

Journal of the Senate

FIRST REGULAR SESSION

TWENTIETH DAY—WEDNESDAY, FEBRUARY 10, 2021

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

“I call upon you, for you will answer me, O God; incline your ear to me, hear my words.” (Psalm 17:6)

Gracious God our faith in You is undergirded by Your faithfulness. We know that many times we become impatient waiting for what we feel needs to happen now but we know that patience is needed and trust that You will open the doors needed when they best serve Your intentions for us. So, help us be as faithful to You as You are to us and have an open heart to what is before us. And Lord we give You thanks for those who clean our roads and walkways so our travel is safe. We ask Your blessing on them. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

The following Senators were present during the day’s proceedings:

RESOLUTIONS

Senator Bean offered Senate Resolution No. 85, regarding SoutheastHEALTH Center, Stoddard County, which was adopted.

Senator Bean offered Senate Resolution No. 86, regarding Whitney Horton, Dexter, which was adopted.

Senator Bean offered Senate Resolution No. 87, regarding Dee Loflin, Dexter, which was adopted.

Senator Brown offered Senate Resolution No. 88, regarding Lyndsey Ann Parker, Salem, which was adopted.

Senator Eigel offered Senate Resolution No. 89, regarding Spencer Dunajcik, St. Peters, which was adopted.

Senator Onder offered the following resolution:

SENATE RESOLUTION NO. 90

Whereas, many people with serious, chronic mental illnesses, such as schizophrenia and other schizoaffective disorders, bipolar disorders, or severe depression, require treatment with medications that work as dopamine receptor blocking agents (DRBAs), including antipsychotics; and

Whereas, while ongoing treatment with these medications can be very helpful, and even lifesaving, for many people, such treatment can also lead to tardive dyskinesia; and

Whereas, many people who have gastrointestinal disorders, including gastroparesis, nausea, and vomiting, also require treatment with DRBAs; and

Whereas, treatment of gastrointestinal disorders with DRBAs can be very helpful, but for many patients can lead to tardive dyskinesia; and

Whereas, tardive dyskinesia is a movement disorder that is characterized by random, involuntary, and uncontrolled movements of different muscles in the face, trunk, and extremities, and, in some cases, people may experience movement of the arms, legs, fingers, toes, tongue, lips, and jaw. Other symptoms may include swaying movements of the trunk or hips and impact to the muscles associated with walking, speech, eating, and breathing; and

Whereas, tardive dyskinesia can develop months, years, or decades after a person starts taking DRBAs and even after they have discontinued use of those medications. Not everyone who takes a DRBA develops tardive dyskinesia, but, if it develops, tardive dyskinesia is often permanent; and

Whereas, common risk factors for tardive dyskinesia include advanced age and alcoholism or other substance abuse disorders. Postmenopausal women and people with a mood disorder are also higher risk of developing tardive dyskinesia; and

Whereas, a person is at higher risk for tardive dyskinesia after taking DRBAs for three months or longer, but the longer the person is on these medications, the higher the risk of developing tardive dyskinesia; and

Whereas, studies suggest that overall risk of developing tardive dyskinesia is between 10 and 30 percent; and

Whereas, it is estimated that over 500,000 Americans suffer from tardive dyskinesia and, according to the National Alliance for Mental Illness, one in every four patients receiving long-term treatment with an antipsychotic medication will experience tardive dyskinesia; and

Whereas, years of difficult and challenging research have resulted in recent scientific breakthroughs, with two new treatments for tardive dyskinesia approved by the U.S. Food and Drug Administration; and

Whereas, tardive dyskinesia is often unrecognized and patients suffering from the illness are commonly misdiagnosed. Regular screening for tardive dyskinesia in patients taking DRBA medications is recommended by the American Psychiatric Association; and

Whereas, patients suffering from tardive dyskinesia often suffer embarrassment due to abnormal and involuntary movements, which leads them to withdraw from society and increasingly isolate themselves as the disease progresses; and

Whereas, caregivers of patients with tardive dyskinesia face many challenges and are often responsible for the overall care of the patient; and

Whereas, the Senate can raise awareness of tardive dyskinesia in the public and medical community:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One hundred first General Assembly, First Regular Session, hereby designates the week of May 2, 2021, as "Tardive Dyskinesia Awareness Week"; and

Be it further resolved the members of the Missouri Senate encourage Missouri residents to become better informed about and aware of tardive dyskinesia.

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Committee Substitute for Senate Bills Nos. 12, 20, 21, 31, 56, 67 and 68, Page 10, Section 210.067, Line 6, by inserting after all of said line the following:

“332.071. A person or other entity “practices dentistry” within the meaning of this chapter who:

(1) Undertakes to do or perform dental work or dental services or dental operations or oral surgery, by any means or methods, including the use of lasers, gratuitously or for a salary or fee or other reward, paid directly or indirectly to the person or to any other person or entity;

(2) Diagnoses or professes to diagnose, prescribes for or professes to prescribe for, treats or professes to treat, any disease, pain, deformity, deficiency, injury or physical condition of human teeth or adjacent structures or treats or professes to treat any disease or disorder or lesions of the oral regions;

(3) Attempts to or does replace or restore a part or portion of a human tooth;

(4) Attempts to or does extract human teeth or attempts to or does correct malformations of human teeth or jaws;

(5) Attempts to or does adjust an appliance or appliances for use in or used in connection with malposed teeth in the human mouth;

(6) Interprets or professes to interpret or read dental radiographs;

(7) Administers an anesthetic in connection with dental services or dental operations or dental surgery;

(8) Undertakes to or does remove hard and soft deposits from or polishes natural and restored surfaces of teeth;

(9) Uses or permits to be used for the person's benefit or for the benefit of any other person or other entity the following titles or words in connection with the person's name: "Doctor", "Dentist", "Dr.", "D.D.S.", or "D.M.D.", or any other letters, titles, degrees or descriptive matter which directly or indirectly indicate or imply that the person is willing or able to perform any type of dental service for any person or persons, or uses or permits the use of for the person's benefit or for the benefit of any other person or other entity any card, directory, poster, sign or any other means by which the person indicates or implies or represents that the person is willing or able to perform any type of dental services or operation for any person;

(10) Directly or indirectly owns, leases, operates, maintains, manages or conducts an office or establishment of any kind in which dental services or dental operations of any kind are performed for any purpose; but this section shall not be construed to prevent owners or lessees of real estate from lawfully leasing premises to those who are qualified to practice dentistry within the meaning of this chapter;

(11) Controls, influences, attempts to control or influence, or otherwise interferes with the dentist's independent professional judgment regarding the diagnosis or treatment of a dental disease, disorder, or physical condition except that any opinion rendered by any health care professional licensed under this chapter or chapter 330, 331, 334, 335, 336, 337, or 338 regarding the diagnosis, treatment, disorder, or physical condition of any patient shall not be construed to control, influence, attempt to control or influence or otherwise interfere with a dentist's independent professional judgment;

(12) Constructs, supplies, reproduces or repairs any prosthetic denture, bridge, artificial restoration, appliance or other structure to be used or worn as a substitute for natural teeth, except when one, not a registered and licensed dentist, does so pursuant to a written uniform laboratory work order, in the form prescribed by the board, of a dentist registered and currently licensed in Missouri and which the substitute in this subdivision described is constructed upon or by use of casts or models made from an impression furnished by a dentist registered and currently licensed in Missouri;

(13) Attempts to or does place any substitute described in subdivision (12) of this section in a human mouth or attempts to or professes to adjust any substitute or delivers any substitute to any person other than the dentist upon whose order the work in producing the substitute was performed;

(14) Advertises, solicits, or offers to or does sell or deliver any substitute described in subdivision (12) of this section or offers to or does sell the person's services in constructing, reproducing, supplying or repairing the substitute to any person other than a registered and licensed dentist in Missouri;

(15) Undertakes to do or perform any physical evaluation of a patient in the person's office or in a hospital, clinic, or other medical or dental facility prior to or incident to the performance of any dental services, dental operations, or dental surgery;

(16) Reviews examination findings, x-rays, or other patient data to make judgments or decisions about the dental care rendered to a patient in this state;

(17) Prescribes and administers vaccines.

332.368. 1. A dentist may prescribe and administer vaccines to a person with whom the dentist has

established a patient relationship and vaccines directly related to an emergency as defined in section 44.045. No dentist shall be required to prescribe or administer vaccines.

2. The board shall recognize a training course, which includes training regarding appropriate vaccine storage, proper administration, and addressing contraindications and adverse reactions, offered by the Centers for Disease Control and Prevention, the American Dental Association or its successor organization, and other similar federal or state agencies or professional organizations deemed qualified by the board.

3. The dentist shall:

(1) Inform the patient that the administration of the vaccine will be entered into the ShowMeVax system, as administered by the department of health and senior services. The patient shall attest to the inclusion of such information in the system by signing a form provided by the dentist. If the patient indicates that he or she does not want such information entered into the ShowMeVax system, the dentist shall provide a written report within fourteen days of administration of a vaccine to the patient's primary health care provider, if provided by the patient, containing:

- (a) The identity of the patient;
- (b) The identity of the vaccine or vaccines administered;
- (c) The route of administration;
- (d) The anatomic site of the administration;
- (e) The dose administered; and
- (f) The date of administration;

(2) Prior to administering a vaccine, review the patient's vaccination history in the ShowMeVax system;

(3) Obtain a certificate of successful completion from the entity from whom the dentist received the training described in subsection 2 of this section and shall produce for the board upon their request; and

(4) Comply with any applicable patient of care record keeping requirements.

4. The dentist shall not delegate the administration of a vaccine. The board shall promulgate rules for the purpose of recognizing training entities listed in subdivision (2) of subsection 1 of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2021, shall be invalid and void.”; and

Further amend the title and enacting clause accordingly.

Senator Roberts moved that the above amendment be adopted.

Senator Onder raised the point of order that SA 1 is out of order as it goes beyond the scope of the bill.

The point of order was referred to the President Pro Tem.

Senator Bean assumed the Chair.

Senator Hough assumed the Chair.

At the request of Senator Onder, the point of order was withdrawn.

President Kehoe assumed the Chair.
