AN ACT

To repeal sections 94.902, 137.115, 137.280, 143.121, and 144.757, RSMo, and to enact in lieu thereof eight new sections relating to taxation, with an emergency clause for a certain section.

47 classification with more than two thousand one hundred but
48 fewer than two thousand four hundred inhabitants as the
49 county seat.

50 2. The governing body of any city listed in subsection
51 1 of this section may impose, by order or ordinance, a sales

52 tax on all retail sales made in the city which are subject
53 to taxation under chapter 144. The tax authorized in this
54 section may be imposed in an amount of up to one-half of one
55 percent, and shall be imposed solely for the purpose of
56 improving the public safety for such city, including but not
57 limited to expenditures on equipment[,]; city employee
58 salaries and benefits[,]; and facilities for police, fire
59 and emergency medical providers. The tax authorized in this
60 section shall be in addition to all other sales taxes
61 imposed by law, and shall be stated separately from all
62 other charges and taxes. The order or ordinance imposing a
63 sales tax under this section shall not become effective
64 unless the governing body of the city submits to the voters
65 residing within the city, at a county or state general,
66 primary, or special election, a proposal to authorize the
67 governing body of the city to impose a tax under this
68 section.

69 3. The ballot of submission for the tax authorized in
70 this section shall be in substantially the following form:

71 Shall the city of _____ [(city's name)] impose
72 a citywide sales tax at a rate of _____
73 [(insert rate of percent)] percent for the purpose
74 of improving the public safety of the city?

75 YES NO

76 If you are in favor of the question, place an "X"
77 in the box opposite "YES". If you are opposed to
78 the question, place an "X" in the box opposite
79 "NO".

80 If a majority of the votes cast on the proposal by the
81 qualified voters voting thereon are in favor of the
82 proposal, then the ordinance or order and any amendments to
83 the order or ordinance shall become effective on the first
84 day of the second calendar quarter after the director of

85 revenue receives notice of the adoption of the sales tax.
86 If a majority of the votes cast on the proposal by the
87 qualified voters voting thereon are opposed to the proposal,
88 then the tax shall not become effective unless the proposal
89 is resubmitted under this section to the qualified voters
90 and such proposal is approved by a majority of the qualified
91 voters voting on the proposal. However, in no event shall a
92 proposal under this section be submitted to the voters
93 sooner than twelve months from the date of the last proposal
94 under this section.

95 4. Any sales tax imposed under this section shall be
96 administered, collected, enforced, and operated as required
97 in section 32.087. All sales taxes collected by the
98 director of the department of revenue under this section on
99 behalf of any city, less one percent for cost of collection
100 which shall be deposited in the state's general revenue fund
101 after payment of premiums for surety bonds as provided in
102 section 32.087, shall be deposited in a special trust fund,
103 which is hereby created in the state treasury, to be known
104 as the "City Public Safety Sales Tax Trust Fund". The
105 moneys in the trust fund shall not be deemed to be state
106 funds and shall not be commingled with any funds of the
107 state. The provisions of section 33.080 to the contrary
108 notwithstanding, money in this fund shall not be transferred
109 and placed to the credit of the general revenue fund. The
110 director shall keep accurate records of the amount of money
111 in the trust fund and which was collected in each city
112 imposing a sales tax under this section, and the records
113 shall be open to the inspection of officers of the city and
114 the public. Not later than the tenth day of each month the
115 director shall distribute all moneys deposited in the trust
116 fund during the preceding month to the city which levied the
117 tax. Such funds shall be deposited with the city treasurer

118 of each such city, and all expenditures of funds arising
119 from the trust fund shall be by an appropriation act to be
120 enacted by the governing body of each such city.
121 Expenditures may be made from the fund for any functions
122 authorized in the ordinance or order adopted by the
123 governing body submitting the tax to the voters. If the tax
124 is repealed, all funds remaining in the special trust fund
125 shall continue to be used solely for the designated
126 purposes. Any funds in the special trust fund which are not
127 needed for current expenditures shall be invested in the
128 same manner as other funds are invested. Any interest and
129 moneys earned on such investments shall be credited to the
130 fund.

131 5. The director of the department of revenue may
132 authorize the state treasurer to make refunds from the
133 amounts in the trust fund and credited to any city for
134 erroneous payments and overpayments made, and may redeem
135 dishonored checks and drafts deposited to the credit of such
136 cities. If any city abolishes the tax, the city shall
137 notify the director of the action at least ninety days
138 before the effective date of the repeal, and the director
139 may order retention in the trust fund, for a period of one
140 year, of two percent of the amount collected after receipt
141 of such notice to cover possible refunds or overpayment of
142 the tax and to redeem dishonored checks and drafts deposited
143 to the credit of such accounts. After one year has elapsed
144 after the effective date of abolition of the tax in such
145 city, the director shall remit the balance in the account to
146 the city and close the account of that city. The director
147 shall notify each city of each instance of any amount
148 refunded or any check redeemed from receipts due the city.

149 6. The governing body of any city that has adopted the
150 sales tax authorized in this section may submit the question

151 of repeal of the tax to the voters on any date available for
152 elections for the city. The ballot of submission shall be
153 in substantially the following form:

154 Shall the city of _____ [(insert the name of
155 the city)] repeal the sales tax imposed at a rate
156 of _____ [(insert rate of percent)] percent
157 for the purpose of improving the public safety of
158 the city?

159 YES NO

160 If a majority of the votes cast on the proposal are in favor
161 of repeal, that repeal shall become effective on December
162 thirty-first of the calendar year in which such repeal was
163 approved. If a majority of the votes cast on the question
164 by the qualified voters voting thereon are opposed to the
165 repeal, then the sales tax authorized in this section shall
166 remain effective until the question is resubmitted under
167 this section to the qualified voters, and the repeal is
168 approved by a majority of the qualified voters voting on the
169 question.

170 7. Whenever the governing body of any city that has
171 adopted the sales tax authorized in this section receives a
172 petition, signed by ten percent of the registered voters of
173 the city voting in the last gubernatorial election, calling
174 for an election to repeal the sales tax imposed under this
175 section, the governing body shall submit to the voters of
176 the city a proposal to repeal the tax. If a majority of the
177 votes cast on the question by the qualified voters voting
178 thereon are in favor of the repeal, that repeal shall become
179 effective on December thirty-first of the calendar year in
180 which such repeal was approved. If a majority of the votes
181 cast on the question by the qualified voters voting thereon
182 are opposed to the repeal, then the tax shall remain

183 effective until the question is resubmitted under this
184 section to the qualified voters and the repeal is approved
185 by a majority of the qualified voters voting on the question.

186 8. Any sales tax imposed under this section by a city
187 described under subdivision (6) of subsection 1 of this
188 section that is in effect as of December 31, 2038, shall
189 automatically expire. No city described under subdivision
190 (6) of subsection 1 of this section shall collect a sales
191 tax pursuant to this section on or after January 1, 2039.
192 Subsection 7 of this section shall not apply to a sales tax
193 imposed under this section by a city described under
194 subdivision (6) of subsection 1 of this section.

195 9. Except as modified in this section, all provisions
196 of sections 32.085 and 32.087 shall apply to the tax imposed
197 under this section.

135.755. 1. For the purposes of this section, the
2 following terms shall mean:

3 (1) "Department", the Missouri department of revenue;

4 (2) "Higher ethanol blend", a fuel capable of being
5 dispensed directly into motor vehicle fuel tanks for
6 consumption that is comprised of at least fifteen percent
7 but not more than eighty-five percent ethanol;

8 (3) "Retail dealer", a person that owns or operates a
9 retail service station;

10 (4) "Retail service station", a location from which
11 higher ethanol blend is sold to the general public and is
12 dispensed directly into motor vehicle fuel tanks for
13 consumption.

14 2. For all tax years beginning on or after January 1,
15 2022, a retail dealer that sells higher ethanol blend at
16 such retail dealer's retail service station shall be allowed
17 a tax credit to be taken against the retail dealer's state
18 income tax liability. The amount of the credit shall equal

19 five cents per gallon of higher ethanol blend sold by the
20 retail dealer and dispensed through metered pumps at the
21 retail dealer's retail service station during the tax year
22 in which the tax credit is claimed. Tax credits authorized
23 pursuant to this section shall not be transferred, sold, or
24 assigned. If the amount of the tax credit exceeds the
25 taxpayer's state tax liability, the difference shall not be
26 refundable, but may be carried forward to any of the five
27 subsequent tax years. The total amount of tax credits
28 authorized pursuant to this section for any given fiscal
29 year shall not exceed four million dollars.

30 3. The tax credit allowed by this section shall be
31 claimed by such taxpayer at the time such taxpayer files a
32 return and shall be applied against the income tax liability
33 imposed by chapter 143 after reduction for all other credits
34 allowed thereon. The department may require any
35 documentation it deems necessary to implement the provisions
36 of this section.

37 4. The department shall promulgate rules to implement
38 the provisions of this section. Any rule or portion of a
39 rule, as that term is defined in section 536.010, that is
40 created under the authority delegated in this section shall
41 become effective only if it complies with and is subject to
42 all of the provisions of chapter 536 and, if applicable,
43 section 536.028. This section and chapter 536 are
44 nonseverable and if any of the powers vested with the
45 general assembly pursuant to chapter 536 to review, to delay
46 the effective date, or to disapprove and annul a rule are
47 subsequently held unconstitutional, then the grant of
48 rulemaking authority and any rule proposed or adopted after
49 August 28, 2021, shall be invalid and void.

50 5. Pursuant to section 23.253 of the Missouri sunset
51 act:

52 (1) The provisions of this section shall automatically
53 sunset on December 31, 2027, unless reauthorized by an act
54 of the general assembly; and

55 (2) If such program is reauthorized, the program
56 authorized under this section shall automatically sunset
57 twelve years after the effective date of the reauthorization
58 of this section; and

59 (3) This section shall terminate on September first of
60 the calendar year immediately following the calendar year in
61 which the program authorized under this section is sunset.

137.115. 1. All other laws to the contrary
2 notwithstanding, the assessor or the assessor's deputies in
3 all counties of this state including the City of St. Louis
4 shall annually make a list of all real and tangible personal
5 property taxable in the assessor's city, county, town or
6 district. Except as otherwise provided in subsection [3] 4
7 of this section and section 137.078, the assessor shall
8 annually assess all personal property at [thirty-three and
9 one-third] a percent of its true value in money as of
10 January first of each calendar year as follows:

11 (1) For all calendar years ending on or before
12 December 31, 2021, thirty-three and one-third percent;

13 (2) For the 2022 calendar year, twenty-five percent;

14 (3) For the 2023 calendar year, nineteen percent;

15 (4) For the 2024 calendar year, thirteen percent;

16 (5) For the 2025 calendar year, seven percent;

17 (6) For all calendar years beginning on or after
18 January 1, 2026, one-thousandth of one percent.

19 2. The assessor shall annually assess all real
20 property, including any new construction and improvements to
21 real property, and possessory interests in real property at
22 the percent of its true value in money set in subsection [5]
23 6 of this section. The true value in money of any

24 possessory interest in real property in subclass (3), where
25 such real property is on or lies within the ultimate airport
26 boundary as shown by a federal airport layout plan, as
27 defined by 14 CFR 151.5, of a commercial airport having a
28 FAR Part 139 certification and owned by a political
29 subdivision, shall be the otherwise applicable true value in
30 money of any such possessory interest in real property, less
31 the total dollar amount of costs paid by a party, other than
32 the political subdivision, towards any new construction or
33 improvements on such real property completed after January
34 1, 2008, and which are included in the above-mentioned
35 possessory interest, regardless of the year in which such
36 costs were incurred or whether such costs were considered in
37 any prior year. The assessor shall annually assess all real
38 property in the following manner: new assessed values shall
39 be determined as of January first of each odd-numbered year
40 and shall be entered in the assessor's books; those same
41 assessed values shall apply in the following even-numbered
42 year, except for new construction and property improvements
43 which shall be valued as though they had been completed as
44 of January first of the preceding odd-numbered year,
45 provided that no real residential property shall be assessed
46 at a value that exceeds the previous assessed value for such
47 property, exclusive of new construction and improvements, by
48 more than the percentage increase in the consumer price
49 index or five percent, whichever is greater. The assessor
50 may call at the office, place of doing business, or
51 residence of each person required by this chapter to list
52 property, and require the person to make a correct statement
53 of all taxable tangible personal property owned by the
54 person or under his or her care, charge or management,
55 taxable in the county. On or before January first of each
56 even-numbered year, the assessor shall prepare and submit a

57 two-year assessment maintenance plan to the county governing
58 body and the state tax commission for their respective
59 approval or modification. The county governing body shall
60 approve and forward such plan or its alternative to the plan
61 to the state tax commission by February first. If the
62 county governing body fails to forward the plan or its
63 alternative to the plan to the state tax commission by
64 February first, the assessor's plan shall be considered
65 approved by the county governing body. If the state tax
66 commission fails to approve a plan and if the state tax
67 commission and the assessor and the governing body of the
68 county involved are unable to resolve the differences, in
69 order to receive state cost-share funds outlined in section
70 137.750, the county or the assessor shall petition the
71 administrative hearing commission, by May first, to decide
72 all matters in dispute regarding the assessment maintenance
73 plan. Upon agreement of the parties, the matter may be
74 stayed while the parties proceed with mediation or
75 arbitration upon terms agreed to by the parties. The final
76 decision of the administrative hearing commission shall be
77 subject to judicial review in the circuit court of the
78 county involved. In the event a valuation of subclass (1)
79 real property within any county with a charter form of
80 government, or within a city not within a county, is made by
81 a computer, computer-assisted method or a computer program,
82 the burden of proof, supported by clear, convincing and
83 cogent evidence to sustain such valuation, shall be on the
84 assessor at any hearing or appeal. In any such county,
85 unless the assessor proves otherwise, there shall be a
86 presumption that the assessment was made by a computer,
87 computer-assisted method or a computer program. Such
88 evidence shall include, but shall not be limited to, the
89 following:

90 (1) The findings of the assessor based on an appraisal
91 of the property by generally accepted appraisal techniques;
92 and

93 (2) The purchase prices from sales of at least three
94 comparable properties and the address or location thereof.
95 As used in this subdivision, the word "comparable" means
96 that:

97 (a) Such sale was closed at a date relevant to the
98 property valuation; and

99 (b) Such properties are not more than one mile from
100 the site of the disputed property, except where no similar
101 properties exist within one mile of the disputed property,
102 the nearest comparable property shall be used. Such
103 property shall be within five hundred square feet in size of
104 the disputed property, and resemble the disputed property in
105 age, floor plan, number of rooms, and other relevant
106 characteristics.

107 [2.] 3. Assessors in each county of this state and the
108 City of St. Louis may send personal property assessment
109 forms through the mail.

110 [3.] 4. The following items of personal property shall
111 each constitute separate subclasses of tangible personal
112 property and shall be assessed and valued for the purposes
113 of taxation at the following percentages of their true value
114 in money:

115 (1) Grain and other agricultural crops in an
116 unmanufactured condition, one-half of one percent;

117 (2) Livestock, twelve percent;

118 (3) Farm machinery, twelve percent;

119 (4) Motor vehicles which are eligible for registration
120 as and are registered as historic motor vehicles pursuant to
121 section 301.131 and aircraft which are at least twenty-five
122 years old and which are used solely for noncommercial

123 purposes and are operated less than fifty hours per year or
124 aircraft that are home built from a kit, five percent;

125 (5) Poultry, twelve percent; and

126 (6) Tools and equipment used for pollution control and
127 tools and equipment used in retooling for the purpose of
128 introducing new product lines or used for making
129 improvements to existing products by any company which is
130 located in a state enterprise zone and which is identified
131 by any standard industrial classification number cited in
132 subdivision (7) of section 135.200, twenty-five percent.

133 [4.] 5. The person listing the property shall enter a
134 true and correct statement of the property, in a printed
135 blank prepared for that purpose. The statement, after being
136 filled out, shall be signed and either affirmed or sworn to
137 as provided in section 137.155. The list shall then be
138 delivered to the assessor.

139 [5.] 6. (1) All subclasses of real property, as such
140 subclasses are established in Section 4(b) of Article X of
141 the Missouri Constitution and defined in section 137.016,
142 shall be assessed at the following percentages of true value:

143 (a) For real property in subclass (1), nineteen
144 percent;

145 (b) For real property in subclass (2), twelve percent;
146 and

147 (c) For real property in subclass (3), thirty-two
148 percent.

149 (2) A taxpayer may apply to the county assessor, or,
150 if not located within a county, then the assessor of such
151 city, for the reclassification of such taxpayer's real
152 property if the use or purpose of such real property is
153 changed after such property is assessed under the provisions
154 of this chapter. If the assessor determines that such
155 property shall be reclassified, he or she shall determine

156 the assessment under this subsection based on the percentage
157 of the tax year that such property was classified in each
158 subclassification.

159 [6.] 7. Manufactured homes, as defined in section
160 700.010, which are actually used as dwelling units shall be
161 assessed at the same percentage of true value as residential
162 real property for the purpose of taxation. The percentage
163 of assessment of true value for such manufactured homes
164 shall be the same as for residential real property. If the
165 county collector cannot identify or find the manufactured
166 home when attempting to attach the manufactured home for
167 payment of taxes owed by the manufactured home owner, the
168 county collector may request the county commission to have
169 the manufactured home removed from the tax books, and such
170 request shall be granted within thirty days after the
171 request is made; however, the removal from the tax books
172 does not remove the tax lien on the manufactured home if it
173 is later identified or found. For purposes of this section,
174 a manufactured home located in a manufactured home rental
175 park, rental community or on real estate not owned by the
176 manufactured home owner shall be considered personal
177 property. For purposes of this section, a manufactured home
178 located on real estate owned by the manufactured home owner
179 may be considered real property.

180 [7.] 8. Each manufactured home assessed shall be
181 considered a parcel for the purpose of reimbursement
182 pursuant to section 137.750, unless the manufactured home is
183 real estate as defined in subsection 7 of section 442.015
184 and assessed as a realty improvement to the existing real
185 estate parcel.

186 [8.] 9. Any amount of tax due and owing based on the
187 assessment of a manufactured home shall be included on the
188 personal property tax statement of the manufactured home

189 owner unless the manufactured home is real estate as defined
190 in subsection 7 of section 442.015, in which case the amount
191 of tax due and owing on the assessment of the manufactured
192 home as a realty improvement to the existing real estate
193 parcel shall be included on the real property tax statement
194 of the real estate owner.

195 [9.] 10. The assessor of each county and each city not
196 within a county shall use the trade-in value published in
197 the October issue of the National Automobile Dealers'
198 Association Official Used Car Guide, or its successor
199 publication, as the recommended guide of information for
200 determining the true value of motor vehicles described in
201 such publication. The assessor shall not use a value that
202 is greater than the average trade-in value in determining
203 the true value of the motor vehicle without performing a
204 physical inspection of the motor vehicle. For vehicles two
205 years old or newer from a vehicle's model year, the assessor
206 may use a value other than average without performing a
207 physical inspection of the motor vehicle. In the absence of
208 a listing for a particular motor vehicle in such
209 publication, the assessor shall use such information or
210 publications which in the assessor's judgment will fairly
211 estimate the true value in money of the motor vehicle.

212 [10.] 11. Before the assessor may increase the
213 assessed valuation of any parcel of subclass (1) real
214 property by more than fifteen percent since the last
215 assessment, excluding increases due to new construction or
216 improvements, the assessor shall conduct a physical
217 inspection of such property.

218 [11.] 12. If a physical inspection is required,
219 pursuant to subsection [10] 11 of this section, the assessor
220 shall notify the property owner of that fact in writing and
221 shall provide the owner clear written notice of the owner's

222 rights relating to the physical inspection. If a physical
223 inspection is required, the property owner may request that
224 an interior inspection be performed during the physical
225 inspection. The owner shall have no less than thirty days
226 to notify the assessor of a request for an interior physical
227 inspection.

228 [12.] 13. A physical inspection, as required by
229 subsection [10] 11 of this section, shall include, but not
230 be limited to, an on-site personal observation and review of
231 all exterior portions of the land and any buildings and
232 improvements to which the inspector has or may reasonably
233 and lawfully gain external access, and shall include an
234 observation and review of the interior of any buildings or
235 improvements on the property upon the timely request of the
236 owner pursuant to subsection [11] 12 of this section. Mere
237 observation of the property via a drive-by inspection or the
238 like shall not be considered sufficient to constitute a
239 physical inspection as required by this section.

240 [13.] 14. A county or city collector may accept credit
241 cards as proper form of payment of outstanding property tax
242 or license due. No county or city collector may charge
243 surcharge for payment by credit card which exceeds the fee
244 or surcharge charged by the credit card bank, processor, or
245 issuer for its service. A county or city collector may
246 accept payment by electronic transfers of funds in payment
247 of any tax or license and charge the person making such
248 payment a fee equal to the fee charged the county by the
249 bank, processor, or issuer of such electronic payment.

250 [14.] 15. Any county or city not within a county in
251 this state may, by an affirmative vote of the governing body
252 of such county, opt out of the provisions of this section
253 and sections 137.073, 138.060, and 138.100 as enacted by
254 house bill no. 1150 of the ninety-first general assembly,

255 second regular session and section 137.073 as modified by
256 house committee substitute for senate substitute for senate
257 committee substitute for senate bill no. 960, ninety-second
258 general assembly, second regular session, for the next year
259 of the general reassessment, prior to January first of any
260 year. No county or city not within a county shall exercise
261 this opt-out provision after implementing the provisions of
262 this section and sections 137.073, 138.060, and 138.100 as
263 enacted by house bill no. 1150 of the ninety-first general
264 assembly, second regular session and section 137.073 as
265 modified by house committee substitute for senate substitute
266 for senate committee substitute for senate bill no. 960,
267 ninety-second general assembly, second regular session, in a
268 year of general reassessment. For the purposes of applying
269 the provisions of this subsection, a political subdivision
270 contained within two or more counties where at least one of
271 such counties has opted out and at least one of such
272 counties has not opted out shall calculate a single tax rate
273 as in effect prior to the enactment of house bill no. 1150
274 of the ninety-first general assembly, second regular
275 session. A governing body of a city not within a county or
276 a county that has opted out under the provisions of this
277 subsection may choose to implement the provisions of this
278 section and sections 137.073, 138.060, and 138.100 as
279 enacted by house bill no. 1150 of the ninety-first general
280 assembly, second regular session, and section 137.073 as
281 modified by house committee substitute for senate substitute
282 for senate committee substitute for senate bill no. 960,
283 ninety-second general assembly, second regular session, for
284 the next year of general reassessment, by an affirmative
285 vote of the governing body prior to December thirty-first of
286 any year.

287 [15.] 16. The governing body of any city of the third
288 classification with more than twenty-six thousand three
289 hundred but fewer than twenty-six thousand seven hundred
290 inhabitants located in any county that has exercised its
291 authority to opt out under subsection [14] 15 of this
292 section may levy separate and differing tax rates for real
293 and personal property only if such city bills and collects
294 its own property taxes or satisfies the entire cost of the
295 billing and collection of such separate and differing tax
296 rates. Such separate and differing rates shall not exceed
297 such city's tax rate ceiling.

298 [16.] 17. Any portion of real property that is
299 available as reserve for strip, surface, or coal mining for
300 minerals for purposes of excavation for future use or sale
301 to others that has not been bonded and permitted under
302 chapter 444 shall be assessed based upon how the real
303 property is currently being used. Any information provided
304 to a county assessor, state tax commission, state agency, or
305 political subdivision responsible for the administration of
306 tax policies shall, in the performance of its duties, make
307 available all books, records, and information requested,
308 except such books, records, and information as are by law
309 declared confidential in nature, including individually
310 identifiable information regarding a specific taxpayer or
311 taxpayer's mine property. For purposes of this subsection,
312 "mine property" shall mean all real property that is in use
313 or readily available as a reserve for strip, surface, or
314 coal mining for minerals for purposes of excavation for
315 current or future use or sale to others that has been bonded
316 and permitted under chapter 444.

 137.280. 1. Taxpayers' personal property lists,
2 except those of merchants and manufacturers, and except
3 those of railroads, public utilities, pipeline companies or

4 any other person or corporation subject to special statutory
5 requirements, such as chapter 151, who shall return and file
6 their assessments on locally assessed property no later than
7 April first, shall be delivered to the office of the
8 assessor of the county between the first day of January and
9 the first day of March each year and shall be signed and
10 certified by the taxpayer as being a true and complete list
11 or statement of all the taxable tangible personal property.
12 If any person shall fail to deliver the required list to the
13 assessor by the first day of March, the owner of the
14 property which ought to have been listed shall be assessed a
15 penalty added to the tax bill, based on the assessed value
16 of the property that was not reported, as follows:

17	Assessed Valuation	Penalty
18	0 - \$1,000	\$15.00
19	\$1,001 - \$2,000	\$25.00
20	\$2,001 - \$3,000	\$35.00
21	\$3,001 - \$4,000	\$45.00
22	\$4,001 - \$5,000	\$55.00
23	\$5,001 - \$6,000	\$65.00
24	\$6,001 - \$7,000	\$75.00
25	\$7,001 - \$8,000	\$85.00
26	\$8,001 - \$9,000	\$95.00
27	\$9,001 and above	\$105.00

28 The assessor in any county of the first classification
29 without a charter form of government with a population of
30 one hundred thousand or more inhabitants which contains all

31 or part of a city with a population of three hundred fifty
32 thousand or more inhabitants shall omit assessing the
33 penalty in any case where he or she is satisfied the neglect
34 is unavoidable and not willful or falls into one of the
35 following categories. The assessor in all other political
36 subdivisions shall omit assessing the penalty in any case
37 where he or she is satisfied the neglect falls into at least
38 one of the following categories:

39 (1) The taxpayer is in military service and is outside
40 the state;

41 (2) The taxpayer filed timely, but in the wrong county;

42 (3) There was a loss of records due to fire or flood;

43 (4) The taxpayer can show the list was mailed timely
44 as evidenced by the date of postmark;

45 (5) The assessor determines that no form for listing
46 personal property was mailed to the taxpayer for that tax
47 year; or

48 (6) The neglect occurred as a direct result of the
49 actions or inactions of the county or its employees or
50 contractors.

51 2. Between March first and April first, the assessor
52 shall send to each taxpayer who was sent an assessment list
53 for the current tax year, and said list was not returned to
54 the assessor, a second notice that statutes require the
55 assessment list be returned immediately. In the event the
56 taxpayer returns the assessment list to the assessor before
57 May first, the penalty described in subsection 1 of this
58 section shall not apply. If said assessment list is not
59 returned before May first by the taxpayer, the penalty shall
60 apply.

61 3. It shall be the duty of the county commission and
62 assessor to place on the assessment rolls for the year all

63 personal property discovered in the calendar year which was
64 taxable on January first of that year.

65 4. If annual waivers exceed forty percent, then by
66 February first of each year, the assessor shall transmit to
67 the county employees' retirement fund an electronic or paper
68 copy of the log maintained under subsection 3 of section
69 50.1020 for the prior calendar year.

70 5. An assessor may, upon request of a taxpayer, send
71 any assessment list or notice required by this section to
72 such taxpayer in electronic form.

139.305. 1. For the purposes of this section, the
2 following terms shall mean:

3 (1) "Real property", any real property that is not
4 residential property, as such term is defined in section
5 137.016;

6 (2) "Restrictive order", any city-wide or county-wide
7 ordinance or order imposed by a city or county that
8 prohibits or otherwise restricts the use of a taxpayer's
9 real property, including, but not limited to, occupancy
10 restrictions. Such term shall not include any ordinance or
11 order prohibiting or restricting the use of a taxpayer's
12 real property due to a violation of a public health or
13 safety code.

14 2. Notwithstanding any provision of law to the
15 contrary, beginning January 1, 2021, any taxpayer who is a
16 resident of a city or county that imposes one or more
17 restrictive orders for a combined total in excess of fifteen
18 days during a calendar year shall receive a credit on
19 property taxes owed on such affected real property.

20 3. The amount of the credit authorized by this section
21 shall be a percentage of the property tax liability that is
22 equal to the percentage of the calendar year that the
23 taxpayer was subject to restrictions on the use of his or

24 her real property, provided that the first fifteen total
25 combined days that restrictive orders are in effect during a
26 calendar year shall not count toward the calculation of the
27 tax credit pursuant to this subsection.

28 4. A taxpayer eligible for a credit pursuant to this
29 section shall timely pay all property tax owed prior to any
30 credit applied pursuant to this section, and shall, no later
31 than December thirty-first, submit a written statement to
32 the city or county requesting the amount of property tax
33 owed to such taxpayer. The city or county shall, by no
34 later than thirty days following the receipt of such a
35 statement, issue a refund to the taxpayer for the amount of
36 property tax owed to such taxpayer pursuant to this section.

37 5. The provisions of this section shall only apply to
38 real property tax liabilities owed to a city or county
39 imposing a restrictive order, and shall not apply to
40 property tax liabilities owed to any other taxing
41 jurisdiction or to property tax liabilities owed on tangible
42 personal property.

143.121. 1. The Missouri adjusted gross income of a
2 resident individual shall be the taxpayer's federal adjusted
3 gross income subject to the modifications in this section.

4 2. There shall be added to the taxpayer's federal
5 adjusted gross income:

6 (1) The amount of any federal income tax refund
7 received for a prior year which resulted in a Missouri
8 income tax benefit. The amount added pursuant to this
9 subdivision shall not include any amount of a federal income
10 tax refund attributable to a tax credit reducing a
11 taxpayer's federal tax liability pursuant to Public Law 116-
12 136, enacted by the 116th United States Congress, for the
13 tax year beginning on or after January 1, 2020, and ending

14 on or before December 31, 2020, and deducted from Missouri
15 adjusted gross income pursuant to section 143.171;

16 (2) Interest on certain governmental obligations
17 excluded from federal gross income by 26 U.S.C. Section 103
18 of the Internal Revenue Code, as amended. The previous
19 sentence shall not apply to interest on obligations of the
20 state of Missouri or any of its political subdivisions or
21 authorities and shall not apply to the interest described in
22 subdivision (1) of subsection 3 of this section. The amount
23 added pursuant to this subdivision shall be reduced by the
24 amounts applicable to such interest that would have been
25 deductible in computing the taxable income of the taxpayer
26 except only for the application of 26 U.S.C. Section 265 of
27 the Internal Revenue Code, as amended. The reduction shall
28 only be made if it is at least five hundred dollars;

29 (3) The amount of any deduction that is included in
30 the computation of federal taxable income pursuant to 26
31 U.S.C. Section 168 of the Internal Revenue Code as amended
32 by the Job Creation and Worker Assistance Act of 2002 to the
33 extent the amount deducted relates to property purchased on
34 or after July 1, 2002, but before July 1, 2003, and to the
35 extent the amount deducted exceeds the amount that would
36 have been deductible pursuant to 26 U.S.C. Section 168 of
37 the Internal Revenue Code of 1986 as in effect on January 1,
38 2002;

39 (4) The amount of any deduction that is included in
40 the computation of federal taxable income for net operating
41 loss allowed by 26 U.S.C. Section 172 of the Internal
42 Revenue Code of 1986, as amended, other than the deduction
43 allowed by 26 U.S.C. Section 172(b)(1)(G) and 26 U.S.C.
44 Section 172(i) of the Internal Revenue Code of 1986, as
45 amended, for a net operating loss the taxpayer claims in the
46 tax year in which the net operating loss occurred or carries

47 forward for a period of more than twenty years and carries
48 backward for more than two years. Any amount of net
49 operating loss taken against federal taxable income but
50 disallowed for Missouri income tax purposes pursuant to this
51 subdivision after June 18, 2002, may be carried forward and
52 taken against any income on the Missouri income tax return
53 for a period of not more than twenty years from the year of
54 the initial loss; and

55 (5) For nonresident individuals in all taxable years
56 ending on or after December 31, 2006, the amount of any
57 property taxes paid to another state or a political
58 subdivision of another state for which a deduction was
59 allowed on such nonresident's federal return in the taxable
60 year unless such state, political subdivision of a state, or
61 the District of Columbia allows a subtraction from income
62 for property taxes paid to this state for purposes of
63 calculating income for the income tax for such state,
64 political subdivision of a state, or the District of
65 Columbia;

66 (6) For all tax years beginning on or after January 1,
67 2018, any interest expense paid or accrued in a previous
68 taxable year, but allowed as a deduction under 26 U.S.C.
69 Section 163, as amended, in the current taxable year by
70 reason of the carryforward of disallowed business interest
71 provisions of 26 U.S.C. Section 163(j), as amended. For the
72 purposes of this subdivision, an interest expense is
73 considered paid or accrued only in the first taxable year
74 the deduction would have been allowable under 26 U.S.C.
75 Section 163, as amended, if the limitation under 26 U.S.C.
76 Section 163(j), as amended, did not exist.

77 3. There shall be subtracted from the taxpayer's
78 federal adjusted gross income the following amounts to the
79 extent included in federal adjusted gross income:

80 (1) Interest received on deposits held at a federal
81 reserve bank or interest or dividends on obligations of the
82 United States and its territories and possessions or of any
83 authority, commission or instrumentality of the United
84 States to the extent exempt from Missouri income taxes
85 pursuant to the laws of the United States. The amount
86 subtracted pursuant to this subdivision shall be reduced by
87 any interest on indebtedness incurred to carry the described
88 obligations or securities and by any expenses incurred in
89 the production of interest or dividend income described in
90 this subdivision. The reduction in the previous sentence
91 shall only apply to the extent that such expenses including
92 amortizable bond premiums are deducted in determining the
93 taxpayer's federal adjusted gross income or included in the
94 taxpayer's Missouri itemized deduction. The reduction shall
95 only be made if the expenses total at least five hundred
96 dollars;

97 (2) The portion of any gain, from the sale or other
98 disposition of property having a higher adjusted basis to
99 the taxpayer for Missouri income tax purposes than for
100 federal income tax purposes on December 31, 1972, that does
101 not exceed such difference in basis. If a gain is
102 considered a long-term capital gain for federal income tax
103 purposes, the modification shall be limited to one-half of
104 such portion of the gain;

105 (3) The amount necessary to prevent the taxation
106 pursuant to this chapter of any annuity or other amount of
107 income or gain which was properly included in income or gain
108 and was taxed pursuant to the laws of Missouri for a taxable
109 year prior to January 1, 1973, to the taxpayer, or to a
110 decedent by reason of whose death the taxpayer acquired the
111 right to receive the income or gain, or to a trust or estate
112 from which the taxpayer received the income or gain;

113 (4) Accumulation distributions received by a taxpayer
114 as a beneficiary of a trust to the extent that the same are
115 included in federal adjusted gross income;

116 (5) The amount of any state income tax refund for a
117 prior year which was included in the federal adjusted gross
118 income;

119 (6) The portion of capital gain specified in section
120 135.357 that would otherwise be included in federal adjusted
121 gross income;

122 (7) The amount that would have been deducted in the
123 computation of federal taxable income pursuant to 26 U.S.C.
124 Section 168 of the Internal Revenue Code as in effect on
125 January 1, 2002, to the extent that amount relates to
126 property purchased on or after July 1, 2002, but before July
127 1, 2003, and to the extent that amount exceeds the amount
128 actually deducted pursuant to 26 U.S.C. Section 168 of the
129 Internal Revenue Code as amended by the Job Creation and
130 Worker Assistance Act of 2002;

131 (8) For all tax years beginning on or after January 1,
132 2005, the amount of any income received for military service
133 while the taxpayer serves in a combat zone which is included
134 in federal adjusted gross income and not otherwise excluded
135 therefrom. As used in this section, "combat zone" means any
136 area which the President of the United States by Executive
137 Order designates as an area in which Armed Forces of the
138 United States are or have engaged in combat. Service is
139 performed in a combat zone only if performed on or after the
140 date designated by the President by Executive Order as the
141 date of the commencing of combat activities in such zone,
142 and on or before the date designated by the President by
143 Executive Order as the date of the termination of combatant
144 activities in such zone;

145 (9) For all tax years ending on or after July 1, 2002,
146 with respect to qualified property that is sold or otherwise
147 disposed of during a taxable year by a taxpayer and for
148 which an additional modification was made under subdivision
149 (3) of subsection 2 of this section, the amount by which
150 additional modification made under subdivision (3) of
151 subsection 2 of this section on qualified property has not
152 been recovered through the additional subtractions provided
153 in subdivision (7) of this subsection;

154 (10) For all tax years beginning on or after January
155 1, 2014, the amount of any income received as payment from
156 any program which provides compensation to agricultural
157 producers who have suffered a loss as the result of a
158 disaster or emergency, including the:

- 159 (a) Livestock Forage Disaster Program;
- 160 (b) Livestock Indemnity Program;
- 161 (c) Emergency Assistance for Livestock, Honeybees, and
162 Farm-Raised Fish;
- 163 (d) Emergency Conservation Program;
- 164 (e) Noninsured Crop Disaster Assistance Program;
- 165 (f) Pasture, Rangeland, Forage Pilot Insurance Program;
- 166 (g) Annual Forage Pilot Program;
- 167 (h) Livestock Risk Protection Insurance Plan; and
- 168 (i) Livestock Gross Margin Insurance Plan; and

169 (11) For all tax years beginning on or after January
170 1, 2018, any interest expense paid or accrued in the current
171 taxable year, but not deducted as a result of the limitation
172 imposed under 26 U.S.C. Section 163(j), as amended. For the
173 purposes of this subdivision, an interest expense is
174 considered paid or accrued only in the first taxable year
175 the deduction would have been allowable under 26 U.S.C.
176 Section 163, as amended, if the limitation under 26 U.S.C.
177 Section 163(j), as amended, did not exist.

178 4. There shall be added to or subtracted from the
179 taxpayer's federal adjusted gross income the taxpayer's
180 share of the Missouri fiduciary adjustment provided in
181 section 143.351.

182 5. There shall be added to or subtracted from the
183 taxpayer's federal adjusted gross income the modifications
184 provided in section 143.411.

185 6. In addition to the modifications to a taxpayer's
186 federal adjusted gross income in this section, to calculate
187 Missouri adjusted gross income there shall be subtracted
188 from the taxpayer's federal adjusted gross income any gain
189 recognized pursuant to 26 U.S.C. Section 1033 of the
190 Internal Revenue Code of 1986, as amended, arising from
191 compulsory or involuntary conversion of property as a result
192 of condemnation or the imminence thereof.

193 7. (1) For the tax year beginning on or after January
194 1, 2021, and ending on or before December 31, 2021, in
195 addition to the modifications made to an eligible taxpayer's
196 federal adjusted gross income pursuant to this section, to
197 calculate Missouri adjusted gross income there shall be
198 subtracted from the eligible taxpayer's federal adjusted
199 gross income the amount determined pursuant to subdivision
200 (2) of this subsection, not to exceed one thousand five
201 hundred dollars.

202 (2) The amount to be subtracted pursuant to this
203 subsection shall be equal to the amount of expenses incurred
204 by the eligible taxpayer during the 2020 or 2021 calendar
205 years for educating the eligible taxpayer's qualifying child
206 remotely as a result of severe acute respiratory syndrome
207 coronavirus 2. Such deductible expenses shall be:

208 (a) Personal computers and school supplies, as such
209 terms are defined in section 144.049;

210 (b) Digital subscriptions required by the qualifying
211 child's school district;

212 (c) Tutoring services; and

213 (d) Internet access.

214 (3) For the purposes of this subsection, "eligible
215 taxpayer" shall mean a taxpayer who has a qualifying child
216 that is a dependent, as such terms are defined in 26 U.S.C.
217 Section 152, as amended, that is required to attend
218 elementary or secondary school remotely as a result of
219 severe acute respiratory syndrome coronavirus 2.

220 (4) The department of revenue shall promulgate rules
221 to implement the provisions of this subsection. Any rule or
222 portion of a rule, as that term is defined in section
223 536.010, that is created under the authority delegated in
224 this section shall become effective only if it complies with
225 and is subject to all of the provisions of chapter 536 and,
226 if applicable, section 536.028. This section and chapter
227 536 are nonseverable and if any of the powers vested with
228 the general assembly pursuant to chapter 536 to review, to
229 delay the effective date, or to disapprove and annul a rule
230 are subsequently held unconstitutional, then the grant of
231 rulemaking authority and any rule proposed or adopted after
232 August 28, 2021, shall be invalid and void.

233 8. (1) As used in this subsection, "qualified health
234 insurance premium" means the amount paid during the tax year
235 by such taxpayer for any insurance policy primarily
236 providing health care coverage for the taxpayer, the
237 taxpayer's spouse, or the taxpayer's dependents.

238 (2) In addition to the subtractions in subsection 3 of
239 this section, one hundred percent of the amount of qualified
240 health insurance premiums shall be subtracted from the
241 taxpayer's federal adjusted gross income to the extent the
242 amount paid for such premiums is included in federal taxable

243 income. The taxpayer shall provide the department of
244 revenue with proof of the amount of qualified health
245 insurance premiums paid.

246 [8.] 9. (1) Beginning January 1, 2014, in addition to
247 the subtractions provided in this section, one hundred
248 percent of the cost incurred by a taxpayer for a home energy
249 audit conducted by an entity certified by the department of
250 natural resources under section 640.153 or the
251 implementation of any energy efficiency recommendations made
252 in such an audit shall be subtracted from the taxpayer's
253 federal adjusted gross income to the extent the amount paid
254 for any such activity is included in federal taxable
255 income. The taxpayer shall provide the department of
256 revenue with a summary of any recommendations made in a
257 qualified home energy audit, the name and certification
258 number of the qualified home energy auditor who conducted
259 the audit, and proof of the amount paid for any activities
260 under this subsection for which a deduction is claimed. The
261 taxpayer shall also provide a copy of the summary of any
262 recommendations made in a qualified home energy audit to the
263 department of natural resources.

264 (2) At no time shall a deduction claimed under this
265 subsection by an individual taxpayer or taxpayers filing
266 combined returns exceed one thousand dollars per year for
267 individual taxpayers or cumulatively exceed two thousand
268 dollars per year for taxpayers filing combined returns.

269 (3) Any deduction claimed under this subsection shall
270 be claimed for the tax year in which the qualified home
271 energy audit was conducted or in which the implementation of
272 the energy efficiency recommendations occurred. If
273 implementation of the energy efficiency recommendations
274 occurred during more than one year, the deduction may be

275 claimed in more than one year, subject to the limitations
276 provided under subdivision (2) of this subsection.

277 (4) A deduction shall not be claimed for any otherwise
278 eligible activity under this subsection if such activity
279 qualified for and received any rebate or other incentive

121 1996, and if a majority of the votes cast on the proposal by
122 the qualified voters voting thereon are in favor of the
123 proposal, then the ordinance or order and any amendments
124 thereto shall be in effect October 1, 1996, provided the
125 director of revenue receives notice of adoption of the local
126 use tax on or before August 16, 1996. If any of such
127 ballots are submitted after December 31, 1996, and if a
128 majority of the votes cast on the proposal by the qualified
129 voters voting thereon are in favor of the proposal, then the
130 ordinance or order and any amendments thereto shall be in
131 effect on the first day of the calendar quarter which begins
132 at least forty-five days after the director of revenue
133 receives notice of adoption of the local use tax. If a
134 majority of the votes cast by the qualified voters voting
135 are opposed to the proposal, then the governing body of the

138 governing body of the county or municipality shall again
139 have submitted another proposal to authorize the governing

141 tax and such proposal is approved by a majority of the
142 qualified voters voting thereon.

143 3. The local use tax may be imposed at the same rate
144 as the local sales tax then currently in effect in the
145 county or municipality upon all transactions which are
146 subject to the taxes imposed pursuant to sections 144.600 to
147 144.745 within the county or municipality adopting such tax;
148 provided, however, that if any local sales tax is repealed
149 or the rate thereof is reduced or raised by voter approval,

150 the local use tax rate shall also be deemed to be repealed,
151 reduced or raised by the same action repealing, reducing or
152 raising the local sales tax.

153 4. For purposes of sections 144.757 to 144.761, the
154 use tax may be referred to or described as the equivalent of
155 a sales tax on purchases made from out-of-state sellers by
156 in-state buyers and on certain intrabusiness transactions.
157 Such a description shall not change the classification, form
158 or subject of the use tax or the manner in which it is
159 collected.

83 "Capitol Complex Fund", separate and distinct from all other
84 board funds, which is hereby authorized to receive any
85 eligible monetary donation as provided in this section. The
86 capitol complex fund shall be segregated into two accounts:
87 a rehabilitation and renovation account and a maintenance

89 eligible donations pursuant to the provisions of this

90 section shall be deposited in the rehabilitation and
91 renovation account and seven and one-half percent of such
92 revenues shall be deposited in the maintenance account. The

94 may accrue thereon, shall be used by the board solely for

115 appropriate. All contracts for rehabilitation, renovation,
116 or maintenance work shall be the responsibility of the
117 commissioner of administration. A memorandum of
118 understanding may be executed between the commissioner of
119 administration and the board determining the processes for
120 obligation, reservation, and payment of eligible costs from
121 the fund. The commission of administration shall not
122 obligate costs in excess of the fund balance. The board

123 shall not be responsible for any costs obligated in excess
124 of available funds and shall be held harmless in any
125 contracts related to rehabilitation, renovation, and
126 maintenance of capitol complex buildings. No other board

132 against the taxes otherwise due under chapters 143 and 148,
133 except for sections 143.191 to 143.265, in an amount of
134 fifty percent of the eligible monetary donation. The amount
135 of the tax credit claimed may exceed the amount of the
136 donor's state income tax liability in the tax year for which
137 the credit is claimed. Any amount of credit that exceeds
138 the qualified donor's state income tax liability may be
139 refundable or may be carried forward to any of the
140 taxpayer's four subsequent taxable years.

141 5. For all taxable years beginning on or after January
142 1, 2021, any qualified donor shall be allowed a credit
143 against the taxes otherwise due under chapters 143 and 148,
144 except for sections 143.191 to 143.265, in an amount of
145 thirty percent of the eligible artifact donation. The
146 amount of the tax credit claimed may not exceed the amount
147 of the qualified donor's state income tax liability in the
148 tax year for which the credit is claimed. Any amount of
149 credit that exceeds the qualified donor's state income tax
150 liability shall not be refundable but may be carried forward
151 to any other taxpayer's four subsequent taxable years.

152 6. To claim a credit for an eligible monetary donation
153 as set forth in subsection 4 of this section, a qualified
154 donor shall make an eligible monetary donation to the board
155 as custodian of the capitol complex fund or other eligible

156 recipient. Upon receipt of such donation, the board or
157 other eligible recipient shall issue to the qualified donor
158 a statement evidencing receipt of such donation, including
159 the value of such donation, with a copy to the department.
160 Upon receipt of the statement from the eligible recipient,
161 the department shall issue a tax credit certificate equal to
162 fifty percent of the amount of the donation, to the
163 qualified donor, as indicated in the statement from the
164 eligible recipient.

165 7. To claim a credit for an eligible artifact donation
166 as set forth in subsection 5 of this section, a qualified
167 donor shall donate an eligible artifact to the board of
168 public buildings. If the board of public buildings
169 determines that artifact is an eligible artifact, and has
170 determined to accept the artifact, it shall issue a
171 statement of donation to the eligible donor specifying the
172 value placed on the artifact by the board of public
173 buildings, with a copy to the department. Upon receiving a
174 statement from the board of public buildings, the department
175 shall issue a tax credit certificate equal to thirty percent
176 of the amount of the donation, to the qualified donor as
177 indicated in the statement from the board of public
178 buildings.

179 8. The department shall not authorize more than ten
180 million dollars in tax credits provided under this section
181 in any calendar year. Donations shall be processed for tax
182 credits on a first come, first serve basis. Donations
183 received in excess of the tax credit cap shall be placed in
184 line for tax credits issued the following year or shall be
185 given the opportunity to complete their donation without the
186 expectation of a tax credit, or shall request to have their
187 donation returned.

188 9. Tax credits issued under the provisions of this
189 section shall not be subject to the payment of any fee
190 required under the provisions of section 620.1900.

191 10. Tax credits issued under this section may be
192 assigned, transferred, sold, or otherwise conveyed, and the
193 new owner of the tax credit shall have the same rights in
194 the credit as the taxpayer. Whenever a certificate is
195 assigned, transferred, sold, or otherwise conveyed, a
196 notarized endorsement shall be filed with the department
197 specifying the name and address of the new owner of the tax
198 credit and the value of the credit.

199 11. The department may promulgate rules to implement
200 the provisions of this section. Any rule or portion of a
201 rule, as that term is defined in section 536.010, that is
202 created under the authority delegated in this section shall
203 become effective only if it complies with and is subject to
204 all of the provisions of chapter 536 and, if applicable,
205 section 536.028. This section and chapter 536 are
206 nonseverable and if any of the powers vested with the
207 general assembly pursuant to chapter 536 to review, to delay
208 the effective date, or to disapprove and annul a rule are
209 subsequently held unconstitutional, then the grant of
210 rulemaking authority and any rule proposed or adopted after
211 August 28, 2021, shall be invalid and void.

212 12. Pursuant to section 23.253 of the Missouri sunset
213 act:

214 (1) The provisions of the new program authorized under
215 this section shall sunset automatically six years after
216 August 28, 2021, unless reauthorized by an act of the
217 general assembly;

218 (2) If such program is reauthorized, the program
219 authorized under this section shall sunset automatically
220 twelve years after August 28, 2021; and

221 (3) This section shall terminate on September first of
222 the calendar year immediately following the calendar year in
223 which the program authorized under this section is sunset.

 Section B. Because of the importance of property tax
2 relief, the enactment of section 139.305 of this act is
3 deemed necessary for the immediate preservation of the
4 public health, welfare, peace, and safety, and is hereby
5 declared to be an emergency act within the meaning of the
6 constitution, and the enactment of section 139.305 of this
7 act shall be in full force and effect upon its passage and
8 approval.
