the manner provided by law for such tax, if applicable, and multiply the resulting amount by the tax rate applicable to such direct partner;

g. Add the amounts determined under subparagraphs b to f of this paragraph, in addition to any penalty and interest as provided under sections 143.011 to 143.961 or any other provision of law. The rate of interest on any amount due shall be determined by section 32.068.

(2) Final federal adjustments subject to the election provided for under this subsection shall not include:

(a) The distributive share of final audit adjustments that would, under section 143.455, be included in the apportionable income of any direct or indirect corporate partner, provided that the audited partnership can reasonably determine such amount; and

(b) Any final federal adjustments resulting from an administrative adjustment request.

(3) An audited partnership not otherwise subject to any reporting or payment obligation to Missouri that makes an election under this subsection consents to be subject to Missouri law related to reporting, assessment, payment, and collection of Missouri tax calculated under this subsection.

7. The direct and indirect partners of an audited partnership that are tiered partners, and all of the partners of such tiered partners that are subject to tax under sections 143.011 to 143.961, shall be subject to the reporting and payment requirements of subsection 5 of this section, and such tiered partners shall be entitled to make the election provided under subsection 6 of this section. The tiered partners or their partners shall make required reports and payments no later than ninety days after the time for filing and furnishing statements to tiered partners and their partners as established under 26 U.S.C. Section 6226. The department of revenue may promulgate rules to establish procedures and interim time periods for the reports and payments required by tiered partners and their partners, and for making the elections under subsection 6 of this section.

8. (1) The election made under subsection 6 of this section shall be irrevocable, unless the director of revenue, in his or her discretion or that of the directors' designee, determines otherwise.

(2) If properly reported and paid by the audited partnership or tiered partner, the amount determined under subdivision (2) of subsection 6 of this section shall be treated as paid in lieu of taxes owed by its direct and indirect partners, to the extent applicable, on the same final federal adjustments. The direct partners or indirect partners shall not take any deduction or credit on the determined amount, or claim a refund of such amount in this state. Nothing in this subsection shall preclude a direct resident partner from claiming a credit against the tax otherwise due to this state under section 143.081, or any amounts paid by the audited partnership or tiered partner on the resident partner's behalf to another state or local tax jurisdiction in accordance with the provisions of section 143.081.

9. Nothing in subsections 3 to 9 of this section shall be construed to prevent the department of revenue from assessing direct partners or indirect partners for taxes owed by such partners, using the best information available, in the event that a partnership or tiered partner fails to timely make any report or payment required under subsections 3 to 9 of this section for any reason.

10. The department of revenue shall assess additional tax, interest, additions to tax, and penalties arising from final federal adjustments arising from an audit by the IRS, including a partnership level audit, or reported by the taxpayer on an amended federal income tax return, or as part of an administrative adjustment request by no later than the latest of the following dates:

(1) If a taxpayer files with the department of revenue a federal adjustments report or an amended Missouri tax return as required within the period provided under subsections 2 to 9 of this section, the department of revenue shall assess any amounts, including taxes, interest, additions to tax, and penalties arising from such federal adjustments if the department of revenue issues a notice of the assessment to the taxpayer no later than:

(a) The expiration of the limitations period provided under section 143.711; or

(b) The expiration of the one year period following the date of filing with the department of revenue of the federal adjustments report;

(2) If the taxpayer fails to file the federal adjustments report within the period provided under subsections 2 to 9 of this section, as appropriate, or the federal adjustments report filed by the taxpayer omits final federal adjustments or understates the correct amount of tax owed, the department of revenue shall assess amounts or additional amounts including taxes, interest, additions to tax, and penalties arising from the final federal adjustments, if it mails a notice of the assessment to the taxpayer by a date which is the latest of the following:

(a) The expiration of the limitations period provided under section 143.711;

(b) The expiration of the one year period following the date the federal adjustments report was filed with the department of revenue; or

(c) Absent fraud, the expiration of the six-year period following the final determination date.

11. A taxpayer may make estimated payments to the department of revenue of the Missouri tax expected to result from a pending IRS audit, prior to the due date of the federal adjustments report, without having to file such report with the department of revenue. The estimated tax payments shall be credited against any tax liability ultimately found to be due to Missouri and shall limit the accrual of further interest on such amount. If the estimated tax payments exceed the final tax liability and interest ultimately determined to be due, the taxpayer shall be entitled to a refund or credit for the excess, provided the taxpayer files a federal adjustments report or claim for refund or credit of tax under section 143.781 or 143.821 no later than one year following the final determination date.

12. Except for final federal adjustments required to be reported for federal purposes under 26 U.S.C. Section 6225(a)(2), a taxpayer may file a claim for refund or credit of tax arising from federal adjustments made by the IRS on or before the later of:

(1) The expiration of the last day for filing a claim for refund or credit of Missouri tax under section 143.801, including any extensions; or

(2) One year from the date a federal adjustments report required under subsections 2 to 9 of this section, as applicable, was due to the department of revenue, including any extensions provided under subsection 13 of this section.

The federal adjustments report shall serve as the means for the taxpayer to report additional tax due, report a claim for refund or credit of tax, and make other adjustments resulting from adjustments to the taxpayer's federal taxable income.

13. (1) Unless otherwise agreed in writing by the taxpayer and the department of revenue, any adjustments by the department or by the taxpayer made after the expiration of the appropriate limitations period provided under section 143.711 or 143.801 shall be limited to changes to the

taxpayer's tax liability arising from federal adjustments.

(2) For purposes of compliance with this section, the time periods provided for in chapter 143 may be extended:

(a) Automatically, upon written notice to the department of revenue, by ninety days for an audited partnership or tiered partner which has one hundred or more direct partners; or

(b) By written agreement between the taxpayer and the department of revenue.

(3) Any extension granted under this subsection for filing the federal adjustments report extends the last day prescribed by law for assessing any additional tax arising from the adjustments to federal taxable income and the period for filing a claim for refund or credit of taxes under section 143.781 or 143.821.

14. The department of revenue shall promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.

15. The provisions of this section shall apply to any adjustments to a taxpayer's federal taxable income or federal adjusted gross income with a final determination date occurring on or after January 1, 2021."; and

Further amend said bill, Pages 26-27, Section 144.805, Lines 1-34, by deleting all of said section and lines from the bill; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
