AN ACT

To repeal sections 99.805, 99.810, 99.843, 99.847,
and 99.848, RSMo, and to enact in lieu thereof five
new sections relating to tax increment financing.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Sections 99.805, 99.810, 99.843, 99.847, and
2 99.848, RSMo, are repealed and five new sections enacted in
3 lieu thereof, to be known as sections 99.805, 99.810, 99.843,
4 99.847, and 99.848, to read as follows:

99.805. As used in sections 99.800 to 99.865, unless
2 the context clearly requires otherwise, the following terms
3 shall mean:

4 (1) "Blighted area", an area which, by reason of the
5 predominance of defective or inadequate street layout,
6 insanitary or unsafe conditions, deterioration of site
7 improvements, [improper subdivision or obsolete platting,]
8 or the existence of conditions which endanger life or
9 property by fire and other causes, or any combination of
10 such factors, retards the provision of housing
11 accommodations or constitutes an economic or social
12 liability or a menace to the public health, safety,
13 [morals,] or welfare in its present condition and use;

14 (2) "Collecting officer", the officer of the
15 municipality responsible for receiving and processing
16 payments in lieu of taxes or economic activity taxes from
17 taxpayers or the department of revenue;

18 (3) "Conservation area", any improved area within the
19 boundaries of a redevelopment area located within the
20 territorial limits of a municipality in which fifty percent

21 or more of the structures in the area have an age of thirty-
22 five years or more. Such an area is not yet a blighted area
23 but is detrimental to the public health, safety, [morals,]
24 or welfare and may become a blighted area because of any one
25 or more of the following factors: dilapidation;
26 obsolescence; deterioration; illegal use of individual
27 structures; presence of structures below minimum code
28 standards; abandonment; excessive vacancies; overcrowding of
29 structures and community facilities; lack of ventilation,
30 light or sanitary facilities; inadequate utilities;
31 excessive land coverage; deleterious land use or layout;
32 depreciation of physical maintenance; and lack of community
33 planning. A conservation area shall meet at least three of
34 the factors provided in this subdivision for projects
35 approved on or after December 23, 1997. For all
36 redevelopment plans and projects approved on or after
37 January 1, 2022, in retail areas, a conservation area shall
38 meet the dilapidation factor as one of the three factors
39 required under this subdivision;

40 (4) "Economic activity taxes", the total additional
41 revenue from taxes which are imposed by a municipality and
42 other taxing districts, and which are generated by economic
43 activities within a redevelopment area over the amount of
44 such taxes generated by economic activities within such
45 redevelopment area in the calendar year prior to the
46 adoption of the ordinance designating such a redevelopment
47 area, while tax increment financing remains in effect, but
48 excluding personal property taxes, taxes imposed on sales or
49 charges for sleeping rooms paid by transient guests of
50 hotels and motels, licenses, fees or special assessments.
51 For redevelopment projects or redevelopment plans approved
52 after December 23, 1997, if a retail establishment relocates
53 within one year from one facility to another facility within

the same county and the governing body of the municipality finds that the relocation is a direct beneficiary of tax increment financing, then for purposes of this definition, the economic activity taxes generated by the retail establishment shall equal the total additional revenues from economic activity taxes which are imposed by a municipality or other taxing district over the amount of economic activity taxes generated by the retail establishment in the calendar year prior to its relocation to the redevelopment area;

(5) "Economic development area", any area or portion of an area located within the territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and (3) of this section, and in which the governing body of the municipality finds that redevelopment will not be solely used for development of commercial businesses which unfairly compete in the local economy and is in the public interest because it will:

(a) Discourage commerce, industry or manufacturing from moving their operations to another state; or

(b) Result in increased employment in the municipality; or

(c) Result in preservation or enhancement of the tax base of the municipality;

(6) "Gambling establishment", an excursion gambling boat as defined in section 313.800 and any related business facility including any real property improvements which are directly and solely related to such business facility, whose sole purpose is to provide goods or services to an excursion gambling boat and whose majority ownership interest is held by a person licensed to conduct gambling games on an excursion gambling boat or licensed to operate an excursion gambling boat as provided in sections 313.800 to 313.850.

This subdivision shall be applicable only to a redevelopment area designated by ordinance adopted after December 23, 1997;

(7) "Greenfield area", any vacant, unimproved, or agricultural property that is located wholly outside the incorporated limits of a city, town, or village, or that is substantially surrounded by contiguous properties with agricultural zoning classifications or uses unless said property was annexed into the incorporated limits of a city, town, or village ten years prior to the adoption of the ordinance approving the redevelopment plan for such greenfield area;

(8) "Municipality", a city, village, or incorporated town or any county of this state. For redevelopment areas or projects approved on or after December 23, 1997, municipality applies only to cities, villages, incorporated towns or counties established for at least one year prior to such date;

(9) "Obligations", bonds, loans, debentures, notes, special certificates, or other evidences of indebtedness issued by a municipality to carry out a redevelopment project or to refund outstanding obligations;

(10) "Ordinance", an ordinance enacted by the governing body of a city, town, or village or a county or an order of the governing body of a county whose governing body is not authorized to enact ordinances;

(11) "Payment in lieu of taxes", those estimated revenues from real property in the area selected for a redevelopment project, which revenues according to the redevelopment project or plan are to be used for a private use, which taxing districts would have received had a municipality not adopted tax increment allocation financing, and which would result from levies made after the time of the adoption of tax increment allocation financing during

the time the current equalized value of real property in the area selected for the redevelopment project exceeds the total initial equalized value of real property in such area until the designation is terminated pursuant to subsection 2 of section 99.850;

(12) "Port infrastructure project", docks and associated equipment, cargo and passenger terminals, storage warehouses, or any other similar infrastructure directly related to port facilities located in a port district created pursuant to the provisions of chapter 68 and located within one-half of one mile of a navigable waterway;

~~[(12)]~~ (13) "Redevelopment area", an area designated by a municipality, in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as a blighted area, a conservation area, an economic development area, an enterprise zone pursuant to sections 135.200 to 135.256, or a combination thereof, which area includes only those parcels of real property directly and substantially benefitted by the proposed redevelopment project;

~~[(13)]~~ (14) "Redevelopment plan", the comprehensive program of a municipality for redevelopment intended by the payment of redevelopment costs to reduce or eliminate those conditions, the existence of which qualified the redevelopment area as a blighted area, conservation area, economic development area, or combination thereof, and to thereby enhance the tax bases of the taxing districts which extend into the redevelopment area. Each redevelopment plan shall conform to the requirements of section 99.810;

~~[(14)]~~ (15) "Redevelopment project", any development project within a redevelopment area in furtherance of the objectives of the redevelopment plan; any such redevelopment

project shall include a legal description of the area selected for the redevelopment project;

[(15)] (16) "Redevelopment project costs" include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan or redevelopment project, as applicable. Such costs include, but are not limited to, the following:

(a) Costs of studies, surveys, plans, and specifications;

(b) Professional service costs, including, but not limited to, architectural, engineering, legal, marketing, financial, planning or special services. Except the reasonable costs incurred by the commission established in section 99.820 for the administration of sections 99.800 to 99.865, such costs shall be allowed only as an initial expense which, to be recoverable, shall be included in the costs of a redevelopment plan or project;

(g) Financing costs, including, but not limited to, all necessary and incidental expenses related to the issuance of obligations, and which may include payment of interest on any obligations issued pursuant to sections 99.800 to 99.865 accruing during the estimated period of

185 construction of any redevelopment project for which such
186 obligations are issued and for not more than eighteen months
187 thereafter, and including reasonable reserves related
188 thereto;

189 (h) All or a portion of a taxing district's capital
190 costs resulting from the redevelopment project necessarily
191 incurred or to be incurred in furtherance of the objectives
192 of the redevelopment plan and project, to the extent the
193 municipality by written agreement accepts and approves such
194 costs;

195 (i) Relocation costs to the extent that a municipality
196 determines that relocation costs shall be paid or are
197 required to be paid by federal or state law;

198 (j) Payments in lieu of taxes;

199 (17) "Retail area", a proposed redevelopment building
200 area for which more than fifty percent of the usable
201 building square footage in the area is projected to be used
202 by retail businesses, which shall be businesses that
203 primarily sell or offer to sell goods to a buyer primarily
204 for the buyer's personal, family, or household use and not
205 primarily for business, commercial, or agricultural use;

206 (18) "Retail infrastructure projects", highways,

214 separate segregated accounts for each redevelopment plan,
215 maintained by the treasurer of the municipality or the
216 treasurer of the commission into which payments in lieu of

217 taxes are deposited in one account, and economic activity
218 taxes and other revenues are deposited in the other account;

219 [(17)] (20) "Taxing districts", any political
220 subdivision of this state having the power to levy taxes;

221 [(18)] (21) "Taxing districts' capital costs", those

225 [(19)] (22) "Vacant land", any parcel or combination
226 of parcels of real property not used for industrial,
227 commercial, or residential buildings.

 99.810. 1. Each redevelopment plan shall set forth in
2 writing a general description of the program to be
3 undertaken to accomplish the objectives and shall include,
4 but need not be limited to, the estimated redevelopment
5 project costs, the anticipated sources of funds to pay the

16 by a municipality without findings that:

17 (1) The redevelopment area on the whole is a blighted
18 area, a conservation area, or an economic development area,
19 and has not been subject to growth and development through
20 investment by private enterprise and would not reasonably be
21 anticipated to be developed without the adoption of tax
22 increment financing. Such a finding shall include, but not

23 be limited to, a study prepared by a land use planner, urban
24 planner, licensed architect, licensed commercial real estate
25 appraiser, or licensed attorney, which includes a detailed
26 description of the factors that qualify the redevelopment
27 area or project pursuant to this subdivision and an

33 as a whole;

35 twenty-three years from the adoption of the ordinance
36 approving a redevelopment project within a redevelopment
37 area, of completion of any redevelopment project and

39 project costs have been stated, provided that no ordinance
40 approving a redevelopment project shall be adopted later
41 than ten years from the adoption of the ordinance approving

50 impact of the plan on each taxing district which is at least
51 partially within the boundaries of the redevelopment area.
52 The analysis shall show the impact on the economy if the
53 project is not built, and is built pursuant to the
54 redevelopment plan under consideration. The cost-benefit
55 analysis shall include a fiscal impact study on every

56 affected political subdivision, and sufficient information
57 from the developer for the commission established in section
58 99.820 to evaluate whether the project as proposed is
59 financially feasible;

60 (6) A finding that the plan does not include the
61 initial development or redevelopment of any gambling

65 23, 1997.

66 2. Tax increment allocation financing shall not be
