

Journal of the Senate

FIRST REGULAR SESSION

NINETEENTH DAY—TUESDAY, FEBRUARY 9, 2021

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

“Those of steadfast mind you keep in peace – in peace because they trust you.” (Isaiah 26:3)

Almighty God, we know that if our efforts to truly follow You were traced, it would be a jagged course like the electro cardiogram, we would have high moments of truly following Your path for us and low valleys of failures. Yet in our lives we seek to become more consistent in our efforts that goodness and kindness will be produced. So, we ask Lord grant us the courage to change and humility to be Your child. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

Whereas, as of August, 2016, the ongoing National Motorcycle Profiling Survey 2016, conducted by the Motorcycle Profiling Project, found that approximately one-half of the motorcyclists surveyed felt that they had been profiled by law enforcement at least once; and

Whereas, complaints surrounding motorcycle profiling have been cited in all fifty states; and

Whereas, nationwide protests to raise awareness and combat motorcycle profiling have been held in multiple states:

Now Therefore Be It Resolved that the members of the Senate of the One Hundred First General Assembly, First Regular Session, the House of Representatives concurring therein, hereby:

The application shall contain a full description of the vessel, factory number or serial number, together with a statement of the applicant’s source of title and of any liens or encumbrances on the vessel. For good cause shown the director of revenue may extend the period of time for making such application. The director of revenue shall use reasonable diligence in ascertaining whether the facts stated in such application are true, and, if satisfied that the applicant is the lawful owner of such vessel, or otherwise entitled to have the same registered in his or her name, shall thereupon issue an appropriate certificate of title over the director’s signature and sealed with the seal of the director’s office, procured and used for such purpose, and a certificate of number stating the number awarded to the vessel. The application shall include a provision stating that the applicant will consent to any inspection necessary to determine compliance with the provisions of this chapter and shall be signed by the owner of the vessel and shall be accompanied by the fee specified in subsection 10 of this section. The owner shall paint on or attach to each side of the bow of the vessel the identification number in a manner as may be prescribed by rules and regulations of the division of water safety in order that it may be clearly visible. The number shall be maintained in legible condition. The certificate of number shall be pocket size and shall be available at all times for inspection on the vessel for which issued, whenever the vessel is in operation. The operator of a vessel in which such certificate of number is not available for inspection by the water patrol division or, if the operator cannot be determined, the person who is the registered owner of the vessel shall be subject to the penalties provided in section 306.210. Vessels owned by the state or a political subdivision shall be registered but no fee shall be assessed for such registration.

No additional or substitute number shall be issued unless the number is a duplicate of an existing Missouri number.

4. In the event that an agency of the United States government shall have in force an overall system of identification numbering for vessels within the United States, the numbering system employed pursuant to this chapter by the department of revenue shall be in conformity therewith.

5. All records of the department of revenue made and kept pursuant to this section shall be public records.

6. A permanent certificate of number may be issued upon application and payment of three times the fee specified for the vessel under subsection 10 of this section. Permanent certificates of number shall not be transferred to any other person or vessel, or displayed on any vessel other than the vessel for which it was issued, and shall continue in force and effect until terminated or discontinued in accordance with the provisions of this chapter. Every other certificate of number awarded pursuant to this chapter shall continue in force and effect for a period of three years unless sooner terminated or discontinued in accordance with the provisions of this chapter. Certificates of number may be renewed by the owner in the same manner provided for in the initial securing of the same or in accordance with the

7. The department of revenue shall fix the days and months of the year on which certificates of number due to expire during the calendar year shall lapse and no longer be of any force and effect unless renewed pursuant to this chapter and may stagger such dates in order to distribute the workload.

8. When applying for or renewing a vessel’s certificate of number, the owner shall submit a paid personal property tax receipt for the tax year which immediately precedes the year in which the application is made or the year in which the renewal is due and which reflects that the vessel being renewed is listed as personal property and that all personal property taxes, including delinquent taxes from prior years, have been paid, or a statement certified by the county or township in which the owner’s property was assessed showing that the state and county tangible personal property taxes for such previous tax year and all delinquent taxes due have been paid by the applicant or that no such taxes were due.
