CONCURRENT RESOLUTIONS

Senator Moon offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 2

Whereas, prior to 2015 the Department of Revenue was not required to notify sellers of the modification of the taxability of an item of tangible personal property or service; and

Whereas, the Department of Revenue conducted audits of several sellers prior to 2015, requiring such sellers to remit sales and use tax assessments for the failure to collect sales or use tax on items for which the Department of Revenue expanded its interpretation of taxability; and

Whereas, the Department of Revenue, as a result of audits conducted in 2018 and 2019, unreasonably required wedding venues to remit sales tax assessments for sales tax not collected for the rental of venue space; and

Whereas, the payment of such sales and use tax assessments placed an unreasonable burden on Missouri businesses; and

Whereas, the Department of Revenue is charged with implementing the laws passed by the General Assembly, and is not authorized to reinterpret the intent of such laws:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, First Regular Session, the House of Representatives concurring therein, hereby call on the Missouri Department of Revenue to issue refunds for sales and use tax assessments paid by businesses and individuals as a result of an audit conducted by the Department of Revenue between August 28, 2005, and August 28, 2015, and for which the business or individual did not collect such tax from purchasers when the Department of Revenue expanded its interpretation of taxable items; and

Be It Further Resolved that the members of the Missouri General Assembly hereby call on the Missouri Department of Revenue to issue refunds to businesses and individuals that offered wedding venues and that paid sales and use tax assessments as a result of an audit conducted by the Department of Revenue between January 1, 2018, and October 1, 2019; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Director of Revenue.

Senator Roberts offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 3

Whereas, Missouri was part of the 1803 Louisiana Purchase and became a state in 1821; and

Whereas, the terms of Missouri's statehood included that Missouri would be the only state north of the Mason-Dixon line that was a slave state; and

Whereas, the tensions in the nation regarding racial equality, or lack thereof, have played out in profound ways in the state of Missouri; and

Whereas, St. Louis, being situated on the Mississippi River, was uniquely positioned to be a destination for the slave trade; and

Whereas, tensions of human inequality are profoundly apparent in the history of the state; and

Whereas, when persons with African ancestry in Missouri sued for their freedom, such freedom was routinely granted; and

Whereas, the tension in the nation over the issue of slavery and human inequality resulted in Dred and Harriet Scott, persons with African ancestry, being denied freedom in this state in a decision by the Missouri Supreme Court on March 22, 1852, and such decision was affirmed by the United States Supreme Court on March 6, 1857; and

Whereas, the March 22, 1852, Dred Scott decision is a negative legacy for this state and antithetical to the nation's founding values, specifically the tenet that all men are created equal; and

Whereas, the Dred Scott decision's assertion that people of African ancestry "had for more than a century before been regarded as beings of an inferior order, and altogether unfit to associate with the white race, either in social or political relations; and so far inferior, that they had no rights which the white man was bound to respect; and that the negro might justly and lawfully be reduced to slavery for his benefit" was an expression of racism and a precursor to Jim Crow laws, which perpetrated over a century of injustice; and

Whereas, all political power is vested in and derived from the people; and

Whereas, all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole; and

Whereas, all constitutional government is intended to promote the general welfare of all people; and

Whereas, all persons have a natural right to life, liberty, and the pursuit of happiness; and

Whereas, no person shall be deprived of life, liberty, or property without the due process of law; and

Whereas, all human beings are created equal and are entitled to equal rights and opportunity under the law; and

Whereas, Missouri will never again deny legal protection to a class of human beings on the grounds that they are less than human; and

Whereas, it is time to draw a line between Missouri's history, which encompassed such inhumane and unfair treatment to our citizens, and the present and future Missouri, which aims to be a place of equal treatment for all:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred First General Assembly, First Regular Session, the House of Representatives concurring therein, hereby condemn the March 22, 1852, Dred Scott decision issued by the Missouri Supreme Court; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Governor, the Clerk of the Supreme Court of Missouri, the justices of the Supreme Court of Missouri, and the members of the Missouri congressional delegation.

Senator Burlison offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 4

Relating to an application to Congress for the calling of an Article V convention of states to propose certain amendments to the United States Constitution which place limits on the federal government.

Whereas, the Founders of our Constitution empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending; and

Whereas, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, it is the solemn duty of the states to protect the liberty of our people - particularly for the generations to come - to propose amendments to the United States Constitution through a convention of states under Article V to place clear restraints on these and related abuses of power; and

Whereas, the Ninety-ninth General Assembly of Missouri, First Regular Session, adopted Senate Concurrent Resolution 4, which contained an application for an Article V Convention to propose constitutional amendments identical to those proposed in this resolution, but provided that the application would expire five years after the passage of Senate Concurrent Resolution 4:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred First General Assembly, First Regular Session, the House of Representatives concurring therein, hereby apply to Congress, under the provisions of Article V of the United States Constitution, for the calling of a convention of the states limited to proposing amendments to the United States Constitution that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and members of Congress; and

Be It Further Resolved that the General Assembly adopts this application with the following understandings (as the term "understandings" is used within the context of "reservations, understandings, and declarations"):

(1) An application to Congress for an Article V convention confers no power on Congress other than to perform a ministerial function to "call" for a convention;

(2) This ministerial duty shall be performed by Congress only when Article V applications for substantially the same purpose are received from two-thirds of the legislatures of the several states;

(3) The power of Congress to "call" a convention solely consists of the authority to name a reasonable time and place for the initial meeting of the convention;

(4) Congress possesses no power whatsoever to name delegates to the convention, as this power remains exclusively within the authority of the legislatures of the several states;

(5) Congress possesses no power to set the number of delegates to be sent by any states;

(6) Congress possesses no power whatsoever to determine any rules for such convention;

(7) By definition, a Convention of States means that states vote on the basis of one state, one vote;

(8) A Convention of States convened pursuant to this application is limited to consideration of topics specified herein and no other;

(9) The General Assembly of Missouri may recall its delegates at any time for breach of their duties or violations of their instructions pursuant to the procedures adopted in this resolution;

(10) Pursuant to the text of Article V, Congress may determine whether proposed amendments shall be ratified by the legislatures of the several states or by special state ratification conventions. The General Assembly of Missouri recommends that Congress specify its choice on ratification methodology contemporaneously with the call for the convention;

(11) Congress possesses no power whatsoever with regard to the Article V convention beyond the two powers acknowledged herein;

(12) Missouri places express reliance on prior legal and judicial determinations that Congress possesses no power under Article I relative to the Article V process, and that Congress must act only as expressly specified in Article V; and

Be It Further Resolved that this application hereby repeals, rescinds, cancels, renders null and void, and supercedes the application to the Congress of the United States for a convention under Article V of the Constitution of the United States by this state in Senate Concurrent Resolution No.4 as adopted by the Ninety-ninth General Assembly, First Regular Session; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.
